

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The consideration of the report on Education was resumed, and the report was adopted *seriatim* and as a whole, and is as follows:

REPORT OF THE STANDING COMMITTEE OF EDUCATION.

There have come into the hands of your committee the Minutes of the Executive Committee, the Annual Report of its Secretary, and an overture of all the members of the Executive Committee, except the Secretary, in regard to matters touching the interests of the Education work. Besides these documents, the committee have also carefully examined the overture from East Hanover Presbytery in regard to the removal of the Executive Committee from Memphis to Richmond, and the overture of St. Louis Presbytery touching an increase of candidates for the ministry. Your committee has also had full and satisfactory conferences with the Secretary of Education, and has deliberated carefully on the important matters brought before it. As the result of our deliberations, we beg to present the following report:

The work of the Education Committee and its Secretary has been conducted during the past year in a most harmonious and satisfactory manner. Larger funds have been collected than in any past year, the churches having contributed \$21,461.60, an increase of \$3,661.66 over the previous year, and a larger number of candidates have been aided than ever before. Two hundred and twenty-nine beneficiaries have been on the roll. The largest number of these candidates are under the care of the Synod of South Carolina; the next largest in the Synod of North Carolina, and the next under the Synod of Texas. About half of the beneficiaries are in theological seminaries, eleven of whom are attending institutions not in connection with this General Assembly. Of college students aided, the largest number at any one institution is at Davidson College, 27; the next largest at Anstin College, 11; and the next largest at Clinton College, 10. A few are at private schools and academies. The expenses of conducting the work have been very small, amounting to only six and a half per cent. of the receipts. There is a prospect of a considerable increase in the number of candidates who will require aid next year, and this will necessitate a corresponding increase in the funds at the command of the committee. We recommend your venerable body to take the following action:

Resolved, 1. That the General Assembly gratefully acknowledges the goodness of God bestowed in this department of work, and returns its thanks to its Secretary and committee for its faithful, intelligent, and successful management. Special mention deserves to be made of the services of Mr. G. W. Macrae, Treasurer, through whose kindness it has been possible to maintain the efficiency of the committee at so small an expense.

2. That in view of all the facts of the case, it is not deemed wise to make the proposed change in the location of the Executive Committee. On the other hand, there seems to be a demand for a fuller and more active conduct of the work, and

for a secretary whose whole time shall be given to it. This seems to be necessary, in order that this officer may have opportunity, not only to perform office work, but, as occasion demands, be able to visit the Presbyteries, Theological Seminaries, Colleges, and such churches as may be open to him. We recommend, therefore, that at its present sessions the General Assembly shall elect a secretary for his whole time, who shall receive such salary as the Executive Committee may decide on.

3. That the Presbyteries and churches be advised to make an effort to raise during the coming ecclesiastical year at least \$30,000 for Education; that the Executive Committee be requested to apportion this amount among the Presbyteries, and the Presbyteries to apportion it among their churches, and that chairmen of Presbyterial committees be requested to take special and careful oversight of this matter.

4. That Presbyteries be enjoined to take a careful oversight of this work in all its branches; that they exercise diligence in seeking out young men qualified for the work, and, through their committees, keep a strict watch over them during their scholastic and theological preparation; that in ordinary cases candidates be required to attend theological institutions within the bounds and under the supervision of our own church, and reports of their progress be regularly obtained and brought to the attention of Presbytery.

5. That the fourth Thursday of February be set apart as a day of special prayer in behalf of youth in schools and colleges, and that all our congregations be, and hereby are, exhorted to observe it, so far as is practicable, with solemnity and zeal.

6. That the Executive Committee be re-appointed, as follows: Rev. E. M. Richardson, D. D., Secretary; G. W. Macrae, Treasurer; Rev. N. M. Woods, Rev. John H. Boyd, Rev. F. L. Ewing, Rev. W. McF. Alexander, and S. P. Read, T. H. Rice, H. M. Neely, Thomas Wellford, and John Johnston, Esqs.

Touching the important matter so forcibly and intelligently presented in the overture from St. Louis Presbytery, your committee recommend—

1. That all our ministers be exhorted to preach on the first Sabbath of July, or as soon thereafter as practicable, on the need of laborers in the great harvest-field of the world; that the claims of the gospel ministry be distinctly set forth on parents and their children, and that parents be exhorted to consecrate their sons to this work, if the Lord shall call them thereto; that those having charge of schools and colleges, and who may have access to the youth in attendance thereon, shall, as occasion may offer, lay this matter before them as one of imperative importance; that parents who may be able to give their sons a liberal education be urged to do so, that they may be in the line of preparation if God, by His providence and grace, shall call them to serve Him as ministers of the Word; that the Christian women of our churches be invoked to interest themselves in this work, and, through their societies, to aid poor youth of piety and promise, and that all our people be urged to awake to the great demands now made on us for an increase in the ministry.

2. That a special and solemn appeal be, and is hereby made, to "our ruling elders and deacons, and other Christian workers in the Church, who may have the scriptural qualifications for the work of the ministry, to consider prayerfully whether they may not be called of God to preach the Word, and to enter some of the many open doors which he has set before his church."

Respectfully submitted,

RICHARD McILWAINE, *Chairman.*

The following communication from the Rev. E. P. Terhune, D. D., delegate to this Assembly from the General Synod of the Reformed Church in America, was referred to the Committee on Foreign Correspondence:

210 PENN STREET, BROOKLYN, N. Y., May 21, 1891.

To the Moderator and General Assembly of the Presbyterian Church in the United States:

DEAR BRETHREN.—By the appointment of the General Synod of the Reformed Church in America, we present to your Assembly the salutations of our Church. Circumstances prevent, this year, the appearance in person before you of either of the delegates. None the less cordially, however, do we tender our congratulations to you for your success in the fields, foreign and domestic, in which you are engaged, and our wishes for the continued favor of God upon your work. We feel the momentous character of the interests which, by Providence, have been made your responsibility, and pray that you may be guided by infinite wisdom, as we already know that you have the disposition, to meet the great requirement of your position.

The story of our oneness with you in those conservative views of the truth upon which our respective churches have been built up, is a many-times-told tale, repeated by the delegates at almost every annual meeting of these bodies; but you will agree with us that it was never more important, as a fact, than at this hour, when, perhaps, as certainly as at any other period since the Reformation, those who serve and love God and his word should be found standing shoulder to shoulder earnestly to contend for the faith once delivered to the saints. We rejoice that with you, as with our own beloved church, as yet the foundation of the Lord standeth sure, and that the importance of maintaining a positive faith is becoming

to us ever more and more evident. With all heartiness we sympathetically join hands with you for the defence as for the enlargement of Zion.

Fraternally, in behalf of the General Synod of the Reformed Church in America.

EDW. P. TERHUNE, *Delegate Primarius*.

The Special Committee on Colored Evangelistic Work made the following report, which was adopted, viz.:

After careful consideration of all the papers committed to us, your committee begs to submit the following report:

This Assembly reaffirms the many deliverances of former Assemblies expressive of the deep interest of our church in the salvation of the colored people in our bounds, and our duty to give them the gospel of the Lord Jesus Christ.

It was stated on the floor of this Assembly that the colored Presbyterians in our bounds desire for themselves separate organizations, to be erected, counseled and aided by us, and whereas it is desirable that accurate information be obtained as to their wishes and purposes in these regards, therefore be it—

Resolved, That Rev. A. L. Phillips be appointed a commissioner to visit or correspond with the various colored Presbyteries, and gather authentic information of their wishes in the premises, and to visit the Synods concerned, and endeavor to secure from them such action as shall permit the colored Presbyteries, if they so desire, to form an independent Synod; and he is hereby instructed to bear to these Presbyteries the most cordial assurances of our sympathy and aid, and our readiness to enter into correspondence with their Synod when it is formed.

In order to unify, strengthen and enlarge our efforts for the colored people, this Assembly hereby appoints an executive committee on colored evangelization, to consist of a secretary and ten members, of which number the Superintendent of Tuskegee Institute shall be one, to be appointed annually by the General Assembly, and to be located at Birmingham, Ala.

To this committee shall be entrusted the oversight of the entire educational, evangelistic and sustentation work of our church in behalf of the colored people, the general management of the finances, fixing of salaries, and disbursement of all funds contributed to this cause. The records of this committee shall be submitted annually to the General Assembly, and the committee shall prepare and submit to the next Assembly a manual of rules.

Until otherwise ordered, all money for this cause shall be sent as heretofore to the Treasurer of the Committee of Home Missions, and none of it shall be disbursed except on the order of the Committee on Colored Evangelization through the warrant of its secretary.

The Rev. A. L. Phillips is hereby nominated as Secretary of Colored Evangelization, and the following are nominated as members of the Executive Committee: *Ministers*.—C. A. Stillman, Hugh K. Walker, T. C. Whaling, L. S. Handley, J. A. Bryan. *Ruling Elders*.—J. H. Miller, E. H. Sholl, J. W. Lapsley, T. H. Herndon. M. A. Mason.

A sufficient answer to the overture from the Synod of Arkansas, asking the establishment of an academic department in connection with Tuskegee Institute, is found in the report of the Executive Committee for said Institute, made to this Assembly, that "we have concluded to employ a teacher for this purpose, assured that the liberality of the church will sustain us in this movement," and this action of the Committee meets the cordial approval of this Assembly.

The Presbytery of Orange overtures the Assembly "to interpret the policy of the Southern Presbyterian Church with reference to the establishment of a separate African church." This Assembly answers said overture as follows: It is the deliberate and settled policy of our church to aid in the establishment and development of a separate and ultimately self-sustaining Colored Presbyterian Church. Unless our Presbyteries organize churches and license and ordain ministers, it is evident that no progress whatever can be made in this work. This Assembly therefore invites the Presbyteries to coöperate by ordaining, in the regular constitutional method, both teaching and ruling elders, in order to their ultimate connection with the independent colored church.

In consideration of the foregoing action, of the pressing needs of this cause, and of our deep interest in the colored people, we appeal to the church at large for at least \$20,000 for colored evangelization, and the Executive Committee is hereby instructed to apportion this amount among the Presbyteries of the church.

The order of the day having arrived, the report of the Standing Committee on Foreign Missions was presented. Pending its consideration, the Assembly had recess until 3:30 P. M.

3:30 o'clock P. M.

The Assembly met, and after devotional exercises conducted by

the Moderator, proceeded with the consideration of the report on Foreign Missions, which was amended, and adopted *seriatim* and as a whole, and is as follows:

The Standing Committee of Foreign Missions had placed in its hands the following papers: the Annual Report of the Executive Committee, the minutes of the Executive Committee, a memorial from the Presbytery of St. Louis, an overture from the same Presbytery, an overture from the Presbytery of Nashville, and a letter from the local Synod of the Free Evangelical Church in Greece, together with certain papers referred to therein.

Your committee beg leave to report that they have given laborious attention to these papers, and to submit for your consideration the following recommendations:

1. That the Assembly recognizes the hand of our God in the signal blessings which have attended the preaching of his gospel in the lands occupied by our missionaries, in his leading so many of our young men and women to consecrate their lives to this holy work, and in his prompting in the hearts of his people a spirit of liberality, the like of which our church has never seen.

2. That the Assembly learns with devout thankfulness of the special efforts of various persons, missionary societies and churches, which have resulted in largely increased contributions, either to some particular object or to the general work, and that the Assembly commend these persons and churches as examples of a true Christian liberality.

3. That in view of the call sounding now more loudly than ever for both men and women in the foreign field, the Assembly lays it upon the conscience of the church and for the sake of her dear Lord to raise within the ensuing year the sum of \$150,000 for this cause.

4. That the General Assembly learns with pleasure that "simultaneous meetings" have been held during the year with decided success, and the Executive Committee is directed to make arrangements for a more general and efficient observance of these meetings during the current year.

5. That the Assembly urges upon her ministry, that in the public service of the church, prayer for all men should be offered regularly and fervently, and that the monthly concert of prayer offers a special occasion on which such prayer may be made.

6. That the last Sabbath of May be set apart as the Children's Day, and the Missionary Festival and the Executive Committee is directed to make all necessary arrangements for the observance of this day.

7. That the following answer be made to the local Synod of the Free Evangelical Church of Greece: "This Assembly reciprocates the cordial Christian sympathy of the brethren in Greece, and rejoices in their efforts to maintain the pure gospel of Christ. The change in the designation of our mission to the Greeks, suggested in the Synod's letter, has been made for some months past. The intention expressed by our missionaries to confine their labors to the Greeks in European Turkey is approved and ratified by the Assembly."

8. That the Executive Committee is directed within the ensuing year to acquire all possible information as to the expediency of continuing our mission to the Greeks in European Turkey, and to take such action as in their judgment may seem best.

9. That in reply to the overture from the Presbytery of St. Louis touching work among the Jews in Palestine, the Assembly, in view of the large and pressing

demands of the fields already occupied, is very regretfully forced to decline the proposed undertaking.

10. That in reply to the memorial from the Presbytery of St. Louis touching increase in the mission force in the Republic of Brazil, the Assembly, in view of the special attention now given to Brazil, sees no reason for departing from the ordinary rule laid down in the Manual, which leaves to the discretion of the Executive Committee the distribution of missionaries among the various fields.

11. That the Executive Committee be authorized to transfer the publication *The Missionary* from Richmond to Nashville, and that Messrs. Whittet & Shepperdson be apprised that this step is taken with great reluctance and only out of the exigencies of the case, and that the Assembly records its high appreciation of the skill and efficiency with which they have conducted the publication of it.

12. That the office of Assistant Secretary and Treasurer be divided, the former to be elected by the Assembly, the latter, for the ensuing year, to be elected and subject to removal by the Executive Committee, and giving the usual bond for the faithful performance of his duties to the Trustees of the General Assembly.

13. That the Assembly recognizes the thorough and painstaking labors of the Executive Committee during the year that has closed, and believes that the success of the work is largely due to the intelligent zeal with which each member of the committee has discharged his duties. It hereby re-elects the Rev. M. H. Houston, D. D., Secretary; the Rev. D. C. Rankin, Assistant Secretary, and for additional members of the Executive Committee the following: Rev. Drs. J. H. McNeilly, G. A. Trenholm, Jere. Witherspoon, J. W. Lupton, J. H. Bryson, J. W. Bachman, Rev. Messrs. E. A. Ramsey, J. L. Caldwell, and Messrs. J. B. O'Bryan, C. A. R. Thompson, R. J. Gordon, J. W. Frierson, and Z. W. Ewing.

In behalf of the committee,

W. S. P. BRYAN, *Chairman*.

The report of the Permanent Committee on the Sabbath was read and referred to the following special committee, viz., Revs. A. S. Doak, Joseph Evans, R. P. Pell, W. T. Spears, and Ruling Elder W. T. Williams, to whom overtures relative to the Sabbath, now in the hands of the Committee on Bills and Overtures, were transferred.

The order of the day, the hearing of the report of the Standing Committee on Home Missions, was taken up. The report was read, and adopted *seriatim* and as a whole, and is as follows:

The Standing Committee on Home Missions, to which were referred the annual report and records of the Executive Committee, submit the following report to the General Assembly:

It is a matter of devout thankfulness and gratitude that the work of Home Missions, in its five departments, has, notwithstanding some difficulties it has had to contend with, been so successfully prosecuted by the Committee. The usefulness and success of the various branches of this work, as indicated by the Annual Report, commend them to the liberal support of the church.

1. In the department of Sustentation the sad fact is placed before us that the Committee were compelled, on account of deficiency in the offerings made by the churches, to cut down the appropriations to the Presbyteries nearly three thousand

dollars. In order that this deficiency be restored and paid in full, not less than \$17,000 must be realized from the August collections; and we learn that to do this and meet the necessary requirements of this part of the work, \$35,000 must be secured. We therefore recommend that this amount be asked for from the churches for the year 1892.

2. The fact that the contributions for church erection and the loan fund were sixteen per cent. more last year than the year before indicates increased attention to this part of home mission work; but in view of increasing demands for aid in erecting houses of worship, as our new fields are rapidly opening up, we recommend that our churches be urged to raise \$10,000 for this work.

3. It is well known that our evangelistic field now embraces the Indian territory, formerly embraced in the Foreign Mission work. (1), In the prosecution of this work in the States, as the work is rapidly expanding, the means for its successful execution are constantly increasing. During the year appropriations were made in aid of sixty-four ministers in forty Presbyteries to the amount of about \$20,000. (2), In the work among the Indians aid will be needed for five white and four Indian preachers, and for the support of two teachers in Armstrong Academy. To prevent any part of the work from being suspended during the year which ends at the 1st of next September, \$12,000, or nearly that sum, from the June collection is a necessity. In view of the critical condition of this fund, we recommend that the Executive Committee be authorized to make a special appeal, in the name of the Assembly, for a full contribution next month. Then we recommend that an earnest effort be made to get from the offerings of the churches the amount of at least \$30,000 for the next evangelistic year, beginning September 1st.

4. We find that the beneficiaries of the Invalid Fund aided during the year, numbered 146. But the painful fact stares us in the face, that, owing to want of funds, applications for aid had to be scaled one-sixth; only about five-sixths of the contributions asked for from the churches and needed, is expected now to be in hand against the 1st of July next. When we consider that the beneficiaries are infirm ministers, and the widows and orphans of deceased ministers, and remember the small amounts given in aid of them—from \$50 to \$200 to a family—the failure of the churches to supply the little pittance asked for to aid in their support, is enough to tinge the cheek with shame. It is certainly to be hoped that such a failure will never be allowed to occur again. And that it may not occur the coming year, it is urgently recommended that the attention of Presbyteries be called to the failure last year, and the importance of securing offerings for this work to not less than the amount asked for by the Executive Committee, \$20,000.

5. The colored evangelistic work seems to be in a prosperous condition. But inasmuch as a special committee has been raised, to take into consideration this part of the Home Mission work, and report to this Assembly, we leave this matter to that committee.

6. We are gratified to learn that the *Home Missionary*, the publication of which was begun in July, has fully paid expenses. But in consideration of the value to the church of such a publication in developing and sustaining interest in the whole Home Mission work, it is recommended that vigorous effort be made throughout the church to increase its subscription list. We recommend that the Executive Committee be authorized to apportion the amounts asked for in the prosecution of the various branches of Home Mission work among the different Presbyteries to be by them apportioned among the different churches.

7. The General Assembly would earnestly and urgently recommend to all its con-

stituent Presbyteries to co-operate with each other through its Executive Committee of Home Missions in all the departments of its work.

8. We have examined the Minutes of the Assembly's Executive Committee of Home Missions carefully, and recommend their approval.

9. Your committee recommend (1), that the order of the General Assembly passed in 1889, requiring the accounts of the Treasurer to be examined by a local auditing committee, be placed in the constitution of the Home Mission Committee, instead of the former rule, which required the Treasurer's report and vouchers to be brought to each General Assembly for examination by the Assembly's Standing Auditing Committee. (2), That the rule requiring the Treasurer of the Home Mission Committee to attend each meeting of the General Assembly, be repealed.

10. *Resolved*, That our pastors and sessions, and superintendents of Sabbath-schools be requested to present each Home Mission cause to the Sabbath-schools of their churches on some Sabbath in each month, as set apart for each of these five causes, and that efforts be made with such aid as can be given from the office of Home Missions, to instruct and interest the Sunday-schools with reference to these causes, and to train them to give regularly of their means for the support of the work.

11. The Assembly commends to the prayers of its people the mariners who visit our shores, and invites their offerings in furtherance of their conversion and enrollment in Christ's church, and asks its people to pray that God may hasten the day when many of the sailors of the earth will go forth as messengers, bearing the glad tidings of salvation to earth's remotest bounds.

12. We recommend the appointment of the following Executive Committee for the ensuing year, viz. : Rev. J. N. Craig, Secretary; W. A. Powell, Treasurer; Rev. G. B. Strickler, Rev. J. L. Rogers, D. D., Rev. E. H. Barnett, D. D., Rev. F. H. Gaines, and Messrs. W. A. Moore, S. M. Inman, M. A. Candler, George W. Scott, and A. Beattie.

Respectfully submitted, by order of the committee.

J. H. LEWIS, *Chairman*.

The Judicial Committee reported on the memorial from members of the Third Church, Knoxville, Tenn. The report was adopted, and is as follows:

While there seems to be an unhappy condition of affairs in this church, and an apparent conflict between the action of the Synod of Nashville at its last Fall meeting, and the present course of the Presbytery of Knoxville, and the Third Church, yet as the appeal heretofore taken by the Third Church has been abandoned and

their troubles appear to be in course of attempted settlement, we deem it the regular course and more expedient to leave the matter for the present for adjustment by the lower courts, urging upon all these brethren for the good of the church and the glory of God that they exercise a spirit of conciliation and brotherly love one towards another.

JOSEPH W. MARTIN, *Chairman*.

The Committee on Foreign Correspondence made a report, which was docketed, with the order that when taken from the docket it shall be considered *seriatim*.

The Committee on Foreign Correspondence report, that they have received a communication from the Committee on Arbitration, reporting progress in the work entrusted to it. We recommend that the Committee be continued.

The same committee reported, recommending the following response to the communication from the delegate of the General Synod of the Reformed Church in America. The report was adopted and the response ordered to be transmitted:

To the General Synod of the Reformed Church in America:

DEAR BRETHREN.—The General Assembly of the Presbyterian Church in the United States has received a communication from the delegate appointed to bear your fraternal greetings to us.

We should have been glad to extend to your delegate a cordial welcome, had he been able to visit us in person. In accordance with the rule adopted by the Assembly of 1883, with reference to other ecclesiastical bodies, and applied also to your body by the Assembly of 1890, we respond to the kind communication of your representative by this letter instead of by the appointment of a delegate.

Our Assembly highly appreciates and warmly reciprocates the fraternal sentiments which your delegate has expressed to us on your behalf. We rejoice to know that you continue to be of one mind with us "in those conservative views of truth upon which our respective Assemblies have been built up." We pray that God may give us grace to walk together, in the future as in the past, in the old paths.

We are glad to report to you that God has been pouring out upon our beloved church during the past year in greater measure than ever before the spirit of missions.

Praying that the Head of the church may preserve both you and us from internal dissensions, so that all our strength may be reserved for the great work of enlarging the bounds of our Zion, and that the bonds of fellowship between our churches in this work, which have always been so close and strong, may not only remain unbroken, but continue to strengthen in the days to come, we do now with all heartiness and sympathy join hands with you in this cause.

The grace of our Lord Jesus Christ be with you. Amen.

The order of the day for this morning, the hearing of the report of the Committee on Bills and Overtures touching proposed amendments to the Constitution, was made the first order of the day for this afternoon.

The Committee on the Records of the Synod of Memphis reported, recommending approval with an exception. The report was put upon the docket.

The Committee on Bills and Overtures, in response to an overture from Suwanee Presbytery as to whether the rental of the manse should be included under the head of "pastor's salary actually paid," made the following report, which was adopted :

Overture No. 27, From the Presbytery of Suwanee, asking whether a church which furnishes a manse for the pastor should include the estimated rental of it in the amount reported as salary paid him ?

Answer : Yes.

The same committee reported as follows on an overture from Potosi Presbytery, asking certain changes in the Statistical Reports :

Overture No. 7, From the Presbytery of Potosi, asks for a change in the heading of a column in the statistical reports, so as to read, "Added by certificate from other denominations."

Answer : Your committee recommend that this request be declined.

The report was adopted.

The same committee, in answer to an overture from East Hanover Presbytery, asking that a list of the subjects sent down to the Presbyteries be included in the index of the Assembly's minutes, reported the following, which was adopted :

Overture No. 14. The Presbytery of East Hanover overtures the Assembly to direct the Stated Clerk to place in the index of the Minutes of the Assembly a list of the subjects sent down by the Assembly to be considered by the Presbyteries under some such head as "Questions to be considered by the Presbyteries."

Answer : Declined, because such matter is already indexed under "Presbyteries instructed and recommendations of General Assembly."

The same committee, on an overture from Pee Dee Presbytery as to a column for out-stations, recommended the following answer, which was adopted :

Overture No. 11. Pee Dee Presbytery asks for the addition of a column next to that of churches in the statistical tables, "for stations."

Answer : Your committee recommend that the Assembly decline to accede to.

the request, and suggest that a numeral, as 1, 2, or 3, representing the stations, be placed after the name of the church, showing the number of stations or preaching places in the congregation.

The same Committee, in answer to an overture from the Presbytery of West Hanover on the subject of temperance, made a report, which was amended, adopted, and is as follows:

Our church, in accordance with her former deliverances on the subject of temperance, made in 1830, 1834, 1837 and 1848, bears her testimony against the traffic in intoxicating liquors, as a fruitful source of abounding iniquity and misery. And the Assembly would urge our people to use all means, which may be approved by their Christian conscience and judgment, to remedy this evil throughout the land. Especially would we urge our members to abstain from the use of intoxicating liquors as a beverage.

The order of the day having arrived, the Assembly proceeded to the election of a Secretary and Executive Committee of Education, with the following result:

Rev. E. M. Richardson, D. D., Secretary, G. W. Macrae Esq., Treasurer, Rev. F. L. Ewing, Rev. N. M. Woods, D. D., Rev. J. H. Boyd, Rev. W. McF. Alexander, John Johnson, Esq., T. H. Rice, Esq., Thos. Wellford, Esq., H. M. Neely, Esq., S. P. Read, Esq.

The Committee on Theological Seminaries made a report, which was amended, adopted, and is as follows:

There has been placed in our hands the Annual Reports from the Board of Directors of Union and Columbia Seminaries, together with the Fourteenth Annual Report of the Executive Committee of the Institute for Training Colored Ministers, at Tuscaloosa. From these reports we are glad to note progress in every department. Fully equipped with able and accomplished professors, and with every convenience for the comfort of our students, availing themselves of the training offered in these institutions, we commend these institutions to the "interest and prayers and support of all our people."

"This Assembly renews the expression of its clear judgment and strong desire that our candidates for the ministry pursue their studies in our own schools," and the attention of our Presbyteries is hereby called to the action of this Assembly with a view to this result:

1. UNION THEOLOGICAL SEMINARY.

Your committee notice, with profound pleasure, that steps have been taken to increase the accommodation, which has been inadequate for some time for the students in attendance, one of their number being appointed as agent to secure funds for this purpose.

The financial condition of the Seminary is good, as seen by the Treasurer's Report accompanying this report.

The Assembly records its sorrow and sincere sympathy with Professor Latimer, on account of his recent serious illness, fondly praying and hoping that the leave of absence tendered him by the Board of Directors may lead to his perfect restoration to health.

It appears from this report that seventy-three students were in attendance during this year (a gain of three over last year). Diplomas were granted to eighteen students. We also note with pleasure the diligence of the students in attendance upon the examinations as well as the faithfulness of the professors in their discharge of their duties. Two professors were elected at the meeting of the Board, to wit: The Rev. C. C. Hersman, D. D., to the chair of Biblical Literature and New Testament Interpretation, made vacant by the resignation of Rev. H. C. Alexander, D. D., and the Rev. T. Cary Johnston to the chair of Bible Study and Pastoral Theology.

II. COLUMBIA THEOLOGICAL SEMINARY.

We are pleased to note that the several chairs of this institution are so ably filled, and that the professors are at one as to all the important matters of our Christian faith. The number of students is smaller by two (2) than the previous year. It is hoped that this number, twenty-three (23), may be largely increased another year, "with an accomplished and thoroughly evangelical faculty; a library so extensive, buildings so commodious and comfortable, expenses so reasonable," surely more of our candidates should frequent this "school of the prophets." The financial condition of the Seminary is sound. The invested funds amount to \$235,399.40. The interest therefrom about \$14,000. The library now numbers 20,000 volumes. We are pleased also to note that regular instruction in the English Bible has been given by Drs. McPheeters and Beattie.

The Directors of the Seminary have taken steps for placing a financial agent in the field to raise funds for the Endowment of the Fifth Professorship and some repairs to the property.

III. TUSKALOOSA INSTITUTE FOR TRAINING COLORED MINISTERS.

Your committee note the following facts:

Twenty-three students have been in attendance during the session. Of this number twenty-one are Presbyterians and two are Methodists. Five students graduated last June, and are in the field preaching to their own people.

The buildings are in good condition. A new roof was recently put on the main building.

1. We recommend that the Fourteenth Annual Report of the Executive Committee be approved, and their diligence commended. We note with sadness the death of two members of the committee—Rev. D. D. Sanderson, D. D., and W. P. Webb, Esq.

J. A. DICKSON, *Chairman*.

The Committee on the Records of the Synod of Nashville reported, recommending their approval. Adopted.

The Committee on the Records of the Synod of Arkansas reported, recommending their approval. Adopted.

The Assembly had recess until 3:30 P. M.

3:30 o'clock P. M.

The Assembly met and engaged in devotional exercises, conducted by the Rev. T. P. Cleveland, D. D.

The Committee on Sabbath-schools made the following report, which was adopted :

There have been placed in the hands of your committee the annual statistical reports of seventy-one Presbyteries, an overture from the Presbytery of Abingdon, and also an overture from the Presbytery of North Alabama. These papers have all received due consideration.

1. In the first place, your committee desires to bring to your attention the following comparative statement: The seventy-one presbyterial reports furnish information respecting the condition of 1,584 schools, as compared with 1,471 schools reported last year. These schools have an enrolled membership of 14,201 teachers, an increase of 1,020 over last year's report; of 114,577 scholars, an increase of 8,120; the average attendance of teachers, 10,600, an increase of 1,199; of scholars, 72,947, an increase of 5,766. The number of scholars admitted to the communion of the church is 4,351, a decrease of 1,086 as compared with last year. An examination of the report of the Standing Committee of the Assembly last year will disclose the fact that the increase of the number admitted to the communion of the church was unusually large, being about fifty per cent, and was the result of a special outpouring of the Spirit in a certain section of the church. The amount contributed by these schools for their own expenses aggregate the sum of \$49,396, and for benevolent causes the sum of \$30,936, an increase of \$3,296 in the one case, and of \$6,236 in the other.

2. Secondly, several Presbyteries advert to the fact that the Sunday-school literature published by our Committee does not reach the schools subscribing therefor in time for distribution on the fourth Sabbath of the month for use the next ensuing month; and it is alleged that for this reason some of our schools are using other literature. Your committee deems it sufficient to call the attention of the Committee of Publication to this fact.

3. In response to the overture from the Presbytery of Abingdon, your committee recommends that the Committee of Publication be directed to change the caption of the column in the blank form of statistical report which now reads "Teachers," so as to read "Officers and Teachers."

4. In response to the overture from the Presbytery of North Alabama, touching the appointment of a "General Superintendent of Sabbath-schools," your committee recommend the following: The Assembly does not see its way clear to make such an appointment at the present time. It would require a greater outlay than the funds contributed to the cause of Publication justify. In the meanwhile the Committee of Publication is hereby directed to take into consideration the expediency of conducting the work proposed by said overture in connection with the work of colportage, and to report thereon to the next Assembly.

5. Your committee had also placed in its hands a communication from the "Woman's National Christian Temperance Union" (non-partisan), petitioning this body to include "Gospel Temperance Instruction" in the "order of exercises" prepared for the use of our Sabbath-schools. It is recommended that no action be taken, inasmuch as provision is already made for the instruction of the children trained in our Sabbath-schools in the duty of temperance as set forth in the Scriptures.

6. In addition to the recommendation contained in the foregoing part of this report, your committee would propose for your adoption the following:

1st. The Assembly hereby expresses its grateful recognition of the goodness of

1r blessed Saviour in granting his converting grace to so large a number of the youth trained in our Sabbath-schools, and earnestly supplicate a still more gracious outpouring of the Spirit during the present year.

2nd. The Assembly hereby exhorts that special attention be given in all our schools to the memorizing of the Scriptures, that the minds of our youth may be stored with the rich treasures of the word more and more.

3rd. The use of our own literature, prepared and published under the supervision of our own Committee of Publication, is again urged upon all our Sabbath-schools.

4th. The Assembly would reiterate its desire that collections be made in all our schools, whenever practicable, for each of the causes of benevolence, that our youth may be educated from their earliest years to give regularly of their means for the extension of the Redeemer's kingdom.

5th. Finally, that the Committee of Publication be directed to take into consideration the expediency of securing the preparation and publication of a brief catechism on the polity of our church, suitable for use in our Sabbath-schools, and specially in those schools established in the more destitute parts of our country, where the principles of our church government are unknown. It is recommended that such catechism shall contain the Scripture references which inculcate the principles therein taught.

In behalf of the committee,

JOHN M. ROSE, JR., *Chairman.*

It was made the first order of the day for to-morrow morning to take from the docket the report on the Narrative.

The order of the day, the report of the Committee on Bills and Overtures, on overtures touching constitutional amendments in the matter of licensure and ordination, was taken up. Two papers (Nos. 1 and 2, as below), each bearing eight signatures, were presented—one recommending that the proposed amendments be sent down to the Presbyteries; the other recommending that the Assembly do not transmit them. They are as follows:

PAPER No. 1.

In view of the widespread demand for action upon this subject, and the long continued agitation of it, extending now through a period of more than ten years, and bringing the matter before Assembly after Assembly, the undersigned members of your committee are convinced that the only way to reach a satisfactory settlement of the issues involved is to submit them to the Presbyteries for full discussion and action. The grounds of complaint against our present system, as appears from the papers before us, are—

1st. That while the provision for "extraordinary cases" fails to afford the proper encouragement to men without classical education to enter our ministry, on the other hand, as now interpreted, it promotes great laxity in the licensure of such candidates inasmuch as there is no common standard of requirements that are essential in all cases.

2nd. That the requirements for licensure being the same as those for ordina-

tion, the latter trial has, in most cases, become merely nominal, while a new mode of practical licensure, unknown to the constitution, and for which no examination whatever is required, has become the prevalent practice of the church, and has received the endorsement of the General Assembly.

We therefore recommend that the following overture be sent down to the Presbyteries:

SHALL THE FOLLOWING AMENDMENTS TO CHAPTER VI. OF FORM OF GOVERNMENT BE ADOPTED?

Strike out Sections V. and VI., and substitute the following:

SECTION V.—*Of the Licensure of Probationers for the Gospel Ministry.*

I. Presbyteries shall license probationers to preach the gospel, in order that, after sufficiently trying their gifts, and pursuing further study under some approved teacher of theology, and receiving from the church a good report, they may in due time, which shall not be less than two years, be ordained to the sacred office.

II. As now in Sec. VI., II.

III. Candidates applying to the Presbytery to be licensed to preach the gospel shall produce satisfactory testimonials of their good moral character, and of their being communicating members of the church in regular standing. And the Presbytery shall examine them respecting their experimental acquaintance with personal religion, and the motives which induce them to seek the sacred office. This examination shall be close and particular, and shall ordinarily be conducted in the presence of the Presbytery only. The Presbytery shall further try each candidate as to his knowledge of the nature and contents of the Holy Scripture, and of the standards of the church, and shall require of him, 1, a *sermon*; 2, a *lecture*, or exposition of several verses of Scripture.

IV. Presbyteries, in the exercise of their oversight of their candidates' training, shall use the utmost care to have them pass through a regular course of learning, whenever it is at all practicable. And, in such case, it shall require them to present a diploma of Bachelor of Arts, or, at least, sufficient evidence, whether through examination or otherwise, of their having passed through this or some equivalent course of mental training. But candidates who have not passed through such course of learning, and who, on account of age or other reasons, cannot, in the judgment of Presbytery, profitably do so, shall be subjected to no literary test except as to their knowledge of the usual English branches.

V. No candidate, except in extraordinary cases, shall be licensed until he shall have studied divinity at least one year under some approved teacher of theology. And when any Presbytery shall see reason to depart from this rule it shall always make a record of the fact upon its minutes, with the reasons therefor.

VI.—XI. As now in Sections VI., VII.—XII.

SECTION VI.—*Of the Ordination of Ministers, and the Formation and Dissolution of the Pastoral Relation.*

I. As now in Section V., I.

II. When a probationer has served the term required for the exercise of his gifts, if a call for his pastoral services has been presented to Presbytery, or if Presbytery has called him to labor as an evangelist, and he shall desire to accept such call, the Presbytery shall take immediate steps for his ordination.

III. Trials for ordination shall be careful and thorough, and shall consist of a particular examination as to his acquaintance with experimental religion, his rea-

is for seeking the ministry, and his diligence in exercising his gifts as a probationer; as to his knowledge of philosophy, ethics, the original languages of the word of God, and such other branches of learning as to the Presbytery shall appear requisite; of theology, ecclesiastical history, the doctrine of the sacraments, and the principles and rules of the government and discipline of the church; and as to his knowledge of the nature and contents of the Holy Scriptures, and his ability to apply them in the establishment of truth and the refutation of error. He shall further be required to present the following parts of trial:

1. A discussion of a *thesis* on some common head of divinity.
2. An *exegesis* of the original text of some passage of Scripture.
3. A *lecture*, or exposition of several verses of Scripture.
4. A *sermon*.

But probationers who were licensed without having passed through the usual course of academic studies may omit the examination on the original languages of Scripture, and the exegesis of the original text.

IV. The Presbytery having satisfied itself, etc. (as now in conclusion of Section III.)

V.-XIV. As now in Section V., IV.-XIII.

PAPER No. 2.

In reply to overtures from sundry Presbyteries and individuals asking the Assembly to send down to the Presbyteries certain proposed changes in the Book of Church Order touching the qualification for licensure and ordination of ministers, the undersigned, members of the committee, recommend that the Assembly respectfully decline to accede to the request, for the following reasons, among others, to-wit:

1st, That the whole subject has been carefully considered again and again by former Assemblies, and decided adversely as to any change of the Book of Church Order, and that further agitation of the matter at present is unnecessary and inexpedient.

2nd, That it would seem very unwise, at a time when other denominations are maintaining the general standard of requirement, and while rationalism, in its many dangerous forms, is rampant, for a church which has been known and noted for an educated and cultured ministry to lower its standard in order to invite and encourage a greater number of candidates.

3rd, Because we believe that if parents will dedicate their children unreservedly to a covenant-keeping God, and if pastors and people will persevere in prayer for an increased number of laborers, we will, in due time, have as many candidates as we can educate and support who will assist in reaping the golden harvest of the days to come.

4th, That our Form of Government amply provides, under the head of "extraordinary cases," for all who are unable to stand an examination in Hebrew, Greek, or Latin, as well as some of the branches of a literary and scientific course, and

who at the same time seem to be godly men, called and consecrated to the cause of Christ, well-versed in the English Bible and in the standards of the Presbyterian Church in the United States, all of which cases "extraordinary" we would urge upon the Presbyteries prudently to encourage.

The Committee on Bills and Overtures respectfully reports that the following papers have been placed in their hands on the subject of the qualifications for licensure and ordination:

Overture No. 10, from seventy-five ministers and elders, asking for certain changes in the constitution providing for the regular and ordinary entrance into our ministry of men without classical education, and for the introduction of an examination on the Scriptures into the list of requirements.

Overtures No. 5, 24, 16, and 4, from the Presbyteries of Chesapeake, Wilmington, Arkansas, and Enoree, to substantially the same effect, the latter Presbytery, however, stating that, in asking the overture to be sent down, it expresses no opinion on the merits of the question.

Overture No. 13, from East Hanover Presbytery, asking for a simplification of the terms of licensure, without any change in the requirements for ordination.

An appendix to overture No. 24, from Wilmington Presbytery, asking that the terms of licensure and ordination may be so modified that the severer parts of the trial for licensure may be transferred to the trial for ordination.

Overture No. 25, from certain ministers and elders in Concord Presbytery and elsewhere, asking for a measure that shall embody all the above results.

Overture No. 9, from Mecklenburg Presbytery, asking that the whole subject be sent down to the Presbyteries.

Overture No. 15, from thirty-one ministers, asking that nothing be sent down upon this subject.

Overtures No. 3, 6, and 23, from the Presbyteries of New Orleans, Potosi, and Winchester to the same effect.

The committee, after full discussion of the subjects involved in these overtures, finding itself equally divided on the following papers, submits the same herewith, viz.: Paper No. 1, signed by James Park, J. H. McNeilly, P. H. Hoge, T. S. Simrall, C. Grattan, John Johnston, W. O'N. Perkins, J. G. Minor; and Paper No. 2 signed by T. P. Cleveland, Robert Price, R. B. Willis, W. B. Jennings, D. E. Calhoun, W. C. Dodson, William Ingles, and C. H. Sharp.

By order of the Committee.

JAMES PARK, *Chairman*.

Pending this business the Assembly had recess until 8 o'clock
P. M.

Closed with prayer by Mr. R. S. Hart.

8 o'clock P. M.

The Assembly met, with Judge C. Grattan in the chair.

After devotional exercises, the order of the day, the consideration of the report of the Standing Committee on Publication, was taken up. Addresses were made by Messrs. C. Grattan, W. K. Marshall, D. D., J. K. Hazen, D. D., Secretary of Publication, J. W. Martin, and J. C. Molloy.

The report was adopted, and is as follows :

The Standing Committee of Publication respectfully present the following report :

I. We have examined the Minutes of the Executive Committee, and recommend that they be approved.

We recommend that the diligence and fidelity of the Executive Committee be commended. They have overcome many difficulties, and we rejoice in the fact that they have made the whole enterprise a grand success. Under the present management the work was started with a debt of some \$35,000 more than the value of all assets. Now there is no debt, and assets to the amount of eighty-five thousand two hundred and ninety-five dollars and seventy-two cents (\$85,295.72). This state of facts calls for gratitude to the Secretary and the Executive Committee for their efficient and successful management of this enterprise.

III. For a clear and full statement of the work of the Executive Committee, we refer the Assembly to their Annual Report.

IV. The colportage work, which was commenced several years ago, and which promised such good results, has been crippled for the lack of funds, and must be abandoned unless means are provided for its support. The colportage work has been largely sustained by funds drawn from the Publishing House. As this was rippling the work of this department, the Committee have decided to confine the support of the colportage work to such funds as may be contributed for that cause.

V. We recommend that this action of the Committee be approved, and that after the present contract with the colporteurs has expired, that appropriations for colportage work be made only from funds contributed for this specific work.

VI. It will be seen, therefore, that the colportage work must soon cease entirely, unless efforts be made to raise funds for the work. We recommend, therefore, that special effort be made during the ensuing year to raise the amount of \$20,000, and that the Executive Committee of Publication be directed to apportion this amount among the Presbyteries, and that the Presbyteries be instructed to apportion the amount among the churches. This would only require the small amount of twelve cents per member.

VII. We approve the action of the Executive Committee to induce the children to commit the Shorter Catechism, by promising as a reward a Bible to every child who will repeat perfectly from memory the whole Shorter Catechism.

VIII. The following overtures have been referred to this Committee :

(A.) An overture from the Presbytery of North Mississippi, "praying the General Assembly to instruct its Executive Committee of Publication to have the blanks for sessional reports to Presbytery ruled, so that the figures may be placed opposite

the proper heads, and that columns be made in the Statistical and Systematic Beneficence reports for dollars and cents." We recommend that the request of this overture be referred to the Executive Committee of Publication, who are fully authorized to adopt such suggestions as will make the presbyterial blanks more acceptable.

(2.) An overture from the Synod of North Carolina, "praying the General Assembly to append a note to its statistical forms instructing sessions to include in their report of salary actually paid the rent value of manse owned or rented." We recommend that this overture be answered in the negative.

(3.) An overture from the Presbytery of Chickasaw, which is not duly certified, and therefore does not come before this body.

We recommend that the following persons be appointed the Executive Committee for this year: Jas. K. Hazen, D. D., Secretary and Treasurer; M. D. Hoga, D. D., Chas. H. Read, D. D., W. T. Richardson, D. D., W. A. Campbell, D. D., J. W. Rosebro, D. D., R. P. Kerr, D. D., Rev. J. P. Gammon, R. A. Lancaster, B. R. Wellford, W. W. Henry, M. M. Gilliam, and W. C. Preston.

All of which is respectfully submitted,

W. K. MARSHALL, *Chairman.*

The Assembly adjourned until 9 o'clock A. M. to-morrow.

Closed with prayer by R. McIlwaine, D. D.

SEVENTH DAY.

MAY 28, 9 o'clock A. M.

The Assembly met, and engaged in devotional exercises, conducted by Judge J. W. Martin.

The minutes of yesterday's sessions were read and approved.

The Stated Clerk announced the following telegram from the Assembly in session at Detroit, Mich.:

The General Assembly in session at Detroit, Mich., send you cordial fraternal greetings. 2 Cor. xiii. 14.

WM. HENRY GREEN, *Moderator.*

WM. H. ROBERTS, *Stated Clerk.*

An overture from the Presbytery of Greenbrier, against proposed constitutional changes as to licensure and ordination, was read for information.

A partial report by the Committee on Leave of Absence was presented and approved.

It was made the second order of the day for to-day to select the place for the meeting of the next Assembly.

The report of the Special Committee on the Sabbath was received and adopted, and is as follows:

The following papers have been placed in the hands of your committee, and have been carefully considered:

1. The report of the Permanent Committee on the Sabbath.
2. Two overtures from the Presbyteries respectively of Orange and Montgomery, asking that the General Assembly take some action protesting against the opening of the gates of the World's Columbian Exposition of 1893 on the Sabbath day.
3. A copy of the *American Sabbath*, the organ of the "American Sabbath Union."

We recommend—

1. That in answer to the overtures of the Presbyteries of Orange and Montgomery, the General Assembly adopt the following, to-wit:

To the World's Columbian Commission, Chicago, Ill.:

The General Assembly of the Presbyterian Church in the United States, in session at Birmingham Ala., May, 1891, respectfully, but earnestly, request your honorable body to order that the gates of the Exposition shall not be opened on the Sabbath day. That the Stated Clerk of the Assembly be directed to forward certified copy of this action to the Directors of the Exposition.

2. Painfully impressed with the serious danger which threatens both church and state from the widespread and increasing tide of Sabbath desecration, by Sabbath travel, driving, social visiting and excursions for pleasure by members of our churches, we recommend that a committee be appointed by this Assembly to prepare and send down to all our churches a pastoral letter, calling the attention of our people to this great evil, and affectionately urging them to such observance of God's holy day as becomes his people.

3. For the execution of the work of the "American Sabbath Union," six representatives having been assigned to our church, we nominate as follows: Rev. M. Hoge, D. D., Richmond, Va.; Rev. W. T. Thompson, Charleston, S. C.; Rev. M. Smith, D. D., New Orleans, La.; Rev. T. D. Witherspoon, D. D., Louisville, Ky., with Rev. James Stacy, D. D., (chairman,) Newnan, and G. B. Strickler, D. D., Atlanta, Ga.

4. We renominate the following persons as the Permanent Committee on Sabbath Observance: Revs. James Stacy, D. D., G. B. Strickler, D. D., E. H. Barnett, D. D., with Messrs. W. A. Moore and W. C. Sibley.

Signed,

A. S. DOAK,
W. T. SPEARS,
R. P. PELL,
WM. T. WILLIAMS.

The report of the Committee on the Bible Cause was received and adopted, and is as follows:

1. The Assembly has heard with pleasure the address of the Rev. Dr. McLean, one of the Secretaries of the American Bible Society.

2. We recognize the prompt response by a large proportion of the church to the action of the last Assembly, in which forty-three hundred dollars (\$4,300) was, during the current year, contributed to this cause.

3. The Assembly re-affirms and emphasizes the deliverance of the last Assembly, by which the relation of the American Bible Society to the church is clearly defined, and the cause represented by it is made one of the objects of systematic beneficence, and this society is again recommended to the confidence and support of the church.

4. Regarding this agency as most closely allied to every effort made by the church to carry the gospel by a living ministry to foreign lands, we do further emphasize the great importance of the work of this society in publishing and circulating the Holy Scriptures in foreign tongues.

5. That whereas discussions to some extent prevalent immediately touching the Holy Scriptures must inevitably result in awakening increased interest in the study of the word of God, and as it is its own best interpreter, we deem this an opportune time to encourage in the most substantial manner the circulation of the Holy Scriptures among all the people.

6. While not discouraging, but rather commending, the annual union meetings held in many places in the interest of the Bible Cause, as expressive of the unity of Protestant Christianity; it is recommended that the collections for this cause be taken up in all our churches on the third Sabbath in October, or as soon thereafter as practicable, and that these contributions be forwarded directly to the Treasurer of the Bible Society in New York city.

7. It is further recommended that Presbyterial Standing Committees upon the Bible Cause be appointed, who shall take charge of this subject in their respective Presbyteries.

Respectfully submitted,

W. L. NOURSE, *Chairman.*

A further report of the Auditing Committee was received and adopted, and is as follows:

The Auditing Committee respectfully reports to the General Assembly that there has come to our hands the Annual Reports of the Treasurers of Home and Foreign Missions and Board of Trustees of the Assembly. The former two have been audited and duly certified by a committee appointed for that purpose by the last Assembly. The latter has been audited and duly certified to by a committee from the Board of Trustees. Also certified reports from the Auditing Committee on the accounts of the Secretary and Treasurer of Education and Treasurer of Publication, that the accounts are correct and sustained by proper vouchers, and as the time of office of the following Trustees will expire with this meeting of the Assembly, namely: E. Nye Hutchison, James P. Irwin, and Geo. F. Bason—your committee recommend that they be re-elected for three years.

Your committee also recommend the following committees for the ensuing year:

Committee of Publication.—Messrs. Howard Swineford, B. C. Wherry and Edwin Pleasants.

Committee of Education.—Messrs. R. F. Wilcox, John L. Wellford, and C. H. Albright.

Your committee have also examined book of Stated Clerk and Treasurer, find the same correct, with proper vouchers, and balance in his hand of \$320.75 (three hundred and twenty dollars and seventy-five cents).

All of which is respectfully submitted.

W. C. BASKIN.

3:30 P. M.

The Assembly met and engaged in devotional exercises, conducted by the Rev. P. H. Hoge, D. D.

The report on the Narrative was taken from the docket and adopted, and ordered to be printed in the Appendix.

Hot Springs, Arkansas, was chosen as the place for the meeting of the next Assembly.

The report of the Judicial Committee on the Robinson case was taken from the docket, and adopted *seriatim* and as a whole, and is as follows:

Overture No. 1. Your committee, to which was referred the overture of Mecklenburg Presbytery calling in question the constitutionality of the action taken by the Assembly of 1890 in the case of Rev. D. P. Robinson, would respectfully report as follows:

1st, That so far as the merits of that particular case are concerned, this Assembly is not constitutionally authorized to take action thereon, as *that case* is not now before it in any mode recognized by our law for adjudication.

2nd, Treating the overture, however, as calling for an interpretation of the general rule of law of the church, we hold that where a concrete case is brought judicially before a higher court of the church from a lower court by appeal or complaint, when such appeal or complaint is disposed of by final judgment entered therein and sent down, that is an end of the constitutional authority of the higher court to deal with that particular case, unless it be again regularly brought before the higher court for adjudication in one of the recognized modes provided for by our Book of Church Order.

JOSEPH W. MARTIN,

Chairman Judicial Committee.

The report of the Committee on the Records of the Synod of Kentucky was taken from the docket, and the following was substituted therefor:

Resolved, That whereas the paper presented as the record of the Synod of Kentucky is not the original record, but merely an uncertified printed copy, it is not such a record as this Assembly is called on to review.

The report of the Committee on Foreign Correspondence on the Alliance of Reformed Churches Holding the Presbyterian System, as taken from the docket. The Rev. W. S. P. Bryan offered a substitute, the consideration of which was deferred until to-night's session.

The Moderator announced the following committee to prepare Pastoral Letter on Sabbath Observance: D. L. Wilson, G. L. Brown, Louis Voss, R. B. Fulton, W. S. Fly.

The Committee on the Records of the Synod of Texas reported, commending their approval. Adopted.

The Assembly had recess until 8 o'clock P. M.

Closed with prayer by the Rev. T. C. Ligon.

8 o'clock P. M.

The Assembly met, and engaged in devotional exercises, conducted by the Moderator.

The unfinished business was resumed, and Mr. Bryan's substitute was adopted, and is as follows:

Substitute for the Report of the Committee on Foreign Correspondence, in relation to the General Council of the Churches Holding the Reformed Confessions, concerning the papers referred to that Committee, viz.:

- (a) The Annual Report of the Alliance.
- (b) The invitation of the Secretary to our Assembly to send thirty delegates to the next Council at Toronto.
- (c) The communication from the Committee of the Presbyterian Church, United States of America, relating to the proposition to form a consensus creed.
- (d) The notification that our apportionment for the current expenses of the Alliance is \$480.
- (e) The report of the Committee appointed by the last Assembly to raise the amount apportioned to our church.
- (f) The overture from the Presbytery of East Hanover, touching the method of raising the funds to meet our share of these expenses.

The undersigned begs leave to propose the following recommendations as a substitute for the paper presented by the Committee:

1. The Assembly having received the Annual Report of the Eastern, and also the Western Section of the Alliance, rejoices that so much has been done for our brethren of like precious faith on the continent of Europe, and for the foreign field at large.
2. To the overture of the Presbytery of East Hanover, proposing that our share of the expenses be met out of the Assembly's fund, the Assembly returns a negative answer.

3. To the communication from the Committee of the Presbyterian Church, United States of America, inviting us to unite in the formulation of a consensus creed, the Assembly returns the following answer: We are not prepared at this time to unite in the movement to formulate a consensus creed, and therefore we decline to appoint the proposed committee. W. S. P. BRYAN.

The foregoing action was reconsidered, and the paper was amended by substituting the following for the concluding paragraphs 4 and 5:

Resolved, That Rev. W. S. P. Bryan, Rev. M. D. Hoge, D. D., Rev. J. C. Molloy, Judge J. W. Martin, Col. M. A. Candler, J. B. O'Bryan, and James E. Webb be appointed an *ad interim* committee to raise the fund needed to pay our proportion of the expenses of the Alliance, and to report to the next Assembly the names of thirty delegates and alternates to attend the next meeting of the Alliance.

The Committee on Bills and Overtures reported on the overture touching the meeting of Presbyteries on their own motion without their bounds. The report was amended and adopted, and is as follows:

Overture No. 19, from the Synod of South Georgia and Florida, asks "whether a Presbytery has the right to meet, on its own motion, in regular session, without its own bounds?"

Answer: There is nothing in the Constitution of our church affecting the right of a Presbytery to meet, on its own motion, in regular session, beyond its bounds.

The same committee reported on the overture referred from the last Assembly. The report was received.

The Treasurer was directed to pay the expense of printing the report of the Committee on Bills and Overtures on proposed constitutional changes as to licensure and ordination.

Adjourned until 9 A. M. to-morrow. Closed with prayer by the Rev. J. A. Kimmons.

EIGHTH DAY.

MAY 29TH, 9 o'clock A. M.

The Assembly met and engaged in devotional exercises, conducted by the Rev. J. H. Lumpkin.

The minutes of yesterday's sessions were read, corrected, and approved.

communication from the National Reform Association, read from the last Assembly, was received as information.

The action on the report of the Committee on the Narrative reconsidered, and the report was amended and adopted.

The Committee on the Records of the Synod of Virginia read that the records of said Synod had not been received by Assembly.

The Standing Committee on Systematic Beneficence made the following report, which was adopted:

The committee would respectfully report that no reports have been placed in hands from the Presbyteries of Paducah,* Mississippi, Lafayette, Harmony, Western Texas. The reports received from sixty-six Presbyteries show the following facts:

Churches have contributed to Sustentation,	\$52,300
“ “ “ “ Evangelistic Fund,	17,671
“ “ “ “ Invalid Fund,	14,103
“ “ “ “ Foreign Missions,	100,078
“ “ “ “ Publication,	9,002
“ “ “ “ Church Erection,	11,791
“ “ “ “ Colored Evangelistic Fund,	7,483
“ “ “ “ Bible Fund,	3,957
Total,	<u>\$258,234</u>

Contributions were made by 172 churches to the nine objects ordered by the Assembly; by 275 churches to eight of these objects; by 309 churches to seven of these objects; by 267 churches to six of these objects; by 218 churches to five of these objects; by 224 churches to four of these objects; by 229 churches to three of these objects; by 226 churches to two of these objects; by 282 churches to one of these objects. No contribution was made to any of these objects by 474 churches. To the question, “Does the Presbytery call upon the churches that make any of the collections ordered to give their reasons for failure?” only six Presbyteries answer in the affirmative.

While recognizing the fact that these reports are more or less imperfect, and regretting that no reports have been received from five Presbyteries, and many churches have not contributed anything to any of the objects of beneficence, we note with gratitude the healthy growth of our church in “this year also,” as indicated by the fact that the contributions for this year are \$10,000 more than those of the previous year, and almost \$60,000 larger than those of five years ago. We recommend the adoption of the following resolutions:

Moved, 1st, That the Presbyteries are hereby enjoined to require of the churches that fail to make any of the collections ordered to give their reasons for failure.

Moved, 2nd, That the following answer is hereby given to the overture from

* This report was sent, but failed to come to the hands of this committee.

3. To the communication from the Committee of the Presbyterian Church, United States of America, inviting us to unite in the formulation of a consensus creed, the Assembly returns the following answer: We are not prepared at this time to unite in the movement to formulate a consensus creed, and therefore we decline to appoint the proposed committee.

* This report was sent, but failed to come to the hands of this committee.

the Presbytery of Eastern Texas, requesting "a deliverance on the propriety of raising funds for the church by church fairs, suppers, festivals, &c.," viz.: This General Assembly re-affirms the resolution of the Assembly of 1888, "that the General Assembly advises against all such means for securing money to be used in the Master's work. This advice is given, because we believe that the Lord has ordained that giving should be an act of worship, and thus a means of grace."

Resolved, 3rd, That the principle of the Tithe is recommended as suggestive and useful in all matters of Christian giving, and that proportionate giving is binding on the consciences of God's people.

I. S. McELROY, *Chairman.*

The Assembly permitted the following to be appended to the report on Systematic Beneficence:

"The report from the Presbytery of Western Texas came into the hands of the Assembly too late to be incorporated in this report."

The report of the Committee on Bills and Overtures on the overture from Greenbrier Presbytery, referred from the last Assembly, touching the examination of persons elected to the office of elder or deacon, was taken up, and the following, offered by the Rev. J. K. Hitner, was adopted as a substitute for the report:

In answer to the overture of Greenbrier Presbytery, the Assembly declines to send down such overture to the Presbyteries for adoption, but directs all our ministers and churches (through the Presbyteries) to be very careful in the selection of ruling elders and deacons, and endeavor to have them properly instructed before ordination in all the duties of their office, as required by our Book of Church Order, Chap. VI., § 4.

The report of the Committee on Bills and Overtures on the overture from the Presbytery of Eastern Texas, as to public speaking by women in any of the meetings of the church, was taken from the docket and adopted, and is as follows:

Overture, No. 6, from the Presbytery of Eastern Texas, requesting the General Assembly to "pronounce in express and scriptural terms the conviction of our church, that women are not permitted to speak in a public way in any of the meetings of the church, congregational or devotional, where men are present."

Answer. It is the settled doctrine of our church that women are excluded from license and ordination by the plain teaching of the Scriptures, and therefore cannot be admitted to our pulpits as authorized preachers of the word; and also that they are prohibited from speaking by way of exhortation, or leading in prayer, or discussing any question publicly in the meetings of the church or congregation as a mixed Assembly. This is according to the mind of the Spirit as expressed by St. Paul in 1 Cor. xiv. 34, 35, and 1 Tim. ii. 11, 12. But we do not hold that Christian women are prohibited from holding meetings among themselves for mutual edification and comfort by pious conversation and prayer, or to devise ways and means to aid the general branches of church work, such as Home and Foreign Mis-

na, etc., or to teach a class in the Sabbath-school. Work of this kind we approve and commend, but public speaking in the promiscuous assembly of the congregation or church is contrary to the Holy Oracles, and therefore should be prohibited and condemned by the Presbyteries and church sessions.

JAMES PARK, *Chairman*.

The report of the Committee on the Records of the Synod of Memphis was taken from the docket and adopted, and is as follows :

Your Committee recommend the approval of the Records of the Synod of Memphis, with the following exception: On page 136, with reference to the action of the Synod touching the action of the Presbytery of Memphis toward the session of Big Creek Church, it is the judgment of your Committee that the Presbytery of Memphis in said action exercised its constitutional right. See Form of Gov. Ch. V., Sec. X., Par. 5; also Rules of Discipline, Ch. V., Sec. I., Par. 1.

The following resolution of thanks was adopted :

WHEREAS, The members of this Assembly have been the recipients of many courtesies and of a bountiful hospitality during its sessions in this city, therefore—

Resolved, 1. That the hearty thanks of this Assembly are due and tendered to the officers and members of the First Presbyterian Church and of all our churches, and to other churches of the city, who have invited our ministers to occupy their pulpits; to the daily papers of Birmingham for their courteous treatment; to citizens of Birmingham who have extended courtesies to the members of the Assembly; and to the various railroads which have given reduced rates of fare.

2. That the pastor of the First Church be requested to read these resolutions from the pulpit, and that a copy be furnished to the city papers for publication.

At the Moderator's request, the Stated Clerk, the Rev. Dr. Joseph R. Wilson, led the Assembly in prayer for the divine blessing upon the churches and people of Birmingham.

The following was adopted :

In response to the kind invitation extended by the Birmingham Railway and Electric Company, to visit Ensley, the Assembly would express its appreciation of the same, and would state that, after the adjournment, the members will have an opportunity to accept the invitation in a body.

By request, the venerable Dr. Marshall favored the Assembly with reminiscences and parting remarks, and led the Assembly in invoking God's blessing upon the Moderator and his labors in his instant field.

The minutes of to-day's sessions were read, corrected and approved.

It was then ordered that this Assembly be now dissolved, and that another Assembly, chosen in like manner, shall meet in the First Presbyterian Church, in the city of Hot Springs, Ark., on the third Thursday of May, 1892, at 11 o'clock A. M.

Closed with singing, and prayer and the benediction by the Moderator.

ROBERT P. FARRIS, *Permanent Clerk.*

JOSEPH R. WILSON, *Stated Clerk.*

APPENDIX.

I. REPORT OF THE COMMITTEE ON THE NARRATIVE.

Narratives from sixty-eight Presbyteries have been placed in our hands. We trust that all the Presbyteries, as usual, report churches within their bounds who failed to send up any report on this subject.

This is to be deplored, as it is important that the Assembly should have a statement from every church as to the state of religion within its bounds, and it is earnestly hoped that all of our Presbyteries will use diligence in urging every church under their control to attend to this matter.

As your committee looks over the great and important field occupied by our church, and views the great and precious work done by so many noble, faithful, sacrificing men and women, our hearts are filled with gratitude and praise to God. Our Southern church seems, under the blessing of Almighty God, to be entering upon a greater period of activity than has ever marked her history before. The whole church seems to be aroused, and active, and progressive as never before. More men are coming forward to preach the gospel. More interest is in Foreign Missionary work, the cry of a dying world for the bread of life is heard and heeded in our whole church as never before. More men and women in the church are able to stand ready to take their lives in their hands and go out into the darkest places of this dark world, and preach the glorious gospel of Jesus. This is good news and fills all our hearts with joy.

And then we find our whole church stirred and aroused about evangelistic work. Our Synods and our Presbyteries are waking up to the startling truth that there are "heathen" at our very door, and that lost and dying ones need the gospel even in this blessed land of gospel privileges.

And more money is being given, and God's people are more ready to listen to, and give heed to, the many calls made upon them for helping on the cause of our Lord and Saviour.

These are all encouraging and stimulating signs, and we feel called upon to rejoice over the hopeful future.

But there is much work yet to be done—the highest and most complete consecration is demanded to-day of every Christian. Never before in all the history of the church has the power of evil been stronger in the world. Everything that Satan and worldliness and godlessness can do to hinder and harm the church, is being done, and we have a great and arduous struggle before us. We have many brave-hearted ones, many weak-kneed and worldly-disposed members in a large number of our churches, but at the same time never before have we had more loyal, consecrated, earnest men and women to serve the Master, and to give up everything for Him.

It is gratifying to read the reports of fidelity and faithfulness on the part of pastors and ruling elders that come up from nearly all our churches. Many of these men are laboring under peculiar hardships and self-denial, yet gladly and bravely suffering these things, that they may preach the gospel to weak and

feeble flocks. All over our church men are preaching the gospel, with almost everything to discourage them, yet never once thinking of giving up, indelibly impressing upon the whole community the power of saintly-consecrated lives. Many of these devoted ministers are humble and obscure men, as earthly honor and worldly fame are counted, but only the Master knows the good they are doing for time and eternity. And our ruling elders, almost universally, ably and gladly assist and uphold the ministers of the Word, and by their prayers and sympathy encourage and strengthen them in their great work.

Some of the strongest, most influential and widely educated men in the land are elders in our churches, and we cannot but express the opinion, that if the powers and talents possessed by these men could be used more extensively in the "lay preaching" that is open to every elder, a great and powerful work could be accomplished. Many of these men are especially adapted to this work, and should be encouraged to enter upon it; and the only admonition we would urge upon these beloved brethren, is to study more and more to increase their influence in this special work that opens up to the godly ruling elder. There is also a great field for usefulness, that many of our elders neglect; the visiting of the sick; praying with them, and giving them godly counsel and advice. These are privileges our ruling elders do not make use of as they should. And we would also impress upon them the duty of more faithful attendance upon church courts. Every church should be represented in Presbytery and Synod by a ruling elder. Such churches reap rich and abundant harvests, because the hearts of their representatives are filled with grander and wider ideas about the great interests of Zion.

Your committee find the services of the sanctuary generally appreciated and well attended. Nearly every report speaks favorably on this subject. There seems to be a growing and increasing interest in the preaching of the gospel. The only thing that we have to regret is that many churches, especially in the larger cities, report the attendance upon the night services as falling off, and that the prayer meetings are not attended by professing Christians as they should be. Many reasons are given by Christians for the neglect of these services: such as press of business, household cares, and other worldly reasons; but Christ's cause should always stand first, and our human nature needs the spiritual strength that can only be gained at these services; for the prayer-meeting is a spiritual thermometer that marks the piety of the congregation.

We find that while there has not been any wide and extensive outpouring of the Holy Ghost in the bounds of our Church, still *there is* life and growth all over the Church, a quiet, steady, onward progress, that shows us the power and blessing of the Holy Ghost throughout our whole Church. Some churches speak of a mighty and glorious work done by God's power within their bounds, and large harvests gathered in. But generally the work is more quiet and not so noticeable, but the results in the aggregate are large and glorious. To our God be all the praise.

The reports from our Sabbath schools and those who engage in this work are most hopeful and encouraging. There is all over our land a wide and growing interest in this great and vital work; and no one but God can ever tell the good that has resulted from this powerful agency. It will take the grand tabulating of heaven to show these results, the salvation of priceless souls through the work of mission schools, and the churches that have grown up from these schools. These are the visible results of this work. The reports all speak of great fidelity on the part of those engaged in this work in our churches. But not enough are at work. Too many of our adult members do not even attend the Sabbath-school; too many

feel that they have graduated out of these church schools, and so need not attend. This is a sad mistake.

We find catechetical and Bible instruction greatly neglected in the families of our church. Too many fathers and mothers neglect this solemn and important duty, and leave the Sabbath-schools to do their work. This is simply shirking a responsibility God requires of every family. We are glad to say that many families are faithful to this duty; but how grand the results would be if all parents did their duty in this matter!

Our report upon the important duty of family worship is very discouraging. We wish that your committee could make it different; but the sad truth remains that the *large majority* of Christians have no altars in their homes. They have no regular gathering together of the family and the offering up of solemn praise and supplication unto the Father above, "from whom cometh down every good and perfect gift." This is greatly to be deplored, and is a most serious injury to those families and dishonoring to God. Many excuses are made for the neglect of this duty, but none can avail in God's sight. Time *can* be made; business *can* be set aside; family duties *can* be so arranged that this thing can be attended to; and we do earnestly entreat and urge upon every family in our church to erect and maintain a family altar.

The observance of the Sabbath, as commanded in God's Holy Word, is another duty that devolves upon every child of God; and we find among professing Christians an outward observance of this solemn duty that is commendable. But we also find a sad lack on the part of many as to the spirit of the law. Too many professing Christians read secular papers on God's day, and especially the morning papers, and so fill and saturate their minds with worldly things that they are in no condition to feed upon gospel truth. Some indulge in walking, visiting, riding, and even the use of public conveyances, to their own spiritual hurt and the dishonor of Christ. Too many see no harm in going to the post-office and getting their mail, and even reading business letters. God's word repeatedly and faithfully condemns all such use of his holy day, and we, as his servants, should most carefully heed these warnings, and try to conform to this law of God in respect to Sabbath observance. It is God's day, and we have no right, under any pretext, except for works of necessity and mercy, to use any portion of it for our own pleasure or amusement; and Christians who disregard this law not only dishonor God, but harm their own souls, and set a bad and pernicious example to others.

We find a growing interest all over the church in the great duty of liberality. The duty of worshipping God with our worldly substance is becoming more strongly fixed and understood in our church. Our whole people are giving more and more liberally to every benevolent cause, and find increasing joy in so using the talents committed to their care. But we are still far from the high standard our Lord Jesus has set before us; and we urge upon our pastors and ruling elders to be earnest and faithful in impressing this vital truth upon the consciences of their people. We have, as a church, too much of our Lord's money tied up in earthly investments, that will bring no increase but shame and sorrow. Money spent for God is the best way God's people can use their means. And may the whole church learn this lesson.

Intemperance and worldly amusements are not prevalent among our people to any large extent; but some of our young people are being led by worldly example into grievous danger. Dancing and theatre-going and card parties are indulged in by some in nearly all our churches. We would solemnly warn all such that these

are dangerous and hurtful things to the spiritual life, and entreat them, in the name of our Lord Jesus, "who loved us, and died for us," "to come out from the world," and to live a godly and self-denying life, to the praise of our God, and for their own spiritual development. These things harm the soul of every Christian who indulges in them; and self-denial in this respect must be practiced if we would be found faithful. And while, as we have already stated, intemperance does not exist to any great extent among our people, we cannot shut our eyes to the tremendous evils of intemperance outside the church. We are all familiar with this great evil, and it devolves upon us, as a people of the Lord Jesus, not only to mourn over it, and pray to God for its extinction, but to use every influence and resource that an enlightened conscience dictates to stop its progress and drive it from our land. The influence of every Christian *must* be on the side of temperance and opposed to this deadly soul and body-destroying sin.

The work that our churches have been able to do among the colored people is exceedingly meagre. There seems to be no open door to enter. This is the universal report from our whole church. We can only hope and pray that the steps being taken for the education of colored young men and the raising up of a carefully-trained ministry of their own race may open the door for us to enter, and permit us to see great multitudes of these people brought to the true knowledge of Jesus Christ. This people sadly need the gospel, and some way must be found for our church to do her share in giving it to them. We owe this duty to them, for they dwell among us; and we owe it to our God, for he has given to us a pure gospel, and he will hold us responsible. There are many difficulties in the way, but prayer, and love, and earnestness will overcome them all.

In conclusion, while we find much to regret and mourn over in this review of the state of religion in our beloved church, still our God has been gracious to us above our deserts; He has given to us great and precious opportunities and advantages. And may the Lord our God stir up all of our hearts to devise and work out liberal things for Zion. And may the blessing of Almighty God rest in rich and abundant measure upon our whole people, and fill them with power from on high.

And to the triune God, Father, Son, and Holy Ghost, shall be praise and honor and glory, world without end. Amen.

PAUL F. BROWN,
Chairman of Committee.

II. ABSTRACT OF THE THIRTIETH ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF FOREIGN MISSIONS.

From all the mission stations abroad comes news of good cheer. From one of the principal missions the statement reaches us that the year just closed has been the most fruitful in the whole history of the mission; and from other missions come reports of progress and of the signs of hope. Yet, who can doubt that vastly greater fruits would have been obtained in all these fields had there been in the churches at home more earnest, more faithful, more constant "supplications, prayers, and intercessions" on behalf of "all men," in accordance with the divine command? Eleven missionaries were sent to the field during the year, and the total number of our missionaries now reaches eighty-five; yet, how small is this number as compared with the 169,000 communicants and the 1,200 ministers in the church! The contributions of the churches to this work have steadily increased; and yet, how small is the total amount given for this great work as compared with

e millions of dollars which the members of our church hold in their hands! hile, therefore, we are called to bless and adore the Lord of the harvest for that hich is being done in the wide mission fields in which our church labors, we are und at the same time to humble ourselves greatly in his presence, and to seek r grace that far more may be accomplished in the future than has even been at- mpted in the past.

FINANCE.—The receipts of the treasury from all sources for the year amounted \$112,951.49. This is \$5,324.13 more than the receipts of any previous year. the receipts from legacies during the past year were less than those of the year evious by \$9,720.25, it appears that the sum received from living contributors eeds that of the previous year from this source by \$15,044.38. Of the amount hich came into the treasury there was contributed by churches and individuals 4,910.30; by missionary societies, \$33,455.07; by Sunday-schools, \$9,379.35. ere was received from legacies \$5,206.77. The number of churches contribut- g during the year was 1,546, being only two more than contributed the year before. e number of contributing Missionary Societies was 570, being eight less than con- bted the year before. The number of contributing Sunday-schools was 416, being o less than contributed the year before. It appears, therefore, that from a some- at smaller number of contributing organizations a larger amount was received.

The increase in the contributions from these sources is the result of much ear- st and patient labor, in which a number of our pastors and other church officers, gether with private members of the church, have taken a zealous part. During e year there have been conspicuous illustrations of what may be accomplished by single congregation, not large in numbers or wealth, but rich in faith and good orks; and of what may be done by a single family or a single Christian fully con- scribed to the Master's cause. Such examples may well be a stimulus to the hole church. Did all our pastors and people undertake only one-half of what has een undertaken and accomplished by others, the supplies of the treasury would bound, and many more laborers would be sent forth into the harvest. To those ho study carefully the statistics of our communicants, their numbers and their wealth, there cannot but appear a widespread apathy toward this cause. To over- come this indifference, and to bring the whole church into full sympathy with her Lord in his compassionate desire that all men be saved and come unto the knowledge of the truth, must be the aim of this Executive Committee, as well as of every true friend of the Master.

THE ADMINISTRATION OF THE WORK.—In what has just been said it is implied that there is no lack of resources, either of money or of men, in the church, for the broad work of evangelizing the world. The great need is to draw out these resources and bring them into active use in the kingdom of Christ. It seems plain, herefore, that in the matter of organizing the administration of this work, every gency should be employed that will contribute to this development. The Execu- tive Committee are well aware that in the conduct of the work economy is to be xercised. Yet, it goes without saying that the economy should be wise. To limit nduly the sum of money expended for administrative purposes in the home land ould be to hamper and check the development which is so urgently needed. It s seen by actual experience that in the expenditure of about \$9,000 there is ob- tained for the Foreign Mission work and administered the sum of about \$113,000. Yet it is plain that it would be better for the church and for the world if, by an ex- penditure of \$12,000 in the administration, the sum of \$150,000 could be drawn out for this service. Especially is this apparent when it is seen that a considerable part of

the expenditure in the home administration is used in developing the spiritual life of the churches, partly by creating and putting in circulation an inspiring missionary literature, partly by visits to churches, as well as to church courts, of those who represent this cause, partly by an enlarged correspondence, reaching out to many in the church to give aid and counsel and encouragement in the work. The Executive Committee, therefore, are decided in the opinion that in the work of administration in the home land, the church is called to consider, not how little may be spent in this part of the service, but rather how many and of what character are the agencies that may be wisely employed for the development and extension of this work. It is no rash statement to say that, with the proper agencies, the sum of \$300,000 a year might be raised for a work so vast in its scope, so high in its importance, as this of sending the gospel to the heathen nations.

III, ABSTRACT OF THE TWENTY-FIFTH ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF HOME MISSIONS.

I. SUSTENTATION.—The year of this fund runs from January to January. For many years the contributions to this cause have not been sufficient to meet its demands. The last year (1890) was no exception. In October last your committee was compelled, as during the previous year, to borrow \$4,200 temporarily from outside sources in order to meet the second instalments. The year closed on December 31st with a debt of \$5,124.13, and its proportionate share of office expenses, charged against this fund, due to the other causes of the office. We hoped that, in January, 1891, a contribution would be made throughout the church sufficient to assure your Committee that all the aid needed this year could be furnished. Heavy rains prevailed throughout the whole of January. In many places there was no assembled congregation at all; in many other places only a few worshippers came together on the Sabbaths. In many places there is no method of gathering contributions except as they are received from those who are present in the churches on the Sabbath, and as a consequence the January contributions were much smaller than was hoped for. Up to April 1st the receipts from the January collection were less by \$1,460 than they had been in any year since 1881. When your Committee met in March to make appropriations from this fund for 1891, applications from the Presbyteries were before it asking, we have no doubt in every case, for the very smallest amount which the Presbyteries (or their committees) believed to be needed, that the minister in charge of the weak churches might support his family in moderate comfort and give himself to the Lord's work, "free from worldly care and avocations." But your Committee was compelled, as its first step, to cut nearly \$3,000 off of those applications, and they since have been obliged to say to some later applicants that no aid can be promised to them, and, in several cases, groups of churches will go unsupported for the lack of \$150 or \$200 to enable them to support a minister, who could be obtained if a support could be given. As the matter now stands, nearly all of the ministers serving these weak churches have already been paid, and the remaining ones will be paid on the scale promised by the Committee up to July 1st; then in the month of August the church will have an opportunity to contribute for the support of this work from July 1 to December 31 of this year. A contribution in August of about \$14,000 will enable this fund, without incurring debt, to pay appropriations in full for 1891 on the scale on which they have been made; if that contribution can be brought

to \$17,000, the Committee will thereby be enabled to restore and pay all of the early \$3,000 which was, from necessity, cut off from the amounts asked by the synod, and this should, if possible, be accomplished. The Synod depends upon and ask for the amounts needed; the Synod, the churches which support them, are the parties who must raise the sums to meet the needs. If the sum of \$14,000, or more, can be raised in August, then the sum of \$35,000 should be raised in 1892 for the work of that year.

II. CHURCH ERECTION AND LOAN FUND.—The third annual collection for this cause came off in February last. During the whole of that month, as during the previous month, the heavy rains over the country continued, and we have no doubt that collections were in consequence much less in amount than they would otherwise have been. Nevertheless, there was in contributions an increase of sixteen per cent. upon the contributions of the second or last year's collection for this cause, and the contributions last year were an increase of nearly thirty-six per cent. upon the first collection for this cause in 1889, which shows that the interest taken in a fund by the church at large is steadily increasing. The fund is a very important one, as in nearly all cases a building is necessary that the newly organized church may continue to exist, and in all cases it is necessary for growth and efficiency.

Of the \$4,478.90 on hand for this fund on the 1st of April, as much as \$1,234 have been, according to previous promises, paid out before the printing of this report to aid nine congregations with their buildings, and \$3,250 more have been promised to other applicants. Some further receipts will be received and some of the money loaned will be returned, so that your Committee will probably have as much as \$1,800 more to be disbursed between this and the 1st of February next, which will be the end of this Church Erection year. The applications for aid, we feel sure, will much exceed the amount to be disbursed. The contribution in February next should be at least \$10,000. The Treasurer's Report shows that our outstanding loans amount to \$2,629.30, due from twenty congregations. As much as \$1,545 of this is now past due. Some congregations have paid back their borrowed money promptly, but some others are slow in making payments.

III. EVANGELISTIC FUND AND INDIAN MISSIONS.—The year for this cause runs from September 1st to September 1st, and, as indicated above, embraces what has hitherto been known as Evangelistic work, and also what was formerly known as Foreign Missionary work in the Indian Territory, the latter having been transferred from the Foreign Mission office to the Home Mission office in 1889.

As to the Evangelistic work in the States, it is well known to all that the increase in the demand made not only upon us, but upon all branches of the church of Christ, for more work in this line, is very great. The demand is not only for evangelists, but for evangelists of superior ability and consecration. This is followed, of course, by a demand for competent support. Since September 1st, applications (up to the time of going to press) have been made to your committee for the support, or for aid in the support of sixty-three ministers engaged in this work in thirty-nine Synods, giving a part or all of their time to their work.

As these applications for aid came before your committee they foresaw that, although the contributions of the last fiscal year were increasing (being \$2,075 more than during the previous year), that yet they were certainly not increasing at a rate which would warrant the committee in promising to pay the evangelists full. The course pursued by your committee was to say that they would not advise that the evangelists be kept out of the field; that the committee would

promise to pay their salaries in full during the first half of the year (to March 1, 1890), and to pay some part of their salaries for the second half of the year, but that payment in full for the last half of the year would be of necessity dependent upon the church's contribution for that purpose, to be made in June.

In the Indian Territory we have had, since September 1st, five white and two Indian ministers actively at work all the time; one other minister, Rev. F. H. Wright, has for several months been absent from his field, being detained in New York and vicinity by matters affecting the welfare of his family, but we hope to have him return to the work during the year. At its late meeting the Indian Presbytery asked for aid in support of another Indian minister, a man of ability and of great influence among his people, who, for sufficient reasons, has not been of late, but now is actively engaged in missionary work; and also for means with which to secure the services of a ruling elder, recently licensed to preach, and the vacation services of one of their candidates for the ministry, appointed in the open Presbytery to work during the summer under direction of one of our white ministers. One of our white ministers, Rev. C. J. Ralston, is superintendent of the Armstrong Male Orphan Academy, where he had charge (at latest account) of fifty-six orphan Choctaw boys in a manual labor school. The Choctaw nation furnishes the farm, and gives \$100 per year to board and clothe each boy. We furnish the superintendent and two teachers, and these, aided most efficiently by Mrs. Ralston, give these boys a Christian home, a Christian training and an education sufficient to fit them for a higher course, or for practical life in which they may take an influential stand in the church and in public life among their people, the main idea on our part being, of course, to lead them all to Christ. The Choctaw National Council, last October, decided to rescind all school contracts, and accordingly gave us six months' notice, which was required by agreement, that their contract with us would be cancelled on the first day of next June. They have made some rigid rules as to the parties with whom they will make future contracts; but Mr. Ralston has succeeded so far in doing a fine work at Armstrong, which we have reason to believe is as satisfactory to the School Board of the Choctaw nation as it is to us, and your committee has decided that if we hold this school, it will continue to give us the best of opportunities to do a work for our Lord among this people, and hence it has authorized Mr. Ralston to seek to make a new contract for us, under which we will furnish a suitable superintendent and two acceptable teachers, and the cost to us will probably be hereafter as it has been heretofore, \$2,100 per year. The number of boys will be increased by the Nation to one hundred next year, and new buildings will be added.

The situation, therefore, at present is this, that the forty Presbyteries have put the sixty-three ministers to work in evangelistic fields; the work in the Indian Territory, both in the Male Orphan Academy and in the wide field among Indians, and among the in-moving white people, is going forward in a satisfactory way; evangelists have been paid up to March 1st, missionaries to July 1st, and now if our churches and individual members will *promptly* contribute \$12,000 in the month of June, all of this work can be supported during these six months—March 1st to September 1st—without incurring any debt at all; but if the June contribution shall fall to any considerable extent below \$12,000, the support for these six months cannot be furnished, and a considerable portion of this work must necessarily come to an end, because the Presbyteries and their workers are not supported by the church. If such an issue as this can be laid before our people in June, so as to thoroughly arrest their attention, and to have them realize the facts, no one can

doubt that the response will be cheerful, prompt, sufficient. The sum of \$30,000 can be well used next year.

IV. **THE INVALID FUND.**—The story of this fund is soon told. The year runs from July to July. At the last Assembly it was stated that during the previous year it was foreseen that the receipts of this fund would not meet the requests made by the Presbyteries for aid for infirm ministers and for the widows and orphans of ministers deceased, and that the Secretary had stated the case to some private individuals, whose kind response had brought something like \$900 to the treasury. The beneficiaries were then paid in full for last year to July, 1890. The ruling elders of the last Assembly took special interest in the discussion of this fund, and an effort was made by a number of them, as well as by your committee, to have the receipts from the last July collection increased to \$20,000; the amount received up to July next will probably be about \$15,000. The number of beneficiaries aided during this invalid year, since July, 1890, has been one hundred and forty-six. When the second instalments came due, in March, the funds were sufficient to pay only two-thirds of the amount asked by the Presbyteries, and there is, so far as we can see, no hope of the committee being able, at a later day, to furnish the remaining third of that instalment. This amounts to a scaling of all applications for this invalid year of one-sixth of the whole amount asked. This is the first time in our history that the amounts given to these beneficiaries have been scaled. The amounts asked by the Presbyteries are, as a rule, from \$50 to \$200 for a family. Some get less than \$50, and only a few get more than \$200, when paid in full. When we remember that these contributions are made for the relief, first, of infirm ministers, next for the widow, and next for the orphan, and these are the widows and the orphans of our ministers deceased, there should be no trouble in raising \$20,000 in July next for the work of another year, and we suggest that this effort be made.

Several of the beneficiaries of this fund have, during the year, entered into rest. Among them were two of the oldest ministers on our roll. Their places, however, have been filled by others who have become feeble.

V. **COLORADO EVANGELISTIC FUND.**—The year of this cause runs from December 1 to December 1. The Tuscaloosa Institute began its career fifteen years ago with two students. In these latter years, our candidates in that institution have been as many as twenty-two or more. The faculty felt more and more the need of a better primary education on the part of those who came to them for instruction in a theological course. The number of licentiates and ordained ministers increased from year to year, and as these could derive only some very small amounts for their support from the feeble colored churches, as yet existing, the necessity for further help from us in this respect, for some years to come, became apparent; for if the ministers, after leaving Tuscaloosa, cannot be to some extent aided in the way of support, they will be compelled to follow secular callings, and their efficiency as ministers will not be realized. They have stood remarkably well as to character, and give evidence of earnestness in their work. At the last Assembly it was felt that we must do more or retrograde in our effort to prepare and send forth this colored ministry to the millions of Africans in our land. The two Executive Committees, of Home Missions and of the Institute, acting under instructions from the last Assembly, selected as Field Secretary for this work the Rev. A. L. Phillips, who was at that time pastor of the South Highlands Church, in Birmingham, Ala. Mr. Phillips began his work on the first of October, and has been very diligent ever since in presenting this work with tongue and pen to our churches and church

courts. His report, given in connection with this report, will show what he has done. It is too soon as yet to expect results from his work, but we confidently expect, under God's blessing, that it will be very fruitful.

Four Presbyteries, composed entirely of African ministers and churches, now exist in kindly relations towards us, and ask from us such aid as we can give them in the work they have undertaken. One of these, the Independent Presbytery of North and South Carolina, has been formed for a number of years. There are no Tuscaloosa students among its ministers. The Presbyterial Committee of Harmony (white) Presbytery in South Carolina have kept watch upon this Presbytery, and have commended them to us for aid from year to year. In the last printed report of this Presbytery their ministers are given as five, licentiates one, churches eleven, communicants 492; money raised, \$385,77.

The Presbytery of Texas, organized in 1888, has seven ministers, two licentiates, seven weak churches, six Sabbath-schools, and about 175 Sabbath-school pupils. They seem to have made but little progress during the last year. Rev. S. F. Tenney, Chairman of the (white) Presbytery of Eastern Texas, says that "a great drawback to their progress is that the ministers are compelled to support themselves most of the time by following secular employment." We hope that during the coming year our Field Secretary may be able to visit this Presbytery with good results.

During the past year two other Presbyteries have been formed, composed of our colored ministers in Alabama, Mississippi and Louisiana, most, if not all of whom were prepared for their work at Tuscaloosa. One of these, Ethel Presbytery, organized in January, 1891, has six ministers and ten churches, with Sabbath-schools. Rev. Dr. J. H. Alexander, of Kosciusko, Miss., attended a late meeting of this Presbytery, and says they conducted their business in a good, orderly manner, and all seemed intent on success, their narratives giving evidence and hope of growth.

The other of these newly-formed Presbyteries, called Central Presbytery, reports: ministers, four; licentiates, eight; Sabbath-schools, seven; pupils, 220, communicants, 224. At their recent meeting of Presbytery, in one of their churches, three members were received and sixteen children baptized.

As this report goes to print this fund has \$2,400 on hand. It will probably receive six or eight hundred dollars more between this and December next, out of which must come, first the support of the Institute and of the work of the Field Secretary; if there be an overplus it will be added to \$1,042 already paid out on this "colored year" for support of the colored ministers. We could well and easily use \$20,000 for this work next year.

IV. ABSTRACT OF THE ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF EDUCATION.

We are gratified in being able to report a larger work done than in any previous year of the committee's existence. The entire number of candidates reported to us for aid was 236. Three of these declined aid, and four did not enter upon their studies. This left upon our roll 229. Of this number 202 applied for the maximum appropriation of \$100; the others for smaller amounts.

Thus it will be seen that over \$20,000 would be required to pay these appropriations. A very few of the young men, on account of ill-health and failure of

the eyes, received only a part of their appropriation. These candidates are from all parts of the church. From Alabama Synod, 16; Arkansas, 12; Georgia, 10; Kentucky, 19; Memphis, 12; Mississippi, 19; Missouri, 13; Nashville, 12; North Carolina, 31; South Carolina, 33; South Georgia and Florida, 3; Texas, 25; and Virginia, 24. They have been in attendance upon the following institutions: Union Seminary, 36; Southwest Presbyterian University, 3; Columbia Seminary, 16; Austin Theological School, 8; McCormick Seminary, 8; Princeton Seminary, 3; Davidson College, 27; Hampden-Sidney College, 8; Washington and Lee University, 4; Clinton College, S. C., 10; Oxford, La., 4; King College, 8; Central University, 8; Westminster College, 5; Arkansas College, 8; Austin College, 11; the rest at various private schools and academies.

For several years past there has been an increase in the number of applications for aid to candidates. The last Assembly urged upon the churches the necessity of raising a larger sum for the work of Education, and authorized the Executive Committee to apportion the sum of \$25,000 among the Presbyteries. This was done, and the Presbyteries informed last fall of the amount of their apportionment. A few of the Presbyteries have raised the amounts apportioned to them, but a large number have fallen short. From month to month the Secretary has published brief statements, showing the number of candidates, the amount promised them, and the amount paid to date. It has been an exceptionally hard year for raising money. In that part of the country dependent upon the cotton crop, while the crop has been large, the staple was damaged by rains, and brought a small price. Another thing which has made against the collection for Education in November is the inauguration of the evangelistic work in nearly all our Synods. In many of the Synods the collections for this important work have been made in November, and the effect was necessarily to lessen the collections for Education. The churches cannot stand two collections in one month. Formerly this cause had two whole months assigned to it, viz., November and December. Of late the month of December has been assigned to the colored work, and during the past year an agent has been in the field urging that important work upon the attention of the churches. But it may be said the month of April has been assigned to Education. That is true, and it has been of great help to us in the work committed to our hands. About \$6,000 have been realized from that collection; but we must not trench upon the cause of Publication by making an appeal in March, nor upon that of Foreign Missions by continuing it after the month of April has closed. But with all these hindrances, we are glad to report that our total income this year is \$21,461.60. This is a larger sum than we have ever received. The total income last year was \$19,799.94; but of this sum about \$2,000 was received from legacies, leaving about \$17,799 as the income from the churches. This year we have received no legacies, and our income is \$21,461.60, an increase of contributions of about \$3,661.66; but the increase has not been quite sufficient to pay all our candidates. The Seminary candidates have all been paid in full, but there is still due the College candidates \$223.58, which we recommend be paid out of the first moneys coming into the treasury.

For many reasons the work is becoming more important. Every year adds to the number of our vacant churches. Many of our best laborers have been called from their pulpits to go into the evangelistic field. These pulpits are left vacant. With God's blessing upon their labors, these evangelists will organize

many more churches. And the call for more men for the foreign field is becoming louder and louder every year. Whence are the laborers for these whitening harvests to come? Whence, but from the families and churches throughout our bounds? Notwithstanding there has been a constant increase in the number of candidates for several years, our need of more laborers to-day is greater than ever before. How are they to be obtained? The divine method is prescribed. Pray ye the Lord of the harvest that He will send forth laborers into his harvest. This method cannot fail. It is absolutely certain that if this burden is upon our hearts we will not only pray for more laborers, but fathers and mothers will give their sons to the Lord, as Hannah gave her Samuel. What the church needs is to realize this great want, and that it can be met in no other way than by the consecration of their sons to the work. But if there is not a sufficiency of funds to pay for the education of the candidates we already have, why pray for more? And this brings us to the point of larger revenues for the work. While we are thankful for the increase of contributions this year, it is not sufficient. Again we must appeal to the strong churches to send us larger contributions. Many of them have stood at about the same thing for many years. The increase of contributions has come from the smaller churches.

To meet the growing demands of the work the Executive Committee would respectfully suggest that the Assembly urge upon the Presbyteries and churches to endeavor to raise for the current year the sum of \$30,000, and that the Secretary of Education be authorized to apportion this amount among the Presbyteries by the time of their Fall meeting, and to request the Presbyteries to apportion the same among their churches.

The committee would also call attention to the fourth Thursday of February, as the day of prayer for youth in our schools and colleges, and for an increase of laborers.

V. ABSTRACT OF THE THIRTIETH ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF PUBLICATION.

Another year of prosperity has been granted this department of our church work, and the Executive Committee, in presenting to the General Assembly its Thirtieth Annual Report, desires gratefully to recognize the divine blessing that has attended its efforts.

The Treasurer's Report, which is herewith submitted, gives in detail the condition of the finances and the facts of the past year's business.

To some of these facts the special attention of the Assembly is asked.

The collection account shows that \$8,323.31 have been received from churches, Sabbath-schools, and individuals during the year; or \$234.05 less than was reported last year, while there have been appropriated for donations \$3,828.17, and for colportage work \$6,988.12, making a total for benevolent work of \$10,816.29, or \$2,492.98 more than the total contributions.

The royalty from our Sabbath-school papers amounted to \$3,096.25, or \$325.43 more than last year, and more than any previous year.

The net income from the Publishing House, \$2,455.56, was also larger than in any previous year.

The table of assets and liabilities shows an increase of net assets during the year of \$5,254.53, making the total assets over all liabilities \$85,295.72. This

of assets appears mainly in the increased value of stock and stereotype. The liabilities consist wholly of open accounts, payable to publishers, amounting to \$3,023.55, of which nearly all represents stock on sale, to be paid when sold. We therefore count our liabilities as practically nothing.

Last Annual Report a large increase in the business of the depository. It was scarcely anticipated that the results of another year would show such progress, and we may well be satisfied with the fact that we have and by a small amount have exceeded the volume of business of the year.

It be admitted that there is great reason for discouragement in the colporteur department of our work, in the fact that the church does not see fit to contribute the funds necessary for its vigorous prosecution. To this fact in its bearing the prayerful attention of the General Assembly is now asked. In the usual circular notice of the March collection, it was shown that a large increase of contributions was needed for any adequate and vigorous prosecution of our general colporteur work; that this was required even to maintain the present efficiency, much more if it was to be enlarged; it was shown that the work had already drawn from the treasury of the committee funds that properly to have been employed in other departments; it was shown that in the last twenty years contributions to the cause of Foreign Missions increased four-fold; contributions to Home Missions have doubled; but there has been no increase whatever in the funds contributed to the cause of colportage. During the same period the membership of the church has more than doubled, but the 168,000 members give no more to the cause of Publication than did the 82,000 twenty years ago; it was further shown that not less than \$20,000 was imperatively needed to put this work in such a condition of efficiency as circumstances demand. These facts and the appeal based upon them have had no effect, and, as shown in a previous page of this report, the collection was a little less than last year.

Representing as the agents of the General Assembly a work that ought to have the measureless value to the church, the Executive Committee asks the General Assembly to provide for the raising of not less than \$20,000 annually, for pushing our colporteur work and in the free distribution of our literature. If the Assembly shall authorize the apportionment of this amount among seventy-one Presbyteries *pro rata*, it is believed that all of them will cheerfully accept the responsibility, and would take such action as would secure the amount needed. Twelve cents per member would be sufficient, and the poorest Presbytery would need to raise not more than one hundred dollars.

REPORT OF THE BOARD OF DIRECTORS OF UNION THEOLOGICAL SEMINARY TO THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES.

The board of Directors of Union Theological Seminary, in Virginia, report to the General Assembly as follows:

At the annual meeting of the Directors, May 5th and 6th, 1891, out of twenty members twenty were present. The Rev. A. C. Hopkins, D. D., the Rev. D. Stephenson, and Lieutenant-Governor J. Hoge Tyler were enrolled as guests.

The committee appointed to audit the Treasurer's accounts reported that they had examined the same, and found them correctly kept and sustained by proper vouchers.

It appears from the Treasurer's report that, while the income of the Seminary has, up to this time, been sufficient to meet all the expenses of its management, yet it has required rigid economy to do so. Thirteen students during the past session have lived in rooms rented for them outside of the Seminary buildings. There is no room available for additional students next fall; and yet there is a reasonable prospect of an increased number. In view of these facts, the Board resolved to provide additional room by building, and in order to raise the sum of \$10,000 for this purpose, the Rev. W. W. Moore, D. D., was appointed financial agent, during the summer months to visit the churches of the Synods of Virginia and North Carolina and elsewhere. In view of the long and serious illness of Professor Latimer, and the possibility of his being unable to resume his work at the opening of the next session, the Board offered him a leave of absence for a year, if necessary, to restore his health, continuing his salary meanwhile. The other members of the Faculty are requested to apportion his work among themselves. Thirty-five students matriculated, several of whom were called away during the session. The whole number in attendance has been seventy-three.

Diplomas have been awarded to the following young men: D. G. Armstrong, W. C. Buchanan, R. B. Eggleston, S. M. Engle, E. W. Ford, H. T. Graham, J. K. Hall, J. A. Harris, George Hudson, J. B. Hutton, A. J. McKelway, J. A. McMurray, W. T. Palmer, B. C. Patterson, W. J. Sechrest, E. H. Stover, D. M. Sweets, and J. E. L. Winecoff.

The Library has been enlarged by the addition of forty-nine new volumes. The diligence of the students, their full attendance upon the examinations, and the faithfulness of the professors, are commended.

Rev. T. Cary Johnston was unanimously elected to the Professorship of English Bible Study and Pastoral Theology, and Rev. C. C. Hersman, D. D., was unanimously chosen for the Professorship of Biblical Literature and New Testament Interpretation, made vacant by the resignation of Dr. H. C. Alexander. The Board placed upon record an expression of the "personal grief they felt on severing a connection that has happily existed for so many years," and their appreciation of "the eminent ability, the profound and extensive learning, and the enthusiastic devotion to the duties of his professorship, in which he has attracted the attention and admiration of the church."

The Board passed a resolution asking the consent of the two Synods to a proposed alteration in the charter of the Seminary, which resolution will accompany this report.

CHARLES WHITE, *Secretary*.

VII. REPORT OF THE BOARD OF DIRECTORS OF THEOLOGICAL SEMINARY AT COLUMBIA, S. C.

The Board of Directors of the Theological Seminary at Columbia, S. C., respectfully report to the General Assembly:

That there were twelve of the fifteen members of the Board present at its sessions held in the Seminary Chapel during the 12th, 13th and 14th of May.

There has been no change in the Faculty since our last report, and there has

been no break from any cause in any of their professional engagements. The church is to be congratulated that the several chairs are so ably filled, and that the professors are at one as to all of the important matters of our Christian faith.

Twenty-two students were present during the year, distributed as follows: in the Senior Class, five; in the Middle, nine; and in the Junior, eight. As only five leave with the graduating class, there is the prospect of a larger increase the coming session than for some time past.

The following young men, having completed the prescribed course of study, were given certificates: Fitzhugh Banks, William Hamiter, Richard L. Melly, and Willis G. White.

The finances of the Seminary are in a healthy condition. The invested funds amount to \$235,899.46, yielding an income of about \$14,000.

The Library has about twenty thousand volumes, and is gradually being increased by donations and by purchases by means of interest upon a library fund that is now some twelve thousand dollars.

In view of the great need of a fire-proof building for the Library, and of the endowment of the Fifth Professorship, the Board has decided to put a financial agent in the field, and has elected the Rev. George Summey for this position. Should Mr. Summey decline, the Executive Committee is empowered to provide for the place, and the Board bespeaks the confidence of the church for this agent, and a generous response to his appeals.

The duties of the vacant fifth chair have been assumed and satisfactorily discharged by the other professors.

Drs. McPheeters and Beattie have given instructions regularly in the English Bible, the former dealing with the Old Testament and the latter with the New.

By order of the Board, the time for the opening of the next term has been changed from the 20th to Wednesday the 22nd day of September.

We gratefully acknowledge that God has richly blessed us. The serious troubles that affected the efficiency and threatened the very life of the Seminary have all disappeared, and everything foretokens a bright and prosperous future.

With an accomplished and thoroughly evangelical Faculty, a library so extensive, buildings so commodious and comfortable, expenses so reasonable, this institution offers to those seeking ministerial education advantages equal to any in our Southern country.

JAMES STACY,
President of Board.

W. W. MILLS, *Secretary.*

VIII. ABSTRACT OF THE FOURTEENTH ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF THE INSTITUTE FOR THE TRAINING OF COLORED MINISTERS.

The exercises of the Institute have been maintained during the past year without interruption or abatement, and with the usual success. The Professors, Praigg and McAlpine, have enjoyed good health, and have discharged their difficult duties ably and faithfully. We submit herewith their report to us, giving details of their work.

You will see from this report that there have been in attendance during the

year twenty-one Presbyterian students, one less than last year. We have had but two of other denominations, both Methodists, less than in former years. This is due to two facts, viz., the other colored churches are now providing better opportunities than ever before for the education of their ministers, and we now decline to receive any of this class unless they give regular attendance on our recitations.

We have good reason to hope for a larger attendance of Presbyterian students in the near future. The important step taken by the last General Assembly authorizing this committee, in conjunction with the Home Mission Committee, at Atlanta, to appoint a field secretary to travel and labor in the general interest of the colored evangelistic work, has, we believe, resulted already in accomplishing valuable results. The Rev. A. L. Phillips, who was chosen to this office, and entered upon its duties last fall, has proved a most efficient laborer, having excellent qualifications for it, and having prosecuted it with great zeal. He has travelled widely over the whole territory of our Assembly, has presented the subject before a number of our congregations and church courts with signal ability, and has been the means of awakening a profound interest in many of our ministers and churches. He has also published a small-sized leaflet and a large pamphlet. These set forth the leading facts and arguments, and are being widely circulated, and are doing good. We confidently expect, as one result, an increase in the number of students. As our session will close in June, we discourage applications for entrance until Fall.

We graduated five students last June, all of whom now occupy fields of promise. Our closing exercises were made deeply interesting and profitable by addresses from Rev. Dr. Beattie, of Columbia Seminary, in regard to the ministerial work, and by Rev. A. L. Phillips on the Congo Free State. Rev. Russell Cecil is to make the closing address on the 25th June, and the Society of Missionary Inquiry will be addressed by Rev. E. M. Clark, a graduate. We shall have but three graduates this year.

The health of our students has been generally good, they being required to take active exercise, by which some of them provide for their small personal expense, and to avoid undue exposure. The medical bill for this year was \$7.70, mostly for medicines, as Dr. Searcy gives all needed attendance gratuitously.

In answer to a newspaper call, liberal contributions have been made by churches and individuals of partly-worn clothing, which have aided largely in making the students comfortable. These are carefully distributed by the Faculty as needed.

The expenses incurred have been only a little more than last year, although we have been compelled to put a new roof upon the building and to pay for a three-years' policy of insurance.

Our students have been diligent and attentive, and generally have made good progress, and their deportment commendable. The exceptions are stated in the report of the Faculty. They conduct the opening devotional service at the Institute, attend the Sabbath services at the colored Presbyterian church, at which the members of the Senior Class preach, and also the Sabbath-school and prayer-meeting. The missionary spirit is promoted by lectures from the Faculty and exercises of the Society of Missionary Inquiry. We hope to see some of them join our first Colored Missionary in Africa.

We have not seen our way clear to establish an academic department, though

authorized by former Assemblies to do so. But being more deeply impressed than ever with the necessity for this step, especially by the lack of such training on the part of many of the students sent to us, and encouraged by the church's increasing interest in the work, we have concluded to employ a teacher for this purpose, assured that the liberality of the church will sustain us in this movement.

On the whole, the Committee feel much encouraged in their work. We are more than ever impressed with its importance, necessity, and feasibility, and we regard the outlook as hopeful. The organization of two colored Presbyteries during the year has given to this cause the feature of permanency, and we trust that their ministers, most of whom are graduates of this Institute, will prove themselves worthy of the confidence of the church shown by setting them off as independent bodies.

IX. ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE GENERAL ASSEMBLY.

Several "call" meetings of the Board were held during the year, and the regular annual meeting was held this day. Since our last report several legacies have been paid in full, and collections have been made on account of others. Our Treasurer's Annual Report, which has been duly audited and approved, and which please receive herewith, shows that he has received \$9,196.76, and that he has disbursed \$9,369.04, leaving a balance in his hands of \$7,773.93. Of this balance \$273.93 belongs to the "Contingent Fund" of this Board, and the remaining \$7,500 belongs to various funds, and is invested for account of same, as shown in Treasurer's report, and only the interest derived from same can be used. There is yet a small balance to come from the legacy of Mrs. M. A. Guthrie, which we hope to receive soon, and there is a legacy of \$300 given by the late John Geary, of Staunton, Va., which we hope to receive during the coming year. These two legacies are the only ones, of which we have any knowledge, from which we expect to receive any funds in the near future.

In compliance with the resolution adopted by the General Assembly at Ashville, N. C., in May, 1890, this Board has effected a transfer of the Relief Fund from the "Clergy's Friendly Society" to the "Presbyterian Ministers' Fund," said fund, at time of transfer, amounting to \$50,573.88, and upon request from the Secretary of the said "Presbyterian Ministers' Society," that this Board "nominate two corporators in the Fund," Revs. Moses D. Hoge, D. D., and W. U. Murkland, D. D., were nominated.

Our Board has in its possession a \$10,000 bond, known as the "Fitzgerald bond," issued by the State of Virginia, the income (when any) from which is to be paid to East Hanover Presbytery, to be used by said Presbytery for the spread of the gospel within its own bounds. This bond has not paid any interest since 1885 and will not pay any until it is funded into a new three per cent. bond. Col. W. W. Henry and Mr. R. H. Cardwell, constituting a committee representing East Hanover Presbytery, have made repeated efforts to procure special legislation from the Legislature of Virginia providing for the payment of full interest on the old bond, but they inform us they did not meet with any success, and that they do not feel encouraged to make further effort in that direction. Therefore your Trus-

tees would recommend that you authorize them to fund said bond in accordance with the law enacted by the Virginia Legislature, and also that you authorize them (your Trustees) to sell the bond, and reinvest the proceeds in other securities, should they deem it advisable to do so.

No further action regarding the "Fitzgerald bond" matter is necessary on the part of the General Assembly. Our attention has just been called to the action of the "Baltimore Assembly" (see Minutes, 1888, page 407), which gives our Board full power in the matter.

Permit us to say that the Assembly's Minutes for 1887 and 1890 have not been sent us, and to ask that your Stated Clerk be instructed to forward us these numbers, and also all future numbers as soon as they may be printed.

The term of office of the following Trustees will expire with the meeting of the Assembly, viz.: E. Nye Hutchison, James P. Irwin, and Geo. F. Bason.

The officers of this Board, for the year beginning to-day, are: E. Nye Hutchison, *President*; John L. Brown, *Vice-President*; John E. Oates, *Secretary and Treasurer*.

Respectfully submitted,

E. NYE HUTCHISON, *President*.

JNO. E. OATES, *Sec'y and Treas.*

X. REPORT OF THE PERMANENT COMMITTEE ON THE SABBATH.

The Permanent Committee on the Sabbath would report to the Assembly that nothing has occurred during the past year to effect any great change in the status of the Sabbath question, or to require us to modify in the least degree the utterances in our last report. The reports from the Presbyteries, as far as we have been able to gather them, have been tinged, as last year, with the same expressions of fear, if not of deep-seated conviction, as to the continual trend of sentiment, as well as practice in the direction of a greater disregard for the authority and sanctity of the day. Whilst a few of the Presbyteries report manifest improvement, and quite a number that our own people are generally yielding an outward obedience to the requirements of the day, nearly all agree in the opinion that the general tendency of the outside world is in the direction of looser views and practices, and if not totally to disregard the authority of the day, at least to convert it into a season of recreation and pleasure, and in some places this sentiment seems to be taking hold upon the mind of even some church members. As heretofore, the Sunday train, mail and newspaper, together with the Sunday saloon, and in some places the drug-stores with their soda founts, cigar and tobacco counters, and their traffic in fancy articles, are all mentioned as special factors in the matter of deterioration. In some of the Presbyteries mention is made of desecration by base-ball games and even gunning, but more generally by social visiting, and even, in some instances, by what might be termed Sunday night sociables. The old-timed fashion, too, of devoting Saturday nights to preparation for the Sabbath, seems also to be passing away, as we hear of marriage festivals, as well as other entertainments, given on that, as well as other evenings. Whilst all secular work and casual enjoyments have much to do with the matter of demoralization, we would continue to lay special emphasis, as we have done in the past, upon the Sunday train, the Sunday newspaper, and the Sunday saloon, as the chief offenders in

undermining the sacred authority of the day. These being all powerful agencies, permeating the whole country, and at the same time so open and bold in their defiance of divine authority, must of necessity be exerting a mighty influence in moulding public sentiment and in determining the amount of reverence that shall be paid the Sabbath of the Lord God by the people of this nation. It seems to be the growing practice of many, if not all the railroads, to give special excursion rates on Sunday, which amounts to virtually placing the road in a position of actually offering a bribe on Sunday travel, and a premium for Sabbath desecration. So also with the newspapers, they are making the Sunday edition their chief effort, and so multiplying the pages and the columns of reading matter as to occupy quite a large portion of the day. If this encroachment goes on in the same ratio in the future as in the past, it will not be very long before the paper will become, not only the rival, but also the substitute for the morning service, as it is already for the morning reading of the Scriptures. When the Sunday saloon, with its intoxicating and stupefying beverages; the Sunday trains, with their loads of excursionists and pleasure seekers, and the Sunday newspapers, with their mammoth sheets filled with business notices, society gossip, thrilling adventures and criminal reports, shall be substituted for the services of the sanctuary, then what is to become of the Christian Sabbath, and how much of it left to its Divine author, who claims the whole day as emphatically his own?

We would also again call the attention of the Assembly to another source of standing menace to the perpetuity of the day, and that is the delusion, as we believe it to be, of the Seventh-day Adventists, who are flooding the country with their literature, and under the plea of persecution, seeking to stir up sympathy on their behalf, and thus clamoring for a return to the old Jewish law for an observance of the seventh, instead of the first day of the week. Let the Christian world become divided upon the question, whether the seventh or first day is to be observed, and how easy a thing for the outside world to reject both?

As the time draws near for the Columbian Exposition, the Christian people of the country are beginning to look with growing interest to the settlement of the question by the directors, whether they will allow their gates to be open on Sunday. Petitions are flowing in from all directions, and Christians of all denominations are asking the close of those gates on the Lord's day. Quite a number of our Synods and Presbyteries have already forwarded their petitions asking the same. We would respectfully suggest that the Assembly, as the representative of the whole Southern Presbyterian Church, enter its protest also against this needless desecration of the day, and unite with other assemblies and ecclesiastical bodies, and Christian people generally, in asking that the gates of the Columbian Exposition be closed on the Lord's day. It would indeed be a great blow to the cause of Sabbath observance should the people of this professedly Christian nation so far dishonor its past record as to allow such a palpable affront to the authority of God's Word.

Our connection with the "American Sabbath Union" has been during the past year more formal than otherwise. From their first annual report, and also copy of *The American Sabbath*, the official organ of the Union, and which contains an account of its second annual meeting, both of which we herewith submit for your inspection, it will appear that several of the subordinate offices, as vice-president and assistant secretary, are filled by ministers of our church. On account of the remoteness of the place of meeting, and the heavy expense

that would be incurred, we are not aware that any of them have been able to attend the annual meeting. We feel assured, however, that the organization is effecting great good, and we see no reason why we should withhold our sympathy and coöperation. Respectfully submitted,

JAMES STACY,)

PRAYER FOR THE GENERAL ASSEMBLY.

Whereas, the General Assembly of the Presbyterian Church in the United States fully recognizes the efficiency of the prayers of God's people, and the necessity of divine guidance in its own deliberations; therefore—

Resolved, 1, That the General Assembly recommend to all the churches under its care to offer special prayer during the devotions of the Sabbath preceding the meeting of the General Assembly in each year, that God would of great mercy so give the General Assembly the wisdom that cometh from above, and so direct all its plans, discussions and decisions as to promote His own glory and advance the kingdom of Jesus in the earth.

Resolved, 2, That the above preamble and resolution be printed annually in the Appendix to the Minutes of the Assembly.

The Committee on Bills and Overtures reported the following answer to the overture from the Presbytery of Roanoke touching the taking of the testimony of distant witnesses:

This overture is to the effect that the Book of Discipline be amended in Chapter I, Section 10, so as to provide for the taking of testimony of witnesses at a distance not alone by a commission, which is often impracticable, but by a co-ordinate court contiguous to the place.

Your committee recommend that the overture be granted, and that the Assembly send down to the Presbyteries the following amendments for consideration and adoption, viz. :—

1. At the close of Chapter VI, Section 8, that the words be added "*or co-ordinate court.*"
2. That in Chapter IX, Section 10, after the words "a commission shall be appointed," add "*or co-ordinate court requested.*" Again, further on, after the words "of which commission," add "*or co-ordinate court.*" Again, further down, after the words "that a commission," add "*or co-ordinate court*" as in the former case, &c. And near the close of the section, after the words "taken by the commission," add "*or co-ordinate court.*"

The report was adopted, and the proposed changes in the Book of Church Order were directed to be sent down to the Presbyteries for their action.

The Committee on Bills and Overtures made a report on the overture from the Presbytery of Mecklenburg touching the raising of funds by agents and other matters. The report was docketed and made the first order of the day for Tuesday morning.

An overture from the Presbytery of Mecklenburg respecting the editing of the Minutes of the Assembly, and the overture from the same Presbytery asking a certain change in the heading of a statistical table, were transferred from the Committee on Bills and Overtures to the Standing Committee on Publication.

The Standing Committee on Foreign Missions made the following report touching co-operation in the foreign field with the Foreign Mission Board of the Presbyterian Church in the United States of America :

Our Executive Committee of Foreign Missions having proposed to confer with the Board of Foreign Missions of the Presbyterian Church in the United States of America, with a view to preparing a plan of co-operation in Foreign Mission work, the plan to be reported next year to both Assemblies ; we recommend that the request be granted, and that the Stated Clerk be directed to notify the other Assembly of this action at once.

R. P. KERR, *Chairman.*

The report was adopted.

The Standing Committee on the Bible Cause made the following report, which was adopted:

The Standing Committee on the Bible Cause would respectfully report to the Assembly, that, having carefully considered the facts and arguments presented to the Assembly in the abstract of the seventy-sixth report of the American Bible Society, and the address of Rev. Dr. Alexander McLean, Corresponding Secretary, we would recommend the adoption of the following resolutions by the Assembly:

1. That the Assembly has heard with pleasure and profit the able and forcible presentation of the work of circulating the Scriptures in the home and foreign field made in the address of Dr. McLean, whom it ever welcomes to its councils as the representative of one of our own great agencies.

2. That the Assembly records its high appreciation of the work of Bible distribution as lying at the foundation of all evangelization, and would again commend it to all our people.

3. That the Assembly regrets the meagerness of the contributions from our churches to this cause, and once more calls attention of our churches to the order of the last Assembly appointing the third Sabbath in October, or as soon thereafter as convenient, as the time for a collection in all our churches in behalf of Bible distribution, and urges that pastors instruct their people in this matter, that they may contribute intelligently and liberally for the promotion of this great work.

4. That the Assembly recognizes its obligation to the American Bible Society for the generous and valuable aid it has rendered our missionaries in the foreign field in translating, printing, and distributing the Scriptures in connection with their work, and to our church at home in supplying our people with the word of God, while we have contributed so little to the cause, and hopes that its operations may not be curtailed for lack of adequate means.

5. That the Assembly specially commends the effort to place the whole Bible in the hands of every child in the land who can read, and urges our pastors, Sessions, and Sabbath-school superintendents to aid this effort by seeing that the children and youth of our country are supplied with the Scriptures ; that the Bible, as the inspired word of God, be used directly in all our Sabbath-schools, and that its constant use at home be encouraged, as the best answer to all the assaults now made upon the Scriptures. The extreme cheapness of the Bible, sold by the American Bible Society without profit at the very cost of manufacture, puts it within the reach of all, and makes this effort practicable.

Respectfully submitted,

S. L. MORRIS, *Chairman.*

A communication from the Presbytery of Nashville, asking that the next General Assembly meet in the city of Nashville, was read,

and docketed for consideration on Monday morning. A similar invitation was read from the Presbytery of Macon that the next Assembly meet in the city of Macon. The Assembly was also invited to meet in Norfolk, Va., and in Greenville, S. C. Whereupon the resolution making this business the order of the day for 10 o'clock Monday morning, was reconsidered, and the Assembly proceeded at once to select the place for the meeting of the next Assembly, and the First Presbyterian Church in Macon, Ga., was chosen.

The committee on devotional exercises made a report for the service of the Lord's Day. The report was approved.

The Assembly had recess until after divine service to-night.

8 o'clock P. M.

The Assembly met, and engaged in devotional exercises conducted by the Rev. W. N. Scott, D. D.

The Minutes of Saturday's sessions were read and approved.

The Stated Clerk announced the enrollment of Ruling Elder

W. F. Humphreys, a commissioner from the Presbytery of St. Johns.

A communication from the American Sabbath Union was read, and referred to the special committee on the Sabbath.

An overture from the Presbytery of Winchester, touching educational qualifications for the ministry, was referred to the Committee on Bills and Overtures.

A report from the Committee appointed by a former Assembly, touching the substitution of arbitration for war, was read and approved, and is as follows:

To the Venerable General Assembly, in Session at Hot Springs, Ark. :

The committee appointed by the Assembly of 1890, and continued by that of 1891, charged with the duty of communicating to other ecclesiastical bodies an overture, asking them to join in petitioning governments in behalf of international arbitration, report that, carrying out the action of the Assembly, they convened a conference in New York city on December 17, 1891, composed of delegates from the leading denominations of this country. Two of our number, Dr. Hoge and Dr. Campbell, who had been appointed by the Assembly as delegates to that conference, attended and took part in its deliberations. The action there taken is embodied in resolutions embraced in a circular, which we herewith transmit.

This ecclesiastical movement in behalf of international arbitration, inaugurated by our Assembly, has met with the hearty endorsement of leading men in all branches of the church, and of prominent statesmen. And whenever the matter has been intelligently brought before ecclesiastical bodies, so far as we know, they have joined in the petition. The very large undertaking, however, of reaching all the leading ecclesiastical bodies of Christendom is not yet complete; but by the action of the conference its further prosecution has passed into the hands of representatives of all denominations. A General Executive Committee has the matter now in hand, and is aided by a Committee of Correspondence for each denomination, and other committees for other departments of the work. The committee to correspond with the Presbyterian bodies of the world consists of Rev. John Hall, D. D., Rev. Talbott W. Chambers, D. D., and Rev. R. W. Kidd, all of New York. Further communication with our Assembly, so far as it may be called for, will be through this committee.

Respectfully submitted,

It was made the first order of the day for Tuesday afternoon to hear the report of the Standing Committee on Home Missions.

The overture from the Presbytery of North Alabama on co-operation between synodical and presbyterial evangelists was transferred to the Standing Committee on Home Missions.

The report of the Committee on Theological Seminaries was received and adopted, and is as follows :

REPORT OF THE STANDING COMMITTEE ON THEOLOGICAL SEMINARIES.

The annual reports of the Directors of Union and Columbia Theological Seminaries have been placed in our hands, and also the first annual report of the Board Directors, together with the report of the Faculty of the Tuscaloosa Institute. These reports are all cheerful in their tone, and furnish gratifying evidence of the efficiency of these schools of the prophets. The Professors are sound in the faith, as well as able and diligent teachers. The opportunities furnished to our candidates in these institutions for such a training as will fit them for the work of the Gospel ministry are equal in all essential respects to those furnished in the institutions of any other branch of the Presbyterian Church. And it is pleasant to notice that fewer of our candidates than formerly are going abroad to seek an education. However, it is important to the interests of our seminaries, and conducive to the welfare of our candidates, that they shall be trained at home, the Assembly would call the attention of the Presbyteries again to the action of the last General Assembly on this subject.

I. UNION THEOLOGICAL SEMINARY.

The effort begun more than a year ago to increase the accommodations for students has been successful. Two attractive cottages are in process of erection, and will be ready for occupancy next session. Twenty-two students matriculated, and sixty-five were in attendance during the last session. Diplomas were granted thirteen, and limited certificates to two members of the senior class. Substantial additions were made to the library. Dr. C. C. Hersman, professor-elect, was inducted into the chair of Biblical Literature and Interpretation of the New Testament. In all these tokens of the divine favor the Assembly rejoices. It is with pain, however, we notice the sore affliction that has befallen this venerable seminary, in the loss by death of the beloved professor, Dr. J. F. Latimer, and of Dr. Charles White, secretary and intendant. The board has transferred Prof. C. Johnston to the chair made vacant by the death of Dr. Latimer, and unanimously elected the Rev. Dr. E. H. Barnett of Atlanta, Georgia, to the chair of English Bible and Pastoral Theology. By this action it is hoped that both positions will be filled at once with accomplished professors.

The Assembly notices with regret in the report of this Board the statement that some of the students left the seminary during the session upon insufficient reasons. The attention of the Presbyteries is hereby called to this evil, and they are urged to use their authority to correct it.

II. COLUMBIA THEOLOGICAL SEMINARY.

It is very gratifying to read the Annual Report of the Board of Directors of this venerable Seminary: There have been twenty-eight students in attendance during

the year, and the information already received indicates a larger attendance next year. Six students completed the full three-years' course. The finances of the Seminary are in good condition, and a goodly number of excellent volumes has been added to the library. It is the purpose of the Board to place an agent in the field to increase the endowment fund, so that two more professors can be added to the present corps of instructors. The financial agent will also have in charge the collection of funds to erect a fire-proof building for the valuable library of the Seminary. The Assembly would express the hope that the friends of this noble institution, which has done so much for the church in the past, will cordially and efficiently co-operate with the Board in carrying into effect these cherished purposes.

III. TUSKALOOSA INSTITUTE.

There have been twenty-two students in attendance during the year, and four received certificates of graduation.

A Board of Directors was organized by the Executive Committee, consisting of five members, and met for the first time June 4, 1891.

It has not been found expedient to attempt to organize a separate department for preparatory instruction, as authorized by the Assembly. On this subject the Faculty in their report make the following suggestion: "Nothing remains but that the Presbyteries be required, before they send their candidates to us, to assure themselves by personal examination, that they read intelligently, write legibly, and understand, at least, the four primary rules of arithmetic." In this conclusion the Assembly expresses its concurrence, and hereby calls the attention of the Presbyteries to the matter.

IV. OTHER SEMINARIES.

There are several established literary institutions within our bounds, Presbyterian in origin and patronage, but not officially known to this body, which have theological departments in their courses of study. There are also one or two theological seminaries, under Presbyterian or Synodical control, that send to the Assembly no annual reports. In order that there may be uniformity of practice and that the "supervisory jurisdiction," expressly claimed by the Assembly (*Presbyterian Digest*, p. 264), over these corporations may be maintained, it is the sense of the Assembly that it is proper that reports, similar to those received from Columbia and Union Seminaries and Tuskaloosa Institute, be furnished annually to the General Assembly by the schools of theology at Richmond, Ky., Clarksville, Tenn., Batesville, Ark., and Austin, Texas; and that the Synods or Presbyteries, responsible for the institutions, be urgently recommended to have such reports forwarded; and that the Stated Clerk furnish a copy of this action to these bodies.

The report of the Standing Committee on Education was received, and made the first order of the day for this afternoon.

The unfinished business, the consideration of the report on colored evangelization, was taken up *seriatim*, amended, adopted as a whole, and is as follows:

The Standing Committee on Colored Evangelization submit the following report:

the only papers that have come into the hands of this committee are the annual report and the records of the Executive Committee on Colored Evangelization.

We have examined the minutes of the Executive Committee, and recommend approval.

We humbly acknowledge the blessing of God, and the manifest guidance of the church by his Holy Spirit, in the work of evangelizing the colored people in the bounds of this Assembly during the last year, and have great cause for thanks to God for the progress that has been made in the work, in this long-extended part of his vineyard; and would recommend as follows, as to the matters mentioned in the report of the Executive Committee:

We earnestly commend the zeal, energy and faithfulness of the Executive Committee, and the secretary, Rev. A. L. Phillips, in the discharge of the labors and responsibility placed upon them by the Assembly.

Day of Prayer.—We recommend that the first Sabbath of December next be set apart as a day of prayer for this cause, and according to a programme suitable for the occasion, to be suggested by the secretary, and used by pastors and sessions of churches.

Plan of Organization.—We recommend that the plan of organization suggested by the Executive Committee be adopted, and that all the Synods and Presbyteries be urged to co-operate in the work by the appointment of permanent or temporary committees in accordance therewith. It appears from this report that thirty-nine Presbyteries and a few Synods have as yet appointed committees on this matter.

Needs of the Work.—To set forth the needs of this work, we deem it sufficient to call the attention of each member of this Assembly to the financial, moral, and spiritual destitution of the colored people in his own field of labor; and to the consideration of how little has been done by organized efforts to bring them into the light of the gospel of Christ.

The General Assembly at its last session asked the churches for \$20,000 for this

To this call responses came to the amount of \$9,681.32. This from all sources—churches, Sunday-schools, societies in the churches, and miscellaneous sources, including two legacies. From the showing of the committee the work cannot be successfully carried on without more liberal support from the churches. We therefore recommend that the Assembly again ask, in urgent appeal to the Synods, Presbyteries, and churches for a greater awakening in this behalf, the sum of \$20,000 for the work of colored evangelization.

We recommend the election of the following, as the Executive Committee: C. A. Stillman, D. D., E. H. Sholl, M. D., Hon. J. W. Lapsley, Rev. L. S. May, D. D., Rev. H. K. Walker, Rev. T. C. Whaling, Rev. J. A. Bryan, M. A. J. H. Miller, and Gen. R. D. Johnston, with Rev. A. L. Phillips, Secretary. We recommend the adoption of the Manual of Rules of the Executive Committee, set forth in the report of the committee on pp. 20, 21, 22, together with the laws of Tuscaloosa Institute, set forth on p. 23 of said report, except that Article VIII. of the Manual of Rules be amended by adding thereto the words, 'subject to the approval of the General Assembly at its next succeeding meeting.' We commend the approval of the report of the Executive Committee, except as much of it as has been altered by the above recommendations.

Your Committee further recommend that, inasmuch as the Presbyterian churches in the United States of America, and our own are operating in behalf of the colored people, in some of the same States, and often in contiguous territory; and

The Special Committee on the Sabbath would respectfully report that the following papers have been submitted to their consideration:

1. The report of the Permanent Committee on the Sabbath.
2. An overture from the Presbytery of St. Louis asking that the Assembly take some proper action on the closing of the Columbian Exposition on Sunday, and formulate the sentiment of our people on the subject.
3. An overture from the Presbytery of Brazos asking the Assembly to petition Congress to have the Columbian Exposition closed on the Sabbath.
4. The third annual report of the American Sabbath Union for the year 1891.
5. A letter from Rev. H. H. George, D. D., field secretary of the American Sabbath Union, asking co-operation with that body, and expressing regret that he was providentially prevented from attendance in person upon the Assembly.
6. A blank draft of a paper sent to every member of Congress by Rev. Dr. A. W. Pitzer, president of the Evangelical Alliance of Washington, D. C., setting forth reasons why Congress should attach to any appropriation made to the Columbian Exposition a proviso to close the Exposition on Sunday.
7. A memorial from the Presbytery of Washington to the Northern General Assembly on the closing of the Columbian Exposition on Sunday.

In view of all these papers and of the present condition of this question, we recommend the following action:

I. The General Assembly solemnly declares its unalterable conviction of the sanctity of the Lord's Day as the Christian Sabbath, and utters a protest against its profanation by individuals or communities by making it a day of secular business or worldly amusement. It affectionately warns our people against a desecration of this holy day by visiting, pleasure-driving, traveling, frequenting the post-office, and reading secular literature.

II. The General Assembly directs the Moderator and Stated Clerk, in the name of one hundred and seventy-five thousand members and seven hundred thousand adherents whom it represents, scattered all over the southern portion of our land, to protest again before the managers of the Columbian Exposition against the opening on the Lord's Day, and also to petition the Congress of the United States to use its authority to the same end.

III. The General Assembly nominates the following to continue as its representatives in the American Sabbath Union: Rev. M. D. Hoge, D. D., Richmond, Va.; Rev. W. T. Thompson, D. D., Charleston, S. C.; Rev. B. Q. Mallard, D. D., New Orleans, La.; Rev. T. D. Witherspoon, D. D., Richmond, Ky.; Rev. G. B. Strickler, D. D., Atlanta, Ga.; and Rev. James Stacy, D. D., Newnan, Ga., as chairman. The Assembly further declares its sympathy with the purpose of the American Sabbath Union, as set forth in its constitution, namely, to preserve the Christian Sabbath as a day of rest and worship, by gathering and diffusing information, publishing documents, using the press, causing public addresses to be made, and using such other means as shall be expedient and proper.

IV. The Assembly expresses its sense of loss to the church on earth in the death of Ruling Elder William A. Moore, late of Atlanta, Ga., a friend of the Sabbath and an efficient member of the Permanent Committee. Revs. James Stacy, D. D., H. Barnett, D. D., G. B. Strickler, D. D., and Ruling Elders W. C. Sibley, Augusta, Ga., and John A. Barry, Atlanta, Ga., are appointed the Permanent Committee on the Sabbath for the present church year.

Respectfully submitted,

J. A. QUARLES,
T. B. LUNSFORD,
GEO. E. DENNIS.

The Judicial Committee reported as follows on the complaint of the Presbytery of Missouri against the Synod of Missouri:

The Judicial Committee respectfully submit to the General Assembly the following report:—

The only paper placed in the hands of your Committee is what purports to be a complaint of the Presbytery of Missouri against an action of the Synod of Missouri its last session.

Upon examination of the paper, however, your Committee find, not only that it is not authenticated by the Stated Clerk of the Presbytery, or any other officer of that body, but that, in point of fact, it was never before the Presbytery for action, having been drawn by a committee, but never submitted to Presbytery for adoption. The complainant not being, therefore, by any official action of its own, before the Assembly, there is no proper ground for judicial process; and your Committee recommend that for this reason the case be dismissed.

Respectfully submitted.

The Committee on Bills and Overtures made the following report on overtures from the Synod of North Carolina and the Presbytery of Roanoke in reference to the rental of manses:

Overtures from the Synod of North Carolina and the Presbytery of Roanoke, touching the inconsistent action of the Assembly in regard to the matter of including the rental value of the manse, if one be provided, in the report of pastors' salary paid. We recommend the following answer: The inconsistency is only seeming; the action of the Assembly in the report of the Standing Committee on Publication, which declines to append a note to its statistical forms, instructing sessions to include the rental value of the manse in the report of salary paid—while the action of the Assembly in the report of the Committee on Bills and Overtures requires that the

rental value of the manse should be included in the report of salary paid. The latter therefore is the rule of the Assembly.

The report of the same committee on an overture touching the title, was adopted, and is as follows :

R. G. BRANK, *Chairman*.

The report of the same committee on an overture from R. P. Kerr, D. D., was docketed.

The Assembly had recess until 3 o'clock P. M.

3 o'clock P. M.

The Assembly met, and proceeded to the order of the day, namely, the hearing of the report of the committee on the report touching an independent colored Synod. The report was adopted, and is as follows:

The Committee to whom was referred the report of Rev. A. L. Phillips, commissioner to attend to the organization of an independent colored Synod, presents the following report, which was unanimously adopted by the Committee.

Whereas, it has been the settled policy of our Church, expressed by the General Assembly of 1874, namely: "Presbyteries and sessions are recommended to encourage and aid in the formation of colored churches, * * * with a view to form these churches in due time into presbyteries, as convenience may dictate." When two or more of such presbyteries shall exist, they may unite to form a synod, as was the case in our own history. This may for a time be their highest effort. A time, however, may arrive, from the increase in the number of its churches and presbyteries, when said Synod may find it expedient to divide, and combine in a General Assembly"; and

Whereas, we find that in the development of this plan there are now five presbyteries, about forty ministers, fifty-five churches, and about thirteen hundred communicants; therefore we recommend—

(1), That the report of the Rev. A. L. Phillips, commissioner, be approved, and printed in the Appendix to the Minutes for information.

(2). That in order to give our colored brethren and churches more time to consider the plan of our Church as outlined above, Rev. A. L. Phillips be appointed commissioner of this Assembly to bear to these brethren its fraternal greetings, to express to them its confident hope that in the providence of God the time will soon arrive when they can unanimously and cordially unite to form an independent church, and to assure them that this Assembly renews its pledge of financial and educational support, and its willingness to enter into correspondence with said church.

(3.) That Rev. Messrs. C. A. Stillman, B. M. Palmer, J. B. Mack, J. L. Girardeau, J. H. Alexander, H. R. Raymond, W. H. Leavell, and A. L. Phillips, with ruling Elders E. H. Sholl, J. W. Lapsley, R. D. Johnston, G. W. Scott, and W. Inman, be appointed a committee to call a convention of all the colored

Presbyterian ministers in our bounds, to meet at Birmingham, Alabama, on a day to be selected by Rev. A. L. Phillips, commissioner, to confer with them about organizing an independent Presbyterian Church, and any other matter pertaining to the best interests of Presbyterianism amongst the colored people. Said commissioner is authorized to collect funds to pay the necessary expenses of all colored ministers under our jurisdiction, or that are aided by our Executive Committee of Colored Evangelization, in attending this convention.

Respectfully submitted,

J. B. MACK, *Chairman.*

"JAMES P. SMITH, *Stated Clerk.*"

Recommended that it be answered, granting the request.

WM. N. SCOTT, *Acting Chairman.*

The same committee made a report on an overture respecting the levying of a tax upon the churches, which report was adopted, and is as follows :

Overture from the Presbytery of Florida, as to the right of Synod to *enjoin* an assessment upon Presbytery for the benevolent causes of the Assembly.

Answer : That it has no such constitutional right.

WM. N. SCOTT, *Acting Chairman.*

The same committee made a report on an overture asking the meaning of the phrase "baptized non-communicants," which report was adopted and is as follows :

The Presbytery of Bethel respectfully overtures the General Assembly to interpret the meaning of the words "baptized non-communicants," in the statistical tables.

1. Should a church under these words report all baptized children not yet come to the age of discretion only ?
2. Should non-communicants of all ages, baptized in its folds and living in its bounds, be included ?
3. Should those living in the bounds of a church recognized as belonging to a congregation, known to have been baptized in other Presbyterian churches, be included ?

WILLIAM N. SCOTT, *Acting Chairman.*

The same committee made a report on overtures respecting Young People's Societies, which report was adopted, and is as follows:

On overtures from the Synod of Texas, and the Presbytery of Brazos, on the subject of "Young People's Societies," for the enlistment of the young in active Christian work, the following action is recommended to the Assembly, viz.: (1), the Assembly would encourage the formation of such societies by our church sessions and under their immediate care (Rules of Discipline Ch. 2, § 2, No. 147), and advise that sessions have a wise oversight of the literature read by them; (2), that in view of the importance of wise and carefully considered action in this matter, the Assembly appoints Rev. C. R. Hemphill, D. D., Rev. John F. Cannon, D. D., Rev. Jere. Witherspoon, D. D., and Elders James V. Brooke, of Virginia, and A. J. Adams, of Nashville, Tenn., as an "*ad interim*" committee to consider the whole matter contained in these overtures and to report to the next Assembly.

WILLIAM N. SCOTT, *Acting Chairman*.

It was made the first order of the day for to-morrow morning, to consider the answer of the Committee on Bills and Overtures to the overture touching the elements to be used in the administration of the Lord's Supper.

The Assembly resumed the unfinished business, the consideration of the report of the Standing Committee on Education, which report was amended and adopted, and is as follows:

REPORT OF THE STANDING COMMITTEE ON EDUCATION.

(1.) The General Assembly gratefully acknowledges the blessing of God upon its work during the last year; heartily commends the fidelity and diligence of the Secretary, as manifested by the report of his labors, which was laid before the Assembly; returns thanks to the committee for its wise and successful management of the work recording special obligations to the treasurer, G. W. Macrae, for important pecuniary aid.

2.) The minute book of the Committee was examined, and the neat and legible manner in which it is kept is found worthy of special commendation.

3.) That the wisdom of the last Assembly, in calling for the whole time of the Secretary, has been justified by the facts of the committee's report.

4.) The report shows that the committee has received from all sources the sum \$24,820.80; which is a gain of \$3,359.21 on the receipts of the previous year. That the total number of candidates aided is 246; seventeen more than was reported last year.

5.) That the Ladies' Societies of the First Church of Atlanta, First Church of Boston, and the Franklin-Street Church of Baltimore, deserve special mention and rendered, while their example is commended to the consideration of like societies in all our churches.

RECOMMENDATIONS.

1.) That in view of the fact that the appropriations made to students are, in many cases, too small; that there exists a deficit of \$455 in the treasury, and that an increased number of beneficiaries is expected as the result of the labors of the Secretary, the Assembly urges the presbyteries and churches to make a diligent

effort to raise \$30,000 for the use of the committee for the ensuing year, and that the committee apportion this amount among the several presbyteries.

(2.) The Assembly urges the presbyteries to devise some special means for effectively presenting this cause, in its various relations, to all their churches.

(3.) In view of the great demand for candidates, and the insufficient supply of funds, the Assembly would call attention to the propriety of organizing and fostering presbyterial schools, through which it is hoped that more of our youth shall be encouraged to enter upon the ministry. All the agencies of the Church entrusted with this work are hereby urged to put forth more earnest efforts than ever before; and that the fourth Thursday of February be faithfully observed as a day of prayer for the youth in our schools and colleges.

(4.) That the Executive Committee be reappointed, except that the name of Rev. J. H. Lumpkin be substituted for that of Rev. F. L. Ewing, D. D., on account of convenience in attending upon the meetings of the committee: Rev. E. M. Richardson, D. D., Secretary; G. W. Macrae, Treasurer; Rev. N. M. Woods, D. D., Rev. J. H. Boyd, Rev. J. H. Lumpkin, Rev. W. McF. Alexander. S. P. Read, T. H. Rice, H. M. Neely, Thomas Wellford, and John Johnston.

With reference to the paper that was referred to the committee, designed to protect the educational fund against unnecessary claims, it is decided, that the form of application for aid is a sufficient guard against abuses in this direction; and to which the attention of presbyterial chairmen is especially called. But the presbyteries are exhorted to exercise a careful oversight over all applications for such aid, to the end that abuses do not arise.

In regard to the second paper requiring the committee to consider certain changes in the policy of the committee in the matter of appropriations, it is recommended that the Assembly deem it inexpedient to interfere at this time with the plan in operation.

By order of the Committee,

D. A. PLANCK, *Chairman*.

The Assembly proceeded to the second order of the day, the consideration of the report of the Standing Committee on Foreign Missions. The report was taken up *seriatim*, and its consideration was arrested by the arrival of the hour for recess.

The Assembly had recess until 8 o'clock P. M.

8 o'clock P. M.

The Assembly met.

The Committee on Bills and Overtures made a report on a number of overtures relating to licensure and ordination, which report was put upon the docket.

The same committee, on an overture respecting the elder quorum, reported again the answer which had been recommitted to them, which was adopted, and is as follows:

Overture of W. I. Sinnott prays the Assembly to send down to the Presbyteries for their advice and consent to the same an amendment of the language of No. 63 of the Book of Church Order (Chap. 5, § 3, Par. 1, of Form of Government). The amendment consists in the substitution of the words "if there be more than this number," for the words "if there be so many," correcting the amended paragraph so as to read as follows: "Two ruling elders, if there be more than this number, with the pastor, if there be one, shall be necessary to constitute a quorum; but the pastor and one elder may constitute a quorum in cases where there are only two elders. The committee recommend that the prayer be granted, and the amendment sent down as proposed.

ROBERT G. BRANK, *Chairman*.

The special order, the consideration of the report of the Standing Committee on Home Missions, was taken up. The report was considered *seriatim*. Pending this business the Assembly adjourned until 9 o'clock to-morrow morning.

Closed with prayer by the Rev. S. M. Neel, D. D.

We submit for adoption by the Assembly the following answer to the said letter:
To the Rev. Alan D. Campbell, New Brunswick, N. J.

REVEREND AND DEAR BROTHER: We sincerely regret that it has been impossible for you to attend this meeting of our General Assembly, as the representative of the General Synod of the Reformed Church in America. We would have gladly welcomed you among us. We would have loved to see your face and hear your voice; and we feel that your unavoidable absence has been a loss to us. We thank you for the fraternal greeting of your Church, conveyed in your letter, and for the assurances of your interest in our success and prosperity as a Church.

We beg you to extend a similar greeting to the General Synod of the Reformed Church in America. We need not assure you that we feel a profound respect for your venerable Church as a standard-bearing, witnessing Church. We not only reverence you for your historic character, but we are bound to you by strong fraternal sympathy and regard. "May the Lord Jesus Christ himself, and God, even our Father, which hath loved us, and given us everlasting consolation and good hope through grace, comfort your hearts, and stablish you in every good word and work." JOSEPH R. WILSON, *Stated Clerk*.

Your committee would further report that they have duly considered the earnest and eloquent letter of Rev. Theophilus Gay, D. D., and the accompanying certificate of his appointment to represent the Vaudois Church in this General Assembly.

(1.) With reference to the appeal which Dr. Gay makes to us, in behalf of the Waldensian Church, that we should take a share in the evangelistic work in Italy, in which that Church is engaged, your committee find that the subject has already been before our Executive Committee of Foreign Missions, and has been acted on by that Committee after full conference with Dr. Gay. We recommend, therefore, only an expression of our deep interest in the work.

(2.) We recommend the adoption of the following answer to Dr. Gay's letter:

To the Rev. Theophilus Gay, D. D., San Francisco, Cal. :

REVEREND AND DEAR BROTHER.—We truly reciprocate your regret which, like yourself, we are unable fully to express, on account of your inability to attend the meeting of the General Assembly of our Church at Hot Springs, Ark., and to convey in person, as delegate of the Waldensian Church of Italy, the fraternal salutations of that ancient, tried, loyal, and faithful Church.

We heartily respond to the wish that the fraternal relations, which have always existed between your Church and ours, may now become more intimate and active. We congratulate you on your evangelistic work in Italy; on your having so great a vocation; and on the success which has attended your efforts. Please assure the Waldensian Church of Italy of our fraternal sympathy. We can never think of your past trials and your heroic constancy without reverence and emotion.

[Signed,]

S. A. KING, *Moderator*.

JOSEPH R. WILSON, *Stated Clerk*.

Your committee further reports that, having examined the "memorial of the National League for the Protection of American Institutions," asking the thoughtful consideration of this Assembly to a proposed additional amendment to the Constitution of the United States, regardless of our private opinions as to the subject matter of the communication, would respectfully recommend that no formal action be taken by the Assembly.

The latter has been audited and duly certified to by a committee from the Board of Trustees, also certified reports from the Auditing Committees on the accounts of the Secretary and Treasurer of Education and Treasurer of Publication, that the accounts are correct and sustained by proper vouchers; and as the time of office of the following trustees will expire with this meeting of the Assembly, namely, Rev. The report of the Committee on the Records of the Synod of North Carolina was received and put upon the docket.

The unfinished business, namely, the consideration of the report of the Standing Committee on Home Missions, was resumed. It was arrested by the arrival of the hour for recess.

The Assembly had recess until 2:30 o'clock P. M.

2:30 o'clock P. M.

The Assembly met.

The order of the day was suspended to hear a report from the Standing Committee on Home Missions on an overture touching amity and comity, which report was adopted, and thereupon the report of said Standing Committee was adopted as a whole. It is as follows:

Your committee has considered the overture from St. Johns Presbytery, of the Synod of Florida, touching the question of co-operation of said Presbytery, in its Home Mission Work, with the East Florida Presbytery, which is under the care of the Northern Presbyterian Church, asking that this Assembly call the attention of the General Assembly of the Presbyterian Church in the United States of America to the fact that articles of amity and comity have been agreed upon by the two presbyteries, in accordance with the action of both Assemblies in 1889, and that the practical co-operation aimed at is defeated by the Home Missionary Board of the Northern Church failing to pay their usual apportionments to their weak churches when they are supplied by ministers of the Southern Assembly.

In answer to this overture, this Assembly courteously calls the attention of the Northern Assembly to the now equitable appropriation of Home Missionary help to the ministers supplying jointly churches of the two branches, and to the fact that the rules of its Board of Home Missions, as construed by that Board, give assistance only to *ministers* holding connection with their own presbyteries, whereas the rules of the Executive Committee of Home Missions of the Southern Church allow that help be extended to weak churches in our own ecclesiastical connection, whether supplied by a minister of the Northern or Southern Assembly.

Your committee would recommend that the Stated Clerk be authorized to communicate this action at once to the General Assembly of the Presbyterian Church in the United States of America, leaving it to that body to take such action as it may deem best to correct this defect in the plan of co-operation in Home Missionary Work agreed upon by the Assemblies in 1889.

REPORT OF THE STANDING COMMITTEE ON HOME MISSIONS.

To this committee were referred the annual report and the records of the Executive Committee.

I. We recommend that the Assembly approve the diligence and fidelity of the Committee. Its minutes have been carefully examined and approved.

II. With devout thankfulness we would recognize the liberality and christian

it of departed friends who gave valuable legacies to different branches of this at work.

II. We recommend that the rules adopted by the Executive Committee for the management of the legacy of \$5,000 left by Mr. William A. Moore, of Atlanta, for church erection cause, be approved.

V. The Assembly takes pleasure in the work done in behalf of church erection, hundred congregations having been aided in three years in the erection of much needed buildings; part of the assistance thus rendered has been in the shape of loans without interest, and as these are debts of honor, we approve the action of the committee in declining to remit them in the few cases where they have been requested to do so. This cause is heartily commended to our Christian people as one eminently worthy of their aid, and the Church at large is asked to contribute at least \$10,000 for this cause at its next February collection.

We have examined into the action of the Executive Committee in its appropriations for the evangelistic and sustentation causes. With the uncertainties of present situation of affairs in the Church, the committee, we think, has prudently refrained from making absolute promises as to the amounts to be paid to evangelists in July, and to the beneficiaries of our Sustentation fund in October, because those payments must depend entirely on the income from the June and August collections.

In reference to this matter the Assembly would say:

a.) That our work in the Choctaw Male Orphan Academy is heartily approved.

b.) That our more than forty evangelists at work in twenty-seven Presbyteries during the six months, March to September, 1892, one of whom works among the Cherokees, and eleven missionaries and teachers among the Indians, are the representatives of our whole Church, bearing the heat and burden and hardships of the most aggressive missionary work, undertaken to do; and our more than one hundred and eighty ministers in charge of weak churches and groups of churches, are also representatives of our whole Church in its effort to build up Christ's kingdom, by preaching the gospel to the poor, and by endeavoring to build up churches in the new, the weak, and the destitute fields.

c.) Fifty-five Presbyteries are working together on the Assembly's preferred plan in Evangelistic work, and fifty-seven Presbyteries are doing the same in Sustentation work.

From all appearances it now looks as if the receipts in the next few months will be sufficient to meet the demands, unless a vigorous effort be made on the part of our entire Church to meet the case. In view of these facts the Assembly now, in the most serious consideration, does hereby solemnly send out its appeals:

d.) To all pastors, elders and deacons in the Presbyteries above mentioned, that we are bound by every sense of obligation to Christ and to our brethren that \$12,000 needed in June, and the \$18,500 needed in August to support evangelists, missionaries, and sustentation beneficiaries (to the end of their active years), shall be raised, and this Assembly now sends forth its most earnest appeal to all its pastors and church officers in those Presbyteries to see to it that their people be fully informed of the situation, and earnestly asked to take those collections in June and in August, to have their people give liberally and promptly, to reward the same to the Assembly's treasury in Atlanta, that those earnest servants of God may not be allowed by our Church either to abandon their work or to stop for lack of support while performing that work.

(2.) The Assembly adds this statement, that this is not the appeal of the Assembly's committee, but it is the appeal of the Assembly itself, calling the attention of its churches to a duty and a need which are immediately pressing and which admit of no delay.

(3.) The Assembly also asks the especial attention of many christian people in our Church, whom God has blessed with financial ability, and suggests to them that if they can see their way clear to assist this work in its present hour of need, the Assembly will appreciate their action, and trusts that they will find a great blessing as they render this service.

(4.) This appeal is also extended to the Presbyteries which do not use the Assembly's treasury on the Assembly's preferred plan, but which propose to aid in some other way. They are asked to give that aid *now*, if possible, in June and in August.

VI. As to harmonizing Synodical and Assembly's plans, which we are asked to do by an overture from the Presbytery of North Alabama, the Assembly replies, the Synodical movements are not uniform but varied, and the Assembly hereby directs that the Moderator of this Assembly, Rev. S. A. King, D. D., as Chairman, and the Secretary of Home Missions, Rev. J. N. Craig, D. D., and thirteen others to be appointed by the Moderator, shall be an *ad interim* committee to give this whole question of the local and general, or united Home Mission Work, a full and careful investigation, and report to the next General Assembly whether or not any, and if any, what, change of methods in work would be wise.

VII. That in the meantime the Presbyteries of the General Assembly be urged by this Assembly to unite earnestly, harmoniously, and vigorously upon the Assembly's present plan of conducting Home Mission Work. It is very important for the present work of the Church that the plan we have shall be adhered to heartily by all, until it is changed by the Assembly, if changed at all.

VIII. The Assembly further suggests that if any Synod shall choose to do its work through the Assembly's Treasurer of Home Missions it can do so, and the Assembly's Treasurer and the Central Committee are directed to keep the account with the Synod as it keeps an account with a Presbytery.

IX. That it has been the policy of the Assembly in the past to rely upon the pastors, elders, and deacons of churches under God, to develop the graces of those who are under their care, and to bring their churches systematically into the work of the Assembly by contributing regularly of their means as God has prospered them, and it is the judgment of this Assembly that no lower court ought to appoint any financial agents to work in behalf of the Assembly's causes as assigned by the Assembly to its Executive Committees, except that this shall not hinder the chairmen of presbyterial committees in the discharge of their proper duties in the months assigned to their work.

X. The Assembly is gratified to find that the Invalid Fund has been sufficient during the past year to pay all beneficiaries in full, and hopes that the next July collection will be sufficient to meet the wants of another year.

XI. *The Home Missionary* has done a good work, and is commended to our people, and suggests to the committee its enlargement and increased rate of subscription.

XII. The Executive Committee is authorized to apportion among the co-operating Presbyteries the sum of \$10,000 for Church Election, \$35,000 for Sustentation, \$30,000 for Evangelistic and Indian work, \$20,000 for the Invalid Fund, and the Presbyteries are asked to try to raise these amounts.

XIII. In answer to the overture from the Presbytery of Eastern Texas, the Assembly does not see its way clear to propose a change in the practice of the Committee allowing Presbyteries to draw out their own contributions if needed during the year, but the Assembly hereby urges the older and stronger Presbyteries vigorously to endeavor to send more than they will need to draw, that the weaker fields may be cared for.

XIV. We recommend the appointment of the following Executive Committee for the ensuing year: Rev. J. N. Craig, Secretary; W. A. Powell, Treasurer; Rev. G. B. Strickler, Rev. E. H. Barnett, Rev. F. H. Gaines, Rev. T. P. Cleveland, and Messrs. S. M. Inman, M. A. Candler, Geo. W. Scott, D. A. Beattie, and John C. Kirkpatrick.
J. H. ZIVLEY, *Chairman*.

The Report of the Standing Committee on Publication was then taken up, considered *seriatim*, amended and adopted, and is as follows:

There were placed in our hands the annual report of the Executive Committee of Publication, and also overtures from the Presbyteries of Winchester, Greenbrier, Nashville, North Mississippi, and Mecklenburg. The annual report calls attention to Colportage, the Depository, our Sunday-school papers, and the Bible and Shorter Catechism; while the overtures call attention to our Hymn-Book, and the editing of the Minutes of the General Assembly.

COLPORTAGE.

The Assembly of 1891 recommended that \$20,000 be raised for the work of Colportage, but only \$8,517.20 was contributed. In consequence of this deficiency, this very important work has been crippled, and the number of colporteurs reduced from twelve to six. If our Church is to grow in numbers and spiritual power, we must make known to our people the true interpretation of God's Word, and one great method of doing this is through our Church publications, and it is mainly by Colporteurs that these can be distributed. Hence we recommend—

1. That the Executive Committee be directed to push the work of Colportage as far forward as they possibly can with the means at their disposal.
2. "That special effort be made during the ensuing year to raise the amount of \$20,000, and that the Executive Committee of Publication be directed to apportion this amount among the Presbyteries, and that the Presbyteries be directed to apportion the amount among the churches."
3. That the Synodical committees only recommend men as colporteurs, leaving to the Executive Committee to employ them.
4. That, while working in any Presbytery, the colporteur shall be under the direction of the Colportage Committee of that Presbytery.
5. That all of our Presbyteries be requested to give special attention to this work during their fall meetings, and to appoint an efficient committee on Colportage.
6. That the recommendation of the last Assembly be reiterated, viz., that the Committee of Publication be directed to take into consideration the expediency of appointing a General Superintendent of Sabbath-schools, and to appoint such person, if practicable, in connection with the work of Colportage.

THE DEPOSITORY.

The report says: "The largest sales ever made by the Depository have been made during the past year." This is very encouraging, when we consider the

depressed financial condition of the country. Several new books have been published, and soon a new Sabbath-school singing book, specially adapted to the wants of our schools, will be issued. This should be a matter of rejoicing, for in a day when of making many hymn-books there seems to be no end, it is very desirable that there should be one Sunday-school Hymn Book that our people can feel is our own—one especially desirable for use in our rural districts and in our families.

As the members of the Executive Committee of Publication do a great deal of gratuitous work, in carefully examining manuscripts presented for publication, we recommend that, as a token of our appreciation of such service, one copy of each book *hereafter* published by our Committee be presented to each member of said Committee.

SABBATH-SCHOOL PAPERS.

The report says: "There has been a steady increase in the subscription list, both of *The Earnest Worker* and *The Children's Friend*," In reply to the overture from the Presbytery of North Mississippi we call attention to the fact that the Committee have improved these papers, and other improvements are contemplated.

The number of all periodicals issued during the year is as follows:

Earnest Worker,	150,000
Children's Friend,	1,010,000
Lesson Papers,	1,800,000
Quarterly,	75,000
Primary Papers,	920,000

BIBLE AND SHORTER CATECHISM.

The report says: "With the approval of the last General Assembly, the Executive Committee made public early in the last year a proposal to give to every child, who should commit to memory and recite perfectly the Westminster Shorter Catechism, a handsome pocket Bible." In view of the benefits of such a way of encouraging the study of God's word as interpreted by our Church, we recommend that the Executive Committee be instructed to give a Bible, or some suitable book on Presbyterian history, to every child who shall commit to memory and recite perfectly the Shorter Catechism, and a New Testament, or some suitable book on Presbyterian history, to every child who shall commit to memory and recite perfectly the Introduction to the Shorter Catechism.

HYMN BOOK.

In response to the overtures of Winchester, Nashville, and Greenbrier Presbyteries, we recommend—

1. That the matter of the Church Hymn Book be referred to a special committee, to take under consideration the whole question of the revision of the present book, or the preparation of a new one, and report the result of its deliberations to the next General Assembly for its approval, the committee to be composed of one member from each Synod, to be nominated by the Presbyterial Commissioners of the respective Synods, and appointed by the Assembly.

2. That the matter of the renewal of the contract with the Century Company be referred to the Executive Committee of Publication.

MORE CAREFUL EDITING OF MINUTES.

In answer to the overture from the Presbytery of Mecklenburg as to the more careful editing of the Minutes of the Assembly, especially in respect to the statistical tables, we recommend that the Assembly request the Stated Clerk to edit the

minutes so as to arrange these tables in order that they "can be confidently consulted with ease and facility," and that any change necessary, if it require the enlargement of the page, be made at the beginning of the next volume.

We recommend that the following persons be appointed the Executive Committee for this year: James K. Hazen, D. D., Secretary and Treasurer; M. D. Oga, D. D., Charles H. Read, D. D., W. T. Richardson, D. D., W. A. Campbell, D. D., J. W. Rosebro, D. D., R. P. Kerr, D. D., Rev. J. P. Gammon, R. A. Lanster, B. R. Wellford, W. W. Henry, M. M. William, and W. C. Preston.

Respectfully submitted,

J. B. MACK, *Chairman.*

The report of the Standing Committee of Foreign Missions was taken up, considered *seriatim*, amended and adopted, and is as follows:

REPORT OF THE STANDING COMMITTEE ON FOREIGN MISSIONS.

We note, with gratitude to God, the fact that the income of the Foreign Missionary department of our Church's work during the twelve months ending March 31, 1892, has amounted to \$130,276.32, which is \$17,224.83 in advance of the receipts of any previous year, and this notwithstanding the general depression of the financial interest of the country. The committee has been able to maintain the work abroad, and to send out additional laborers into the foreign field. Though they have wisely, as we believe, discontinued the mission in Salonica, Turkey, they have taken steps to establish a new mission in Korea, and now have under appointment six missionaries who expect, during the summer, to sail for that interesting country.

It is with profound sorrow that we have heard of the removal by death of the Rev. Edward Lane, D. D., the Rev. S. N. Lapsley, and Miss Carrie Cunningham, the first, an honored veteran laborer in Brazil, the second a noble young soldier of the Cross who had just begun his work in the Congo Free State, and the third a truly christian lady who was striving for the salvation of the lost in South America. We are confident that their lives have not been given in vain, but that God has used them and will make the influence of their self-sacrificing toils to be felt for many years to come. We tender to those most nearly touched by these mysterious dispensations of Providence our sympathy and prayers.

In view of the increased operations of our Foreign Missionary Agency, to which we have been led by the Great Head of the Church, it will be necessary for us to make our utmost exertions to maintain the work, and for our congregations not only to continue their gifts to this cause so near the Master's heart, but to increase them, endeavoring to raise the sum of our contributions to Foreign Missions to \$150,000, during the year upon which we are entering. The necessity of increased earnestness and consecration on the part of our pastors and congregations is the more apparent from the fact that during the first month, April, of the current fiscal year, the receipts of the treasury show a decrease of about \$1,700 as compared with the same month last year. The low prices of many products of the field and factory, as well as the extensive disasters by flood in many of our most fertile tracts, warrant us in calling upon the rich to increase their contributions, and upon the poor to give as they are able, lest this great work suffer curtailment, or fall into financial embarrassment. We urge upon all our pastors and sessions that they bring these matters before their people, young and old, in every wise way,

calling upon every one to practise self-denial in the use of God's temporal blessings, that they may be able to give of their substance in a manner acceptable to him who gave his life for them. This principle of self-denial for the salvation of the lost should be inculcated from the pulpit and at the fireside, as a constant habit of the people of God, as a means of grace to themselves and their children, as well as a duty to Christ, and to those who are dying in heathen countries without the knowledge of his name.

We urge the regular observance of the Monthly Concert of Prayer, the formation, where they do not already exist, of Ladies', Young Men's, and Children's Foreign Missionary Societies, and cordially recommend the plan now in use in many of our congregations, of undertaking the support of one or more of the missionaries in the foreign field. This is the plan of carrying on the work, long maintained in that banner Foreign Missionary Church of the Presbyterian family, the United Presbyterian Church of Scotland, a body about the same size as our own, which gave last year the sum of \$400,000 to Foreign Missions.

It is of very great importance that pastors labor for the extension of the circulation of our excellent monthly magazine, *The Missionary*, among their congregations. There has been a gratifying increase, but we should not be satisfied until this monthly visitor finds its way into every family of our Church.

The observance of *Children's Day*, the last Sabbath of May, as a missionary day, has been adopted by many congregations, and we indulge the hope that this may soon become universal among us.

In view of the reports which come to us from many parts of the unevangelized world, of the appalling effects of the traffic in strong drink carried on by those belonging to our own and other christian nations, among the heathen, we call upon our people to use all their influence against this business, and pray for the suppression of what is so destructive to the souls and bodies of those who look to us for their knowledge of God, and who expect to see in the representatives of christian nations the fruits of that gospel which we preach.

There has come into our hands a courteous letter from the Evangelical Synod of Greece, asking for the transfer to them of the title to the mission property in Salonica, claiming that they would thereby be materially strengthened in their work; and also stating that there is at present a considerable disaffection among a minority of the Salonica congregation, this minority wishing to connect themselves with the Congregational body in Smyrna. The Presbytery of Western Texas also overtures, requesting that this transfer of the Salonica property asked for by the Greek Synod be granted. In view of the state of things in the Salonica church, we recommend that the overture be answered in the negative, and that the request of the Evangelical Synod of Greece be declined for the present. We also recommend that the Rev. Joshua Phipps, our returned missionary, who now holds the title to the mission property in Salonica, be directed to transfer that title to trustees to be appointed by our Executive Committee of Foreign Missions.

The Executive Committee in Nashville having proposed to confer with the Board of Foreign Missions of the General Assembly of the Presbyterian Church in the United States of America, with a view to preparing a plan of co-operation in the Foreign Mission work, the plan to be reported next year to both Assemblies, we recommend that the request be granted, and that the Stated Clerk be directed at once to notify the other Assembly of this action.

We have examined the minutes of the Executive Committee in Nashville, and recommend their approval, except as to the matter of the committee's connection

with the appointment, by the Synod of Georgia, of a synodical agent as secretary of Foreign Missions for that Synod; as contained in paragraphs in the minutes of the committee, found on pages 48 and 49.

We recommend, in accordance with the action of the last Assembly, that the treasurer for the ensuing year "be elected and subject to removal by the Executive Committee, and giving the usual bond for the faithful performance of his duties to the Trustees of the General Assembly."

We recommend that the diligence and fidelity of the Executive Committee be commended, and that the following be appointed for the ensuing year: Rev. M. H. Houston, D. D., Secretary; Rev. D. C. Rankin, Assistant Secretary, and as additional members, the Revs. J. H. McNeill, D. D., Jere. Witherspoon, D. D., J. W. Lupton, D. D., J. H. Bryson, D. D., J. W. Bachman, D. D., W. L. Nourse, D. D., E. A. Ramsey, and Angus McDonald, and Ruling Elders, Messrs. J. B. O'Brian, J. A. R. Thompson, R. J. Gordon, J. W. Frierson, and Z. W. Ewing.

In behalf of the Committee,

ROBERT P. KERR, *Chairman*.

It was made the first order of the day for to-night to hear the report of the Standing Committee on Sabbath-schools, and the second order of the day to consider the report of the Committee on Bills and Overtures on an overture from the Presbytery of Mecklenburg touching Synodical evangelists and financial agents.

The Assembly had recess until 8 o'clock to-night.

8 o'clock P. M.

The Assembly met, the report of the Standing Committee on Sabbath-schools was received and adopted, and is as follows:

REPORT OF THE STANDING COMMITTEE ON SABBATH-SCHOOLS.

There have been placed in the hands of your committee reports from seventy presbyteries. This is one less than reported to the Assembly of last year.

1. These reports show 2,045 schools this year against 1,584 last year, an increase of 461 schools; 17,962 teachers against 14,201 last year, an increase of 3,761 teachers; 145,257 scholars, against 114,577 last year, an increase of 30,680 scholars. Average attendance of teachers, 13,552; of scholars, 94,011; being an increase of teachers 2,952, of scholars 22,067, in average attendance. Admitted to the communion: this year, 5,734; last year, 4,351; being an increase for this year, 1,383.

These reports also show that the Sabbath-schools have raised, since the last report, the handsome sum of \$99,453: for their own use, \$61,743; for other purposes, \$37,710; being an increase in the one of \$12,346; and in the other, \$6,774.

Your committee may venture to assert that, without question, this is by far the most gratifying report on Sabbath-schools ever made to the Assembly since the foundation of our beloved Church. And it becomes this Assembly and the whole church to render to Almighty God special and most devout thanksgiving and praise for this signal blessing bestowed by the great Head of the Church upon this branch of her work.

2. Your committee would respectfully call the attention of the Stated Clerks of presbyteries to the fact that, while many of the reports have been prepared with

great neatness, exactness, and care, some of them, and not a few, are so incomplete, so partially tabulated and added up, so slovenly and indistinctly written, apparently with such hurry and indifference, that a large amount of unnecessary labor has been placed upon your committee. And we pray your venerable body to enjoin upon all these brethren to give that attention and care in the preparation of these reports which their importance demand.

3. A large majority of the schools use the Sabbath-school literature issued by our own Publication Committee. In many the catechisms are taught, and in some, portions of God's word are memorized. Nearly all are under the care and control of our sessions. To these statements there are some exceptions. The children generally attend public worship, and some of our pastors preach specially to the children and some do not. In very few of the schools are collections taken up for the various causes of benevolence recommended by the General Assembly.

4. Your committee would urge the Assembly to emphasize again and again the importance and the duty of our schools using our own church literature.

5. That the Assembly again call the attention of our schools to the order of a previous Assembly, to the effect that the schools be trained to take up collections for the various causes of benevolence under the care of the Assembly.

6. Your committee is led to fear from what they have been able to gather, that the Bible, as such, is disappearing from our Sabbath-schools. The Bible Agent informed us that in visiting churches, he would frequently find no copy of God's Word in the Sabbath-school, except the one in the pulpit. Your committee feel it their duty to call the attention of the Church to this state of affairs, and to ask the Assembly to use all its influence and power to induce our teachers and scholars to take their Bibles with them to the Sabbath-schools and the house of God, and to study the blessed word with the book in their hands, as the Book of God in its entirety, and not in fragments and scraps, or by any substitute. And while your committee is not prepared to suggest any change in or substitute for our international lesson system, at this time, yet it regards it as pertinent to enquire whether this system, so excellent in itself, and serving so valuable a purpose in its time, may not now be modified to great advantage.

7. While your committee cannot persuade itself that a work so gracious, and so signally and frequently receiving the seal of the Blessed Spirit as the Sabbath-school, can prove the *cause* of anything hurtful, nevertheless, your committee thinks it becomes the duty of the Assembly to enquire whether it may not be the *occasion* in some measure of the sad decadence of family religion which the Church so greatly deplures. At any rate your committee feels that the crisis has been reached when it becomes the solemn and imperative duty of the Assembly most earnestly and emphatically to warn our people of the great danger from this direction, and to use all its agencies and powers to arouse the consciences of God's people to the solemn and indispensable duty of family worship and religious training in the household, and not to suffer even the Sabbath-school itself to become a substitute for parental duty and for the religious teaching of their children in the home, inasmuch as God suffers nothing, whether church or state, to interpose between the parent and child, and to relieve the former of his natural and sacred duty to the latter.

ROGER MARTIN, *Chairman*.

The report of the Committee on Bills and Overtures, on an overture from the Presbytery of Suwanee, to consolidate *The Mi-*

y and *The Home Missionary*, was taken from the docket, read, and is as follows: The committee recommend that the same be answered in the negative.

A report of the same committee on the overture respecting legal evangelists and financial agents was taken from the docket, considered *seriatim*, amended by rejecting the answer to the first question, and adopted, and is as follows:

Presbytery of Mecklenburg asks:

1. Do the Scriptures or the Constitution of the Presbyterian Church recognize the office of Synodical Evangelist?

2. Does the Synod have power to inaugurate and maintain evangelistic work in its territories?

Assembly answers both questions:

The Scriptures recognize the office of Evangelist, and the Constitution of the Presbyterian Church authorizes Synod to use them. "The Synod has power . . . to appoint ministers to such work, proper to their office, as may fall under its own local jurisdiction; to concert measures for promoting the prosperity and enlargement of the Church within its bounds." (Book of Church Order, Ch. V., Sec. 4.)

Assembly defines the work, powers, and prerogatives of said office in relation to the territories.

These are clearly defined in our Book of Church Order. (Ch. V., Sec. V., Par. 4.)

Does the Presbytery alone have power to ordain, this does not prevent Synod from ordaining such ordained men.

Does the Synod have any constitutional right authoritatively to make apportionment for Synodical Evangelists upon the Presbyteries?

Answer: Only with the consent of Presbytery.

A Assembly adjourned until nine o'clock to-morrow morning.

Session closed with prayer by the Rev. Dr. Neel.

EIGHTH DAY.

May 27, 9 o'clock A. M.

A Assembly met and engaged in devotional exercises, conducted by the Rev. J. E. Dunlop.

A Minutes of yesterday's sessions were read and approved.

A Committee on Bills and Overtures reported as follows on

an overture from P. R. Law and others, touching the disposition to be made of statistical reports of Presbyteries which have combined collections for the several causes of beneficence :

The venerable General Assembly, in session at Hot Springs, Ark., is by the undersigned overtured as follows :

Please make a deliverance, setting out the disposition that is to be made of the exceptional statistical reports of Presbyteries, like that of Fayetteville, which have combined collections for the Sustentation, Church Erection and Evangelistic Funds into one collection for Presbyterian Home Missions, Synodical Home Missions and General Assembly's Home Missions, severally, so that all collections for the Sustentation, Church Erection, or Evangelistic Funds to be used in the Presbyteries appear as for Presbyterian Home Missions, in the Synod as Synodical Home Missions, in the General Assembly as General Assembly's Home Missions, thereby eliminating the captions in the established blanks of the Assembly's plan, which call for Sustentation, Church Erection, and Evangelistic Fund.

P. R. LAW,
P. C. SHAW.

The Committee recommends the following answer: Inasmuch as the matter to which the overture pertains is part of the subject referred to an *ad interim* committee, to consider and report to the next Assembly, the Assembly declines at this time to make the deliverance requested.

R. G. BRANK.

The report was adopted.

The Assembly appointed the following as the Special Committee on the Hymn Book, of which committee the Moderator, by authority of the Assembly, named the Rev. Dr. Girardeau as Chairman.

Rev. J. L. Girardeau, D. D., South Carolina; Rev. Russell Cecil, Alabama; Rev. R. B. Willis, Arkansas; Rev. S. V. McCorkle, Florida; Rev. J. B. Mack, D. D., Georgia; Rev. C. R. Hemphill, D. D., Kentucky; Rev. E. P. Palmer, D. D., Memphis; Rev. C. E. Cunningham, Mississippi; Rev. W. H. Marquess, D. D., Missouri; Rev. Alexander Cowan, Nashville; Rev. A. D. McClure, North Carolina; Rev. J. M. Cochran, Texas; Rev. Moses D. Hoge, D. D., Virginia.

It was made the first order of the day for this afternoon to consider the report of the Special Committee on the Directory for Worship.

The two reports from the Committee on Bills and Overtures, on an overture respecting the wine to be used in the administration of the Lord's Supper, were taken up, and the majority report was adopted, and is as follows :

The Committee on Bills and Overtures, in response to the overture of Holston Presbytery, touching the Scriptural use of the fermented or unfermented juice of the grape in the Lord's Supper, recommends the following answer:

1. In the judgment of this Assembly, the Scriptural element to be used in the Lord's Supper is the fermented grape-juice.

2. This Assembly would not, however, be understood as declaring that the use of unfermented grape-juice, as conscientiously practised by some of our churches, would necessarily vitiate the validity of the ordinance.

Signed, ROBT. G. BRANK, <i>Chairman</i> ,	JAS. A. LYON,
WM. N. SCOTT,	W. V. FRIERSON,
H. B. BOUDE,	EDW. S. GATCHELL,
W. C. WARDLAW,	ALEXANDER SPRUNT,
T. B. WOMACK,	A. B. CARRINGTON,
C. B. WATKINS,	B. L. HOBSON,
R. T. HART,	J. D. TADLOCK.

The Assembly had recess until 2:30 P. M.

2:30 o'clock P. M.

The Assembly met.

It was made the first order of the day for eight o'clock to-night to consider the report of the Committee on Bills and Overtures respecting licensure and ordination.

The Assembly proceeded to the order of the day, namely, the consideration of the report on the Directory for Worship. A majority and minority report were presented, the latter of which was amended and adopted, and is as follows:

Your Committee on the Answers of Presbyteries in regard to the Directory for Worship beg leave to report that answers have been placed in our hands from fifty-five Presbyteries. Of these forty-two voted to reject the Revised Directory, viz: Abingdon, Atlanta, Augusta, Bethel, Brazos, Chesapeake, Charleston, Concord, Chickasaw, Dallas, Eastern Texas, Ebenezer, Florida, Greenville, Greenbrier, Holston, Knoxville, Lexington, Louisville, Memphis, Missouri, Mecklenburg, Nashville, New Orleans, North Mississippi, Orange, Pee Dee, Pine Bluff, Potosi, Paris, Savannah, St. Johns, St. Louis, South Alabama, Tuskaloosa, Transylvania, Washburn, W. Lexington, Western Texas, Western District, W. Hanover, Winchester.

Thirteen Presbyteries voted to adopt the Revised Directory, as follows: Albemarle, Cherokee, Central Mississippi, East Hanover, Fayetteville, Harmony, Macon, Ouachita, Palmyra, Roanoke, Red River, Suwanee, South Carolina.

Overtures have been sent up as follows: Seven Presbyteries, namely, West Lexington, South Alabama, Ouachita, East Hanover, Atlanta, Transylvania, and Pine Bluff, asking the Assembly to continue the work, and to continue the same committee; from five Presbyteries, namely, Western Texas, Lafayette, Winchester, Abingdon, and Pee Dee, asking the Assembly to appoint a new committee, and to continue the work; from two Presbyteries, namely, Muhlenburg and Chesapeake, asking that the whole matter be dropped.

After careful consideration, the minority of your committee respectfully make the following recommendation :

Whereas, the length of time during which this matter has been under consideration in our Assembly clearly indicates that there is a strong desire on the part of our Church for some material changes in our Directory for Worship; and,

Whereas, the present Committee on Revision has had the matter in hand for years, and has not presented a satisfactory solution of this vexed question of revision, we therefore recommend that the Assembly refer the Revised Directory to a new committee of seven for further revision, and calls upon the presbyteries to send, after their fall meetings, their criticisms to the committee, that they may be considered, and, as far as the committee deem wise, that they be incorporated, and the whole submitted at the next Assembly. It is also directed that in their work the committee incorporate as much as may be deemed expedient from the body of the old Directory.

Respectfully submitted, ₂

ERNEST THOMPSON,
W. W. CARSON.

It was ordered that the blank in the report be filled by the insertion of the number seven, and, on motion, the Moderator appointed a committee of three, viz., the Revs. E. P. Palmer, D. D., and F. G. Railey, and Ruling Elder T. B. Womack, to nominate the committee of seven for which the report calls.

The action fixing the first order of the day for to-night was reconsidered, and the Assembly proceeded immediately to the consideration of the report of the Committee on Bills and Overtures in reference to licensure and ordination. Pending this business, the Assembly had recess until eight o'clock to-night.

8 o'clock P. M.

The Assembly met.

The following communication was received from the General Assembly of the Presbyterian Church in the United States of America in reference to work among the colored people :

PORTLAND, OREGON, *May, 27, 1892.*

To the General Assembly of the Presbyterian Church at Hot Springs, Arkansas:

The General Assembly in session at Portland, Oregon, appointed to-day a Committee of Conference with your body on colored work.

WM. HENRY ROPERTS, *Stated Clerk.*

The committee to nominate the committee of seven on the Directory for Worship, reported as follows:

Rev. E. M. Green, D. D., Danville, Ky.; Rev. J. F. Cannon, D. D. St. Louis, Mo.; Rev. G. A. Trenholm, D. D., St. Joseph, Mo.; Rev. R. P. Kerr, D. D.,

mond, Va.; Rev. G. B. Strickler, Atlanta, Ga.; Elder Robert Bingham, Ashen. C.; Elder W. H. Graybill, Rogersville, Tenn.

he unfinished business, the report of the Committee on Bills and Overtures respecting licensure and ordination, was taken up, and considered *seriatim*, amended and adopted as follows:

There have been placed in the hands of the Committee on Bills and Overtures several overtures from various parts of the Church on the subject of licensure and ordination of candidates for the ministry. Four of these overtures (one from the Synod of North Carolina, and one each from the Presbyteries of Albemarle, Amherst, and Enoree) ask the Assembly to send down for the consideration of the Synod "such proposed amendments to Chap. VI., of our Form of Government," and regulating the licensure and ordination of candidates for the ministry as are involved in paper number one on this subject presented to the last Assembly.

Two overtures, one each from the Presbyteries of Winchester and New Market, protest against the proposed changes. Two others, from the Presbyteries of Harmony and Pee Dee, ask the Assembly to send down to the Synods their approval such a change in the fundamental law as will permit the licensure of candidates for the ministry during, or at the close of, the first year of their theological studies. And one, from the Presbytery of Arkansas, asks the Assembly to amend Chap. VI. (Par. 134), of the Book of Church Order, so as to define the "extraordinary cases" spoken of, and to fix the minimum of requirements for such cases.

In response to all these overtures, the committee recommends the following resolutions:

In view of the fact that this whole subject was carefully considered by the last General Assembly, and decided adversely as to any change in this respect of the Book of Church Order, and by a large majority the Assembly declined to further alter the Church at present by sending down the proposed amendments for the consideration of the Synods,

It is the judgment of the Assembly that it would be unwise in the Presbyterian Church, noted for its educated ministry and its intelligent constituency, and especially at this time, when other denominations are elevating the general standard of requirement, and rationalism in its many and dangerous forms is rife in our country, to lower in any degree its standard of ordination to the gospel ministry.

That the licensure of candidates during, or at the close of, the first year of theological studies, on the condition of completing their course, would supply in no appreciable degree the widely-felt need of more ministers, and might present a strong temptation to theological students to accept calls from the churches to discontinue their studies, to their own injury and that of the Church.

That when candidates labor in churches before licensure, they should be put under the oversight of the pastor and session of the church in the bounds they labor, or under the direction of the Home Mission Committee of the Synod when not laboring in the bounds of a pastoral charge.

That the form of government, under the head of "extraordinary cases," does ample provision for entrance into the ministry, for all who are unable to pass an examination in Hebrew, Greek, and Latin, and some of the branches of a literary and scientific course, who at the same time are of good report as godly and consecrated to the cause of Christ, well versed in the English Bible, and in

the standards of the Presbyterian Church, and apt to teach. We believe that a judicious use of this provision would go far to supply the need of more ministers, and with men admirably adapted by their pursuits in life, and the knowledge of men thus acquired, for preaching the gospel with success. The idea of any stigma attending such an entrance into the ministry is groundless, and should not be for a moment entertained. Such a consecration is acceptable to God and honorable among men. Only the Presbyteries should exercise due caution, limiting the use of it to such men as are fitted by their gifts and graces for the work, and whose age or circumstances forbid their taking the course of education prescribed in our standards.

NINTH DAY.

May 28, 9 o'clock A. M.

The Assembly met and engaged in devotional exercises, conducted by the Rev. A. B. Carrington.

The Minutes of yesterday's sessions were read and approved.

The report of the Standing Committee on Systematic Beneficence was taken from the docket, and is as follows:

REPORT OF THE STANDING COMMITTEE ON SYSTEMATIC BENEFICENCE.

Your Committee respectfully reports that four (4) of the Presbyteries have failed to send up their reports to this Assembly, viz.: Central Mississippi, Orange, Harmony, and Montgomery.

The Committee would also desire to call attention to the defective form of the reports from the Presbyteries of Ebenezer, Mississippi, Chickasaw and South Carolina.

Owing to the manner in which these reports are made, it is impossible for the Committee to give accurately the number of contributing churches in each Presbytery; and, in the case of Ebenezer Presbytery, even to give the amount contributed to each object.

For these reasons the report of this Committee cannot be exactly correct.

The following statement, however, will present, as accurately as can be ascertained, the amounts contributed to the various objects ordered by the General Assembly:

 by 226 churches to four of these objects; by 239 churches to three of these
 by 214 churches to two of these objects; by 206 churches to one of these
 No contribution was made to any of these objects by 525 churches.

To the question, "Does the Presbytery call upon the churches that fail to make any of the collections ordered to give their reasons for failure?" twenty-eight Presbyteries answer in the affirmative, four answer in the negative, and thirty-five Presbyteries make no answer.

Increased contributions are reported to all the objects ordered by the Assembly, except Sustentation, Invalid Fund, and Publication.

While regretting that so many churches have not contributed anything to any of the objects of beneficence, yet there is cause for rejoicing in the fact that the total contributions for this year are \$50,748 in excess of those of last year.

We recommend the adoption of the following:

Resolved, That this Assembly direct the stated clerks of Presbyteries in making their reports on Systematic Beneficence, to be more careful and accurate and to use always the blanks prepared for that purpose.

J. ALSTON RAMSAY, *Chairman*.

The report of the Committee on the Records of the Synod of Missouri, recommending their approval, was taken from the docket and adopted.

The report of the Committee on the Records of the Synod of Georgia was taken from the docket, and the records were approved. Notice of dissent was given by the Rev. J. S. Shaw and others.

It was ordered that alternates to the members of the *ad interim* Committee on Co-operation in the Work of Home Missions be appointed.

The report of the Committee on the Records of the Synod of North Carolina was taken from the docket, amended and adopted, and is as follows:

That the minutes of the Synod of North Carolina be approved so far as written, except the appointment of a financial agent for the purpose of raising the benevolences of the Church.

The report of the Standing Committee on Foreign Correspondence was taken from the docket. That part of it relating to memorializing the Congress of the United States was made the first order of the day for this afternoon. The Rev. Samuel A. King, D. D., was substituted for the Rev. J. H. Skinner, and the Rev. T. C. Barrett, D. D., for the Rev. J. R. Howerton, as alternate delegates from this Assembly to the General Presbyterian Council to be held in Toronto, Canada. The further consideration of the report was arrested by the arrival of the hour for recess, and the paper was put upon the docket.

The Committee on Devotional Exercises reported appointments for the services of the Lord's day. Approved.

The Assembly had recess until 2:30 P. M.

2:30 o'clock, P. M.

The Assembly met, the Rev. W. N. Scott, D. D., occupying the chair.

The consideration of the report of the Standing Committee on Foreign Correspondence was resumed. The report was adopted, and is as follows :

The Standing Committee on Foreign Correspondence have carefully examined the several papers referred to them, and would respectfully submit the following report:

1. An extract from the minutes of the New Hebrides Mission Synod, signed by W. Watt, the clerk of the said Synod, and accompanied by an explanatory letter from the same, asking this Assembly to appeal to the Government of the United States, through the President, to concur with other powers in prohibiting the sale of intoxicating liquors, fire-arms and ammunition in the South Sea Islands, and especially in the New Hebrides.

We recommend the adoption of the following resolution :

Resolved, That while we heartily sympathize with the mission in their opposition to the sale of intoxicating liquors in those islands, and heartily desire that goodwill and peace may everywhere prevail among our fellow-men, yet we do not think it would be wise, that, as a Church, we should advise the United States Government as to what action it should take in the premises, for the reason that the Church has no right to interfere with, or attempt to control, the civil policy of the state.

2. A communication from the Stated Clerk of the General Assembly of the Presbyterian Church in the United States of America, containing a resolution of that Assembly in favor of a change of the annual week of prayer from the first week in January to a more opportune season, and calling the attention of this Assembly to the same.

On this subject we recommend the adoption of the following resolutions:

Resolved 1, That while we would be perfectly willing to concur in any really desirable change; yet, inasmuch as no other reason is designated instead of the first week of January, and as it is uncertain whether any change would be wise and profitable, this Assembly declines, for the present, to take any action in the matter.

Resolved 2, That the above resolution be sent to the Stated Clerk of the General Assembly of the United States of America, by the Stated Clerk of this Assembly.

3. On the Presbyterian Historical Society.

In response to the recent action of the Executive Committee of the said Society, communicated in the Secretary's letter placed in our hands, your committee recommend the following resolutions:

Resolved 1, That this Assembly appreciates the great importance and value of the work in which the society is engaged, namely (as it is described in one of the papers referred to us), "to gather and preserve, to classify and make accessible, the materials for such a history of the Presbyterian Church and people, as we hope will one day be written."

Resolved 2, That a committee of ministers and elders be appointed to co-operate with the society in this work; that this committee report to the next Assembly, when the same, or a similar committee may be appointed, if it accords with the judgment of that Assembly.

4. On the Presbyterian Alliance.

On this subject the following papers have been before us: First, a communication signed by the chairman and secretary of the western section of the Alliance. Second, a report from the *ad interim* committee, appointed by the last Assembly, Rev. W. S. P. Bryan, Chairman.

As to our financial obligations in connection with the Alliance, it appears from the first paper that the sum annually expected from our Church is \$480. It appears from the second paper that the *ad interim* committee found a deficiency of \$322 on account of past dues up to May, 1891, which, added to the \$480 for the year ending May, 1892, made a total of \$802 to be raised. The committee report that they have collected and forwarded the sum of \$578. This leaves uncollected, for the year now past, the sum of \$224, and this being added to \$480, for the ensuing year, makes a total of \$704 to be raised, if we continue our connection with the Alliance. The *ad interim* committee recommend "that this apportionment be paid out of the treasury of the Assembly, as is done by our sister churches in the Alliance." In this way the burden will be so distributed as to be but slightly felt, and to relieve the few generous individuals and churches which have hitherto so generously contributed. Your committee approve this suggestion. We therefore recommend the following resolutions:

Resolved 1, That our share of the annual expenses of the Alliance be paid hereafter out of the Treasury of the Assembly, and that to this end the Presbyterial apportionments be increased upon the basis of Synodical representation in our delegation to the council.

Resolved 2, That the nominations of delegates to the next council at Toronto, Canada, submitted by the *ad interim* committee be confirmed, a copy of which is returned to the Assembly with this report, and that the Stated Clerk be directed to issue commissions to each principal, mentioning his alternate in the same document.

Resolved 3, That a small standing committee be appointed, which shall be the medium of communication between this Assembly and the Alliance, and shall have power to fill vacancies in the list of delegates; this committee to be reappointed at the Assembly next succeeding each General Council of the Alliance.

E. P. PALMER, *Chairman*.

It was ordered that there be appointed a committee of five to be the medium of communication between the Assembly and the Alliance of Presbyterian Churches.

The report of the Committee on Bills and Overtures upon the overture of R. P. Kerr, was taken from the docket and adopted, and is as follows:

"Has a Board of Deacons the right to elect a sexton, and fix his salary? or is it necessary for the authority to be specially committed to them? and by whom?"

Answer.—The Committee recommend the following answer to the overture above: That when the management of the temporal affairs of the church has been committed to deacons by the session, they have this right.—Chapter iv. section 4, paragraph 2, No. 47.

The report of the same committee, on an overture from the Synod of Florida, touching the Book of Church Order on the dissolution of the pastoral relation, was taken from the docket and adopted, and is as follows:

An overture from the Synod of Florida asks the General Assembly to define the phrases, "If the parties are not ready," etc., in paragraph 126, and "as in the preceding directions," paragraph 128, chapter vi., section 5, Parts XI and XIII, Book of Church Order. The committee recommend the following answer: If the parties are ready, that is, present and agreeing to have the matter issued at the meeting then in progress, citation is not needed; but if the parties are not thus ready, citation is always necessary.

R. G. BRANK, *Chairman*.

The action of the Assembly on the records of the Synod of Georgia was reconsidered. On a motion to postpone this business indefinitely, the ayes and noes were called, resulting as follows:

8 o'clock P. M.

The Assembly met.

The paper on Temperance was taken from the docket, was adopted, and is as follows:

Whereas, We recognize the liquor traffic as an aggressive enemy to the home, the Church, and the state, an alarming menace to the Christian Sabbath, and a powerful obstacle to the work of establishing Christ's kingdom in foreign lands; and,

Whereas, "Sin is any want of conformity unto, or transgression of, the law of God," and a failure to manifest disapproval of, or opposition to, a prevailing evil is a sin of omission, therefore —

Resolved, That we reaffirm the deliverance and testimony of our Church made in 1891, on the subject of temperance, the liquor traffic and abstinence from intoxicants as a beverage, and we bear our testimony against the establishing and promoting of the traffic in intoxicating liquors as the fruitful source of sin, crime, and misery.

The following resolution of thanks was adopted, and ordered to be read to-morrow from the pulpits of the city:

Whereas, The members of this General Assembly, with many of their friends, have under peculiar providential difficulties been transported safely and with comparative expedition to Hot Springs; and,

Whereas, On our arrival here, we were met and warmly welcomed, and have since been most hospitably and delightfully entertained, and been the recipients of unnumbered acts of kindness at the hands, not only of our Presbyterian brethren, but of those of our sister churches, and the citizens of Hot Springs generally; therefore, be it

Resolved, That we hereby express to our kind hosts and other friends of this city, and to our beloved brother, the pastor of the First Presbyterian Church here, and his good people, our heartfelt appreciation of all that they have done for us at their homes and in the place of our meetings.

Also, that our thanks are tendered to the management of the several railroads for their consideration and courtesies.

To the proprietors of the bath-houses of the city for special attention shown; also to the physicians and proprietors of the hotels for like favors.

To the local papers for their helpful morning and evening reports of our proceedings, and to the Hot Springs' agent of the Associated Press for the unusually full reports furnished the newspapers all over the country; and

Resolved, That these resolutions be read from the pulpits of the several churches to-morrow occupied by our ministers, and that a copy of the same be furnished the city papers for publication.

The Moderator announced the following as the *ad interim* committee of fifteen on co-operation in Home Mission work.

APPENDIX.

I REPORT OF THE COMMITTEE ON THE NARRATIVE.

Narratives from seventy-two Presbyteries have been presented and examined. Examination of the field of information thus laid before us has elicited the following facts:

The fidelity in the performance of official duty on the part of the ministers of the Church is without flaw. Elders have for the most part been faithful and efficient, but in many Presbyteries the deacons are reported as falling far short of the discharge of their proper and important functions.

Attendance upon divine service is reported in general as good and improving in most places where a regular ministration of the gospel is enjoyed, indicating there is a growing hunger on the part of the people for "the sincere milk of the word."

With gratitude to God we note that his presence has been shown in his Church by gracious outpourings of his Spirit, in revivals of religion in many places often where no special manifestations have occurred. It is encouraging to note a steady spiritual improvement and growth in grace with the continuance of a stent and satisfactory Christian deportment on the part of God's people has been observed.

Again, with thanks to God do we note that almost universally the evidences appeared that God is opening the hearts of his people to a realization of their responsibilities as stewards of his bounty.

In spite of financial depression the contributions of money to the various benevolent causes of the Church have increased, while the strenuous efforts made by many of our Synods and Presbyteries, ably seconded by our people, to bring the gospel to the regions now destitute, indicate that our beloved Church is in very truth waking to a realization of the binding nature of the Lord's command to preach the gospel to every creature.

We note with pleasure, that while up to the present time little in the way of evangelization has been done for the colored people, yet a growing interest in this is at this time manifest. We are thankful for evidence of great interest and activity in Sabbath-school work.

We note that the Sabbath is usually well observed by our people, and that intemperance seems to be on the decline among us, few complaints in this direction appearing in the narrative of Presbyteries.

We observe with regret that many churches are noted as having sent in no report to Presbytery. We urge that Presbyteries insist on their churches sending

up the proper reports, and that they use all diligence to bring before the Assembly all information at their command.

We also regret the necessity of reporting, that it appears from the information before us, that Biblical and catechetical instruction and daily worship in families have fallen into a state of almost hopeless decadence. This is saddening in the extreme; yet we trust that our people are not entirely hopeless in these respects, and that proper suggestion on the part of this venerable body, coupled with faithful instruction on the part of pastors, will have the effect of remedying evils so great. The Sabbath-school can in no sense supersede the family as an instructive agency, and no rush of business can justify a servant of God in the neglect of the duty of daily praising and worshipping his Maker.

On the whole, while some dark spots appear on the fair surface of our Church life, we are by no means disheartened, but rather thrilled with hope and encouraged to more strenuous effort. The Church is by no means dead, nor can it be said to sleep. It is pulsating with new life—full of hope and ready in the hands of God to do a grander work than it has ever heretofore accomplished.

Therefore, brethren, “be ye steadfast, immovable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord.”

G. W. PATTERSON, *Chairman*.

II. ABSTRACT OF THE THIRTY-FIRST ANNUAL REPORT OF THE EXECUTIVE COMMITTEE ON FOREIGN MISSIONS.

THE WORKERS.

The number of missionaries under the care of the Executive Committee during the year was 102. They are distributed as follows: China, 33; Brazil, 28; Mexico, 6; to the Greeks, 4; Italy, 2; Japan, 23; Congo Free State, 4; Cuba, 2. The number was reduced by death and removal to 95. The number of native helpers employed was 123. They were associated with 2,702 native communicants, of whom 391 were received by baptism during the year.

FINANCE.

The receipts of the treasury from all sources for the year amounted to \$130,276.32. This is \$17,324.83 more than the receipts of any previous year. Of the amount received there was contributed by churches and individuals \$78,462.71; by missionary societies, \$35,624.40; by Sunday-schools, \$11,064.55. There was received from legacies, \$5,124.66. The number of churches contributing during the year was 1,603, being fifty-seven more than contributed the year before. The number of contributing missionary societies was 651, being eighty-one more than contributed the year before. The number of contributing Sunday-schools was 445, being twenty-nine more than the year before. The amount contributed by churches and individuals exceeded that of the previous year by \$13,552.41. The amount contributed by missionary societies was in advance of that of the year previous by \$2,169.33. The advance in the contributions of Sunday-schools, was \$1,685.20. Along the whole line of contributors, therefore, a good forward movement was made. The receipts from legacies were about the same as those of the year before.

The following table presents a comparison of the contributions of the Synods for the last three years:

SYNODS.	CONTRIBUTIONS.			Average per Communicant, 1892.
	1890.	1891.	1892.	
Alabama,	\$ 4,482	\$ 5,266	\$ 6,202	.62
Arkansas,	1,973	2,027	2,366	.50
Florida,	1,396	1,599	1,851	.56
Georgia,	5,346	6,429	9,623	.76
Kentucky,	8,492	8,958	9,406	.58
Memphis,	2,352	3,489	3,143	.43
Mississippi,	4,730	5,372	6,458	.54
Missouri,	5,807	5,889	6,207	.59
Nashville,	6,515	8,342	8,526	.77
North Carolina,	14,161	19,795	23,076	.86
South Carolina,	9,178	10,620	12,189	.73
Texas,	3,175	3,359	3,793	.37
Virginia,	18,132	22,902	26,789	.81

It should be noted that in 1890 the Presbytery of Savannah was in the Synod of South Georgia and Florida, and was afterwards transferred to the Synod of Georgia. To make the comparison more satisfactory the contributions of this Presbytery are in the above table put in the Synod of Georgia each year.

CO-OPERATION.

In the month of March a letter was received by the Secretary from the Rev. Dr. Arthur Mitchell, one of the Secretaries of the Board of Foreign Missions of the Presbyterian Church in the United States of America, requesting a conference on certain matters in Brazil and Korea, in which that Board and the Executive Committee have a common interest. Dr. Mitchell suggested that the Secretary, or some other representative of the Executive Committee, should visit New York for this purpose, the expense of the visit to be divided between the Board and the Committee. In compliance with this request, the Secretary went to New York, and a day was spent in conference between the Secretaries of the Board and himself. The matters discussed were the present need of a Theological Seminary in Brazil, the location of the seminary, the salaries of missionaries and native helpers in Brazil, the development of self-support in the native churches, and the distribution of the missionary force in Korea. At the close of the discussion there was a cordial expression of opinion from both sides as to the advantages of the conference; and, on the return of the secretary and his report to the Committee, the conviction was impressed on the members of the Committee that the time has arrived when arrangements should be made for a closer co-operation between the Executive Committee and the Board than now exists.

In the providence of God the work under the care of the Board and that under the care of the Committee have been drawing closer together year by year. In Japan and in Brazil their missionaries and ours are in the same ecclesiastical organization. In the training of theological students, in the evangelization of the people, in the councils of the Church, the interests of all are one. In China measures are in contemplation to create the same unity in work. For the highest success in Korea this unity is necessary. In Mexico the missions of the two churches are contiguous, and in Africa there might be a gain of important benefits by united effort. Under these circumstances, it is the judgment of your Executive Committee that it will be wise to consider whether it is practicable to arrange a basis of

co-operation on which, without sacrificing the advantages which spring from the closer supervision of denominational control and the just aspirations of denominational zeal, there may be unity in the administration of the funds contributed, in the direction of workers in the foreign field, and in the literature designed to promote the interests of Presbyterians, North and South, in the great Foreign Mission work. Your Committee, therefore, would propose that the General Assembly authorize it, or members representing it, to confer in regard to this whole matter with the Board of Foreign Missions in New York, or with representatives of the Board, provided the General Assembly, which is over the Board, authorize it to engage in such conference; it being understood that the parties to the conference thus held shall have no power except to consult and to frame recommendations which shall be submitted to their respective General Assemblies for action.

REINFORCEMENTS AND LOSSES.

During the year eighteen new missionaries were added to our force in the foreign field, of whom sixteen were sent out by the Executive Committee. Two—the Rev. James Dick and wife, of Scotland—were already in Brazil, and were appointed to aid in the work at Ceara. The missionaries sent out by the Committee were distributed as follows:

The Rev. W. C. Buchanan, of East Hanover Presbytery, and Mrs. Buchanan, the Rev. H. T. Graham, of Winchester Presbytery, and Mrs. Graham, began work in Japan. The Rev. B. C. Patterson, of the Presbytery of Lexington, the Rev. George Hudson, of the Presbytery of Brazos, the Rev. R. A. Haden, of the Presbytery of Red River, Mr. J. W. Paxton, a deacon in the First Presbyterian church of Danville, Virginia, Miss Ella C. Davidson, of South Carolina, and Miss A. R. Houston, M. D., of Virginia, entered on the work in China. The Rev. D. G. Armstrong, of the Presbytery of Montgomery, and Mrs. Armstrong, and Miss E. M. Reed, of Missouri, began work at Campinas in Brazil. Miss Kate R. Hall, who at one time lived in Brazil, and more recently was engaged in teaching in the State of New York, went to Brazil as the wife of the Rev. W. C. Porter. Mr. George D. Adamson, a member of the Free Church of Scotland, and Mrs. Adamson, both of whom had received training for mission service in the East London Institute, under the care of Dr. and Mrs. Guinness, joined the mission on the Congo.

Since the last annual report there has been serious loss in our missionary force. Miss Carrie Cunningham, of Missouri, who had but recently entered on the work at Ceara, was stricken with small-pox, and, after a short illness of five days, entered into rest on the night of Sabbath, April 15th. She was a gifted and most promising worker, and the grace of God was illustrated in the closing days of her life. "She was lovely in her sickness and death," wrote one of the members of the mission. The Rev. Dr. Edward Lane, of Campinas, was also removed by death. He was the senior missionary among our workers in Brazil, and, except the Rev. Dr. Chamberlain, had seen longer service than any other missionary in that field. The tidings of his death reached the Mission Rooms by cable on the 7th day of March, and we must wait intelligence by mail before the particulars of the sad event can be given. It is almost superfluous to give any sketch of the missionary career of Dr. Lane. He was widely known and greatly beloved in the Church. His faithful, arduous labors in the field, during a period of twenty-two years have been conspicuous. He lived to see the good seed, which he and his early associates had planted, develop into a rich harvest. He was engaged in planning for an important movement to found a new mission station in the interior when the end came. The epidemic, which for two years previous had afflicted Campinas, made its ap-

pearance again in February of this year. Dr. Lane persuaded the younger missionaries to leave the city, while he and Miss Kemper remained. His noble, self-sacrificing characteristics were displayed to the last, and his memory will long be cherished among all who knew him and his work for Brazil. The work in Brazil was further weakened by the withdrawal of the Rev. J. J. Harrell and Mrs. Harrell from the field on account of the serious condition of Mrs. Harrell's health. In accordance with a decision of the committee, made under the instructions of the last General Assembly, our missionaries among the Greeks were withdrawn.

PROSPECTS.

There are at present seventeen persons before the committee either under appointment as missionaries to go out this year, or likely to be appointed at an early day. Their several fields of labor are Korea, the Congo Free State, Japan, China, and Brazil. It may be expected that other missionaries will be appointed, and, if practicable, sent to the field during the year. From present indications it appears that, owing to various causes, the fiscal year on which the Church has just entered will be one of peculiar trial to the finances of the Foreign Mission work. For the first month of the fiscal year the receipts of the treasury fell short of those of the year before \$1,767.61. The Executive Committee, therefore, would respectfully beg the General Assembly to summon all the churches under its care to renewed prayer and earnest efforts for this great cause, that the progress which has, under God's blessing, marked this work may not be retarded.

On the Congo, in China, in Japan, in Brazil, in Korea, the appeals which are raised to the Church to send more messengers to the millions who perish have a solemn import which words cannot express. This year Christians of the Anglo-Saxon race celebrate the centennial anniversary of William Carey's glowing sermon which sounded the key-note of modern mission work—"Expect great things from God; attempt great things for God." Your committee indulge the confident hope that in view of all these facts, the General Assembly will send down to the churches words of strong exhortation and cheer in consonance with the stirring associations of the centennial year.

III. ABSTRACT OF THE TWENTY-SIXTH ANNUAL REPORT OF THE EXECUTIVE COMMITTEE ON HOME MISSIONS.

For the "Four Causes," managed in the Central office, the receipts this year were greater than those of last year by as much as \$7,951.12 from legacies, and \$4,167.71 from contributions, making a total increase of \$12,118.83 for these four causes over the receipts of any previous year.

The receipts for the Colored Evangelistic Fund, which are received and paid out through this treasury, were greater this year than last year by \$1,174.99. The receipts from other items were less than last year by \$1,723.89, the whole making a total increase of \$11,569.93 in the amount received by the Treasurer this year over the amount received during any previous year.

The expense of management, chargeable to the four causes managed in the Atlanta office, viz.: Church Erection, Sustentation, Evangelistic and Invalid Funds, was for the year a very small fraction over six and one-half ($6\frac{1}{2}$) per cent. of receipts. As will be seen further on in this report (page 12), the payment of these expenses does not require that an additional sum of money shall be added to the income for the purpose of meeting these expenses; they are met almost entirely

month by month by the use of money which (under the co-operative plan of the Assembly) is at the time lying in the bank to the credit of the treasury.

SUSTENTATION.

Receipts from legacies, \$2,257.91 ; from contributions, \$23,142.03 ; total receipts, \$25,399.94 ; to this add money paid out before the beginning of the year, which not being used, was, during this year, returned, \$108.91, and we have, total in the hands of the Treasurer during the year, \$25,508.85. Of this sum \$1,638.86 was needed to cancel a balance due from this fund to the treasury at the beginning of the year ; \$641 were paid out for the vacation services of eleven candidates for the ministry, and \$23,105.41 were paid to aid in support of two hundred and thirty-four ministers and licentiates ministering to weak congregations in fifty-six Presbyteries. All expenses were paid as per Treasurer's Report, page 17, and the year closed with a balance of \$1,673.08 against this fund, due to the treasury of the office.

The amount received by this fund from legacies was greater this year than last by \$423.91 ; the amount received from contributions was this year less than that of last year by \$13.97. The total receipts of this year were greater than those of last year by \$409.94.

EVANGELISTIC FUND AND INDIAN MISSIONS.

For Evangelistic Fund proper receipts have been, from legacies, \$725.39; from contributions, \$20,778.82; total, \$21,504.21. To this add \$4,750 turned over to this fund from the office of Foreign Missions on account of Indian work, and we have for the total amount in the hands of the Treasurer during the year, \$26,254.21.

Of this sum \$3,972.07 were needed to cancel a debt which was due from this fund to the treasury of the office at the beginning of the year. \$6,292.50 were paid out for the support of the work of nine ministers and two teachers in the Indian Territory, including the Armstrong Orphan Home for Indian boys, and also one lady missionary to the Alabama Indians in Texas. \$15,768.75 were paid out towards the support of forty-four ministers doing evangelistic work in twenty-nine Presbyteries. Expenses were paid, as in Treasurer's report, page 18, and \$1,631.41 were charged against this fund, due to the treasury of the office, on the 31st of March, 1892.

The amount received from legacies was greater than the amount received last year by \$11.39; the amount received from contributions was greater than last year by \$4,348.14; the total receipts were greater than those of last year by \$4,359.53.

INVALID FUND.

Receipts from legacies \$2,640.82; from contributions, \$15,902.37; total, \$18,543.19.

From this fund \$217.19 was needed to cancel a balance against this fund at the beginning of this year due to the treasury of the office. \$15,023.65 were paid out for the benefit of twenty-nine infirm ministers, and one hundred and four widows of ministers, and in nine cases to aid those who were children of ministers. Whole number of beneficiaries, one hundred and forty-two. Expenses were paid as per Treasurer's report, page 18, and \$1,998.91 remained to the credit of this fund on March 31st.

The amount received from legacies was greater this year than last year by

\$2,565.82; the amount received from contributions was greater this year than last year by \$29.28; the total receipts this year greater than those of last year by \$2,595.10.

THE COLORED EVANGELISTIC FUND.

The last Assembly created a separate committee, located at Birmingham, Ala., and appointed a separate Secretary, Rev. A. L. Phillips, to take charge of this department of its work. As soon as practical after the adjournment of the Assembly the whole management of this work was taken up by that committee. All contributions to that cause, however, were, and are still, under the direction of the Assembly, sent to the Atlanta treasury. The fund is received by the Atlanta Treasurer, Capt. W. A. Powell, and distributed by him upon the warrant of Mr. Phillips, under the order of the Birmingham Committee. In this report, pages 23 to 56 you will see a list of all receipts, and on page 19 you will see Capt. Powell's report of his outlay. The report of the Birmingham Committee will give you the further account.

Presbyteries using the Assembly's preferred plan of co-operation are, in Church Erection, sixty-five; in Sustentation, fifty-seven; in Evangelistic, fifty-four; in Invalid Fund, seventy.

Contributions from churches, Sabbath-schools and societies to the different causes, were as follows:

To Church Erection, 605 churches, \$4,919.14; 26 Sabbath-schools, \$136.42; 10 societies, \$53.85.

To Sustentation, 1,205 churches, \$20,096.82; 84 Sabbath-schools, \$681.59; 91 societies, \$938.01.

To Evangelistic Fund, 1,076 churches, \$16,520.17; 123 Sabbath-schools, \$1,094.86; 77 societies, \$1,048.65.

To Invalid Fund, 1,146 churches, \$14,541.21; 80 Sabbath-schools, \$367.25; 20 societies, \$149.50.

To Colored Evangelistic, 831 churches, \$7,772.44; 40 Sabbath-schools, \$161.98; 15 societies, \$94.09.

SYNODICAL WORK.

The members of the Assembly are all aware of the fact that the Synod of Kentucky, some ten or eleven years ago, had an offer from some individual Christians to make a liberal donation for Home Missionary work within that State on condition that the churches of the Synod should raise a stipulated sum. This offer, as we understand it, has been renewed from year to year and has led to what is well known as the Kentucky Synodical work. Recently eight other Synods have inaugurated some form of Synodical work; not all have adopted the same plans. Some of them have confined their work to the employment of picked men, as general evangelists; some have also undertaken to provide for Sustentation and local evangelistic work. Some have raised their money wholly or in large part through financial agents employed mainly for that purpose; others raise their money by having their general evangelists act in the double capacity of evangelists and financial agents. Some have depended on contributions and subscriptions from wealthy individuals or from the larger churches of the Synods; others have apportioned amounts to be raised by the churches in the Presbyteries throughout the Synod. So far as we know nearly all of those who advocate the Synodical movements have desired that Synodical work shall not interfere with a united work, aided by all the Presbyteries and known as the Assembly's work.

month by month by the use of money which (under the co-operative plan of the Assembly) is at the time lying in the bank to the credit of the treasury.

To Sustentation, 1,205 churches, \$20,096.82; 84 Sabbath-schools, \$681.59; 91 societies, \$938.01.

To Evangelistic Fund, 1,076 churches, \$16,520.17; 123 Sabbath-schools, \$1,094.86; 77 societies, \$1,048.65.

To Invalid Fund, 1,146 churches, \$14,541.21; 80 Sabbath-schools, \$367.25; 20 societies, \$149.50.

To Colored Evangelistic, 831 churches, \$7,772.44; 40 Sabbath-schools, \$161.98; 5 societies, \$94.09.

SYNODICAL WORK.

The members of the Assembly are all aware of the fact that the Synod of Kentucky, some ten or eleven years ago, had an offer from some individual Christians to make a liberal donation for Home Missionary work within that State on condition that the churches of the Synod should raise a stipulated sum. This offer, as we understand it, has been renewed from year to year and has led to what is well known as the Kentucky Synodical work. Recently eight other Synods have inaugurated some form of Synodical work; not all have adopted the same plans. Some of them have confined their work to the employment of picked men, as general evangelists; some have also undertaken to provide for Sustentation and local evangelistic work. Some have raised their money wholly or in large part through financial agents employed mainly for that purpose; others raise their money by having their general evangelists act in the double capacity of evangelists and financial agents. Some have depended on contributions and subscriptions from wealthy individuals or from the larger churches of the Synods; others have apportioned amounts to be raised by the churches in the Presbyteries throughout the Synod. So far as we know nearly all of those who advocate the Synodical movements have desired that Synodical work shall not interfere with a united work, aided by all the Presbyteries and known as the Assembly's work.

The Synod which has taken the most pronounced position has been that of North Carolina. That Synod proposed to conduct all the work within its bounds, through the use of Presbyterial and a Synodical Treasury.

The Presbyteries of that Synod have, for the most part, in past years conducted their work through the Presbyterial treasuries. The Synod, in October last, proposed that each Presbytery should have two months in which to take collections to be sent to the Presbyterial treasury for Presbyterial work; that two other months should be given to raising funds for the Synodical treasury, and one month to raising funds for the Assembly's treasury. At that time only one Presbytery in the Synod was doing its work through the Assembly's treasury. It dissolved its connection with the Assembly's treasury and entered upon the Synodical plan. The Synodical Executive Committee was empowered to employ a superintendent and a financial agent, in accordance with their judgment and the demands of the situation. The recently published accounts of the meeting of the strongest Presbytery in the Synod say that the Presbytery did not approve Synod's policy, but for the present prefers to conduct its own evangelistic work; and a later statement, published by the Synodical Committee, says that owing to the stringency of the times and the reduced income of the committee, the office of financial agent has been dispensed with.

One Presbytery in the Synod, having about 4,800 communicants, took its one collection in February for the Assembly's treasury, amounting to \$62.15 for Sustentation; \$81.38 for Evangelistic work; \$55.67 for Church Erection.

In making these statements to the Assembly your committee intends to make no criticism whatever, expressed or implied, but simply to state briefly an outline of facts, as far as they are in possession of them, concerning the Synodical movements. Whether these movements are to conflict essentially with the Assembly's present plan is to be determined mainly in the future; the results are, as yet, matters of prediction, on which brethren differ. The whole subject will be brought before the Assembly by some overtures. We trust that God will give wisdom and the spirit of Christ to his servants in all their deliberations and in all their decisions.

The Assembly's present plan of conducting Home Missionary work asks that all the churches shall send their contributions to the five causes to one treasury, to be disbursed there by the Assembly's Committee to the Presbyteries, upon application made by them or by their Presbyterial Committees. This plan has certain advantages, viz. :

1. It rigidly respects and preserves all of the constitutional rights, jurisdiction and authority of the Presbyteries. The Assembly's Committee cannot (except in the Indian Territory by authority) deal with fields or individuals within and constitutionally under the control of the Presbyteries. The Central Committee is required to deal with the Presbyteries as organized bodies. They say who is to labor in the fields, how much he is to be paid, and they make their calls as Presbyteries on the Central Committee.

2. Under the practice which has obtained each Presbytery can use all of its own funds, if it needs them, which is all that it could do if it kept those funds in the Presbyterial treasury.

3. By depositing all contributions under one bank account there is frequently a considerable sum lying for a time on deposit, the use of which for the time being carries for the most part the monthly expenses of the Central Office, and furnishes besides a capital of \$6,000 or more during the year, which can be used temporarily in the active work.

4. It keeps pastors and people informed and interested as to the work in all parts of the Assembly; and thus,

5. It gives to pastors in strong Presbyteries the opportunity to make a full appeal to the hearts and purses of the people. The appeal, first, is to "raise" a certain sum, for that amount will be needed to be drawn back for home use, and then to raise more, so as to help the weak fields of the entire Assembly.

6. It tends to move the weak Presbyteries to raise all they can, that they may not be beneficiaries on the funds raised by others more than is necessary.

7. It provides for the fluctuations under which, by developments of new sections with much immigration, a Presbytery, recently able to do its own work, now becomes a missionary field, or when by disasters in crops and financial matters a strong Presbytery for a single year may become weak.

8. It is simple—has but one treasury.

9. It invites legacies, which will probably increase with the material prosperity of the country.

J. N. CRAIG, *Secretary*.

IV. ABSTRACT OF THE ANNUAL REPORT OF EXECUTIVE COMMITTEE ON EDUCATION.

At the first meeting of the committee, June 3, 1891, the Secretary read the action of the last Assembly commending the work of the committee, calling attention to the day of prayer, asking the churches for the sum of \$30,000 for this cause, and requiring the Secretary to devote his whole time to the work—not only to perform office work, but as occasion demands, to visit the Presbyteries, Theological Seminaries, Colleges, and such churches as may be open to him, and to receive such salary as the Executive Committee may decide on; thereupon the Secretary's salary was fixed at \$2,500, and that of the Treasurer, G. W. Macrae, at \$100.

At this meeting the scale of appropriations was fixed the same as last year, viz.: \$100 as the maximum for College and Seminary candidates, and \$25 for Academic candidates.

The Secretary was requested to give notice to all the Presbyteries that applications for aid to candidates must be made not later than February 1, 1892.

The whole number of candidates enrolled is 261. Of these, some did not enter upon their studies, some left the institution before receiving any aid on account of ill health, and some found they would need no help from the committee. The number actually aided is 246, which is 17 more than were aided last year.

According to the direction of the General Assembly the Secretary made an apportionment among the Presbyteries of the \$30,000 for this cause, which was laid before them at their fall meetings. These apportionments were tacitly accepted, but we fear that in many of the Presbyteries sufficient effort was not made to have them paid. We know that in some Presbyteries by the faithful efforts of the Presbyterial agents for education good results are always obtained. In these cases the churches are more than once reminded of the amount that is expected of them. These Presbyteries raise or approximate the amount apportioned to them. Other agents perhaps notify the churches once and then leave the matter, and the result is that some Presbyteries do not raise one-half the amount apportioned to them. While this is the case the committee must always be in straits and the candidates must suffer. The income from our November collection was disappointing. At the first of February we were still behind with the candidates about \$13,000.

The reasons for this are: First, the short crops, low prices and hard times generally; second, several of our Synods take up their collections for evangelism in the month of November, which necessarily lessened the contributions to education. While we rejoice in the grand efforts that have been made in this great evangelistic movement, the Church ought not to lose sight of the absolute necessity of aiding her candidates, if she would have a sufficient supply of ministers. Since the first of February special and earnest efforts have been made to get the money necessary to pay our candidates.

While in the course of twelve years the receipts for education have about doubled, the candidates, assisted by the Committee, have increased in the same time more than three fold. Our Church is growing, and the demand for more laborers is and will continue to be greater and greater. The probability is that the number of candidates will continue to increase. The Church is more sensible of the necessity of more laborers than ever before, and more efforts are being put forth to secure them. How can we make sure of a sufficient amount to assist them in their preparation?

V. ABSTRACT OF THE THIRTY-FIRST ANNUAL REPORT OF THE EXECUTIVE COMMITTEE OF PUBLICATION.

The work entrusted to the Executive Committee of Publication has been prosecuted during the past year with a degree of success and a measure of prosperity beyond any previous year, and in the review of the year's work presented in this Annual Report, we find abundant reason for encouragement, which calls for grateful thanksgiving to the Great Head of the Church.

To this general statement but one exception is to be noted, and that relates to the colportage work, which depends for its success and enlargement upon the contributions made by the churches for this cause. The General Assembly of 1891, strongly impressed with the great importance of this agency, and its value to all the great enterprises of our Church, reached the conclusion that a large increase in the funds available for this work was imperatively demanded, and called upon the churches to raise \$20,000 during the year to be used in the colportage work, and in the free distribution of our literature. It is with much disappointment and regret that we now report that this call has failed to secure any adequate response, and we are to-day little better equipped for a vigorous prosecution of this much needed work than we were when the call was made.

The contributions from churches, Sabbath-schools, and individuals during the year amount to \$8,517.20, or not quite \$200 more than was reported last year, and less than the last General Assembly thought it necessary to raise by nearly \$12,000.

Besides this amount, the sum of \$1,841.82 has been received from a legacy; but in view of the fact that quite a large amount has been withdrawn from our publishing department for the use of colportage, and that the interests of that department have suffered because of this, the committee have decided to apply this legacy in the issue of new publications as needed.

It is not important in this connection to inquire the causes of a failure so marked as this, but one interpretation we may safely put upon it, viz.: That there is, on the part of our people, no adequate conception of the value of colportage as an evangelical agency, or of the great need of this agency among our people. Shall we also accept this result as the verdict of the Church against any further enlargement of this work?

Whatever interpretation we may accept, it remains true that we cannot as a Church afford to dispense with this agency, nor can we afford to prosecute the work in the half-hearted, limited way in which we have been doing it.

Appeals that come to us with increasing frequency from pastors, evangelists, and representatives of Presbyteries for the enlargement of this work, greatly strengthen the conviction in the minds of the committee, that no enterprise of the Church is more needed, and that none is more likely to be fruitful of good to the Church and to the souls of men; but this work cannot be prosecuted as it should be without adequate means.

The General Assembly of 1891, having in view the fact that, in attempting to maintain the work of colportage, funds to a considerable amount, properly belonging to the publishing department, and that could ill be spared from it, had been employed, directed that the force of colporteurs in the field should be reduced until the expense of the work should be brought within the limit of the funds contributed by the churches to this cause. The change necessary to meet these instructions could not be made at once, and nearly all the colporteurs then in the service continued in the field most of the year; but the number has now been reduced one-half, and we may perhaps hope to keep six men at work with the scanty funds that the Church places in our hands for the purpose.

DEPOSITORY.

The largest sales ever made by the depository have been made during the last year. The increase over the sales of the previous year is not large; but, as the financial depression throughout the land has affected unfavorably most lines of business, there is much encouragement in the fact that ours shows decided gain, though the gain be small.

With the purpose of making this source of supply more available to the Church, and especially to our Sabbath-school workers, a descriptive catalogue of books for the Sabbath-school library is being prepared, and will very soon be issued from the press. All the books listed in this catalogue have been carefully examined, most of them by a member of the Executive Committee, and the remainder by brethren in whose judgment the committee places entire confidence, so that all have the unqualified approval of the committee; and selections may be made from his list with the fullest assurance that nothing seriously objectionable will thus find its way into the Sabbath-school library.

A brief description of each book, together with the price, is in most cases given, which will greatly facilitate the selection of libraries.

The books upon this list have been chosen from the issues of many publishers, and it is proposed to continue the work thus begun, until our catalogue shall embrace the best Sabbath-school literature of the world.

SABBATH-SCHOOL PAPERS.

There has been a steady increase in the subscription list both of the *Earnest Worker* and the *Children's Friend*, not as great as reported last year, but enough to give much encouragement, and to assure us that our *Lesson Helps* are meeting the needs of our Sabbath-schools. The royalty received from the papers was \$3,168.46.

In this connection it is deemed proper to state the position of the committee upon one point, which has been the subject of much discussion in our religious papers, and has been the topic of frequent communications from our friends and patrons. We have been urged to omit the Scripture text from our *Lesson Leaves*, and from

the lesson pages of the *Quarterly* and *Earnest Worker*, upon the ground that the practice leads to the disuse of the Bible itself in the work of the Sabbath-school.

While some have urged the omission, others have as strongly urged the retention of the Scripture text, and one reason presented for this view has much force in it, namely, That there are many schools where the scholars are not all provided with copies of the word of God, and cases may and do frequently occur where, in the absence of the Scripture text, the lesson itself would be of little use. In the judgment of the Committee the use of the Bible in the Sabbath-school will depend upon the superintendent and teachers, and upon the methods of teaching employed; and it is believed that the wishes of the great majority of our patrons will be met by continuing to print the Scripture text upon our lesson pages. We have, however, issued a "Condensed Lesson Leaf," without either text or questions, for any who may desire such a paper.

The number of all periodicals issued during the year is as follows:

Earnest Worker,	150,000
Children's Friend,	1,010,000
Lesson Papers,	1,800,000
Quarterly,	75,000
Primary Lessons,	920,000

BIBLE AND SHORTER CATECHISM.

With the approval of the last General Assembly, the Executive Committee made public, early in the last year, a proposal to give to every child who should commit to memory and recite perfectly the Westminster Shorter Catechism a handsome pocket Bible. Under this offer two hundred and twenty-six Bibles have been given as prizes during the year.

The last General Assembly, in the report of the Committee on Sabbath-schools, directed the Committee of Publication "to take into consideration the expediency of securing the preparation and publication of a brief catechism on the polity of our Church, suitable for use in our Sabbath-schools." Obedient to this direction, the Executive Committee has made arrangements for the preparation of such a catechism, which will doubtless be issued at an early day.

In the same report, the Committee of Publication was "directed to take into consideration the expediency of the work proposed" (that is, the work of a General Superintendent of Sabbath-schools), "in connection with the work of colportage, and to report thereon to the next Assembly." The Executive Committee, having duly considered the matter, beg leave to report that in their judgment it would be unwise to entertain the question of the appointment of a General Superintendent of Sabbath-schools at the present time, especially in connection with the colportage work, in view of the fact that we are compelled to consider retrenchment rather than enlargement in this department.

TREASURER'S REPORT.

The receipts for collection account during the year, including legacies, were \$10,359 02

The sales from the Depository have amounted to nearly \$38,000—more than in any one year before in the history of the business.

The table of assets and liabilities shows an increase of \$7,757.31 in the net assets during the year, making the total net assets \$93,053.03.

VI. REPORT OF THE BOARD OF DIRECTORS OF UNION THEOLOGICAL SEMINARY.

The Board of Directors of Union Theological Seminary in Virginia reports to the General Assembly as follows:

At the annual meeting of the Directors in May, 1892, nineteen of the twenty-four Directors were present. Rev. P. H. Hoge, D. D., Rev. Alex. Sprunt, and C. E. Graham, of the Synod of North Carolina, were enrolled as members.

Rev. C. C. Hersman, D. D., professor elect, was duly inducted into the chair of Biblical Literature and Interpretation of the New Testament, whereupon he delivered an eminently appropriate, forceful, and orthodox inaugural address.

During the year just closed our beloved professor, Dr. James F. Latimer, died February 29th, 1892, also Dr. Charles White, Secretary of the Board, and the Intendent of the Seminary, on November 8th, 1891. Suitable memorials of these brethren were prepared by the Board and ordered spread upon the minutes.

Rev. T. C. Johnson, D. D., was elected to the chair of the Ecclesiastical History and Church Polity, rendered vacant by the death of Dr. Latimer. Upon his signifying his acceptance, he was transferred to that chair from the chair of the English Bible and Pastoral Theology.

Twenty-two students matriculated. The whole number in attendance during the session was sixty-five. Several left during the term, some upon providential reasons and some upon insufficient reasons.

Diplomas were granted to thirteen, and limited certificates to two members of the Senior Class.

Two hundred and seventy-three volumes have been added to the library. The diligence of the professors was commended, and also the faithful zeal of many of the students in the prosecution of their studies.

In fulfilment of the appointment of Board last year, Rev. Dr. Moore during the summer and autumn visited many of our churches, and was very successful in raising for the erection of new dormitories the sum of \$7,530.48 in cash, also \$220 in pledges. A portion of this money has already been expended in building two attractive cottages, which will be completed in time for occupancy next session.

On Wednesday May 4th, Rev. D. D. McBryde delivered the address to the graduating class upon the subject, "The Christian Minister the Ambassador for Christ." At the close of the address the President delivered diplomas to the graduates of the Senior Class.

The committee appointed to audit the Treasurer's account, reported that they had examined the same and found it correct and sustained by proper vouchers.

The Board authorized the Treasurer to reduce to the possession of the Board the legacy of the late Edwin H. Smith, of Tennessee. Also to release Mr. Calvin N. Caldwell from liability for his note for \$3,000, and return the note to Mr. Caldwell; Mr. Caldwell is prevented from meeting his promise, having gone as a missionary to China.

The Treasurer was instructed to comply with the act of the Legislature of Virginia in regard to bonds upon which the State pays interest, but to hold the bonds of the State, amounting to \$700, on which interest is not paid.

The Board herewith appends a copy of the Treasurer's report.

Rev. E. H. Barnett, D. D., of Atlanta, Ga., was unanimously elected to the chair of the English Bible and Pastoral Theology.

The minutes were read and approved, and the Board adjourned to meet Tuesday before the first Wednesday in May, 1893, at the call of the Secretary.

J. P. FITZGERALD, *Secretary.*

VII. REPORT OF THE BOARD OF DIRECTORS OF THE THEOLOGICAL SEMINARY, AT COLUMBIA, S. C.

To the General Assembly, to Meet at Hot Springs, Ark., May 19, 1892:

It is with much pleasure the Board reports that the Seminary has just closed another year of prosperous and successful work. The report of the Faculty speaks most favorably of the close attention of the students to their studies during the entire term; and the examinations show how faithful the professors have been in instruction. There have been twenty-eight students enrolled, and with a few exceptions they have all been present during the entire term. The information already received indicates a large attendance for the next session. The following students have completed the three years' course of study: R. P. Baird, S. C. Byrd, C. O. Martindale, G. B. Scrogin, Newton Smith, L. T. Way.

The finances of the Seminary are in good condition. The invested funds amount to \$235,357.52, giving an income of \$13,000.

There has been an addition of a goodly number of excellent volumes to the library during the past year.

It is the purpose of the Board to place in the field a financial agent at the earliest possible day to increase the endowment fund, so that two more professors can be added to the present corps of instructors.

There is urgent need for a fire-proof building for our valuable library, and the financial agent will be urged to secure the means for this purpose as speedily as possible.

The Board feels confident that the Seminary has a most favorable future opening before it, and it is to be hoped that the friends of this School of the Prophets, which has done so much for the Church in the past, will come cordially and efficiently to its support, that it may continue to do a prosperous and successful work in the future.

W. W. MILLS, *Secretary of the Board.*

VIII. ANNUAL REPORT OF TUSKALOOSA INSTITUTE.

I.—REPORT OF BOARD OF DIRECTORS.

The Directors of the Institute for the Training of Colored Ministers make this their First Annual Report to the General Assembly's Executive Committee on Colored Evangelization.

The same Faculty was continued, viz: Rev. C. A. Stillman, Superintendent, and Professors Rev. J. G. Praigg and Rev. R. B. McAlpine.

The exercises of the Institute closed the last of June, when four students received certificates of graduation, and an address was delivered by Rev. Russel Cecil, of Selma, Ala.

The exercises were resumed on the first of September. The number of students at the opening was small, but gradually increased, so that we have had twenty-two during the session. The faculty felt it their duty to dismiss one for disorderly conduct, and another for incompetency. We have now nineteen.

The health of the students has been fairly good, and, as you will see from the report of the Faculty, they have been orderly and diligent.

We have not found it expedient to attempt the organization of a separate department for preparatory instruction, the only case needing such instruction being met by means of a neighboring school.

Our course of study remains as heretofore, and we have no changes to suggest.

We append the report of the Faculty for the year and the Superintendent's financial statement, both in printed form.

C. A. STILLMAN, *Chairman.*

REPORT OF THE FACULTY.

The Faculty of the Institute for Training Colored Ministers respectfully report that there have been in attendance during the present session twenty-two students, for whose names and presbyterial connections reference is made to the catalogue published in this volume.

Of the students there named, William Edwards was dropped from our rolls because of incapacity; J. N. Pope was dismissed on account of the violence of temper he manifested in his relations with the other students; and Cornelius McAlpine found it necessary, on account of his domestic affairs, to withdraw until our next session.

With these exceptions the students have been diligent in study and exemplary in deportment. They have shown an especial eagerness in pursuing the branches which are directly connected with the work of the ministry, giving the theological the preference over the purely literary studies, and in some instances esteeming the latter as worthy of but little attention. Their studies in some instances were seriously interrupted during the winter months by grip and kindred ailments. We are glad to say, however, that since the approach of spring, sickness has grown much less frequent, and regularity of attendance has improved accordingly.

The text books now in use are the same as at our last report, except that "The Key to the Shorter Catechism"—an excellent little work, with systematized proof texts and explanatory notes—has been introduced into the Introductory and Junior classes, instead of the annotated text we have heretofore used; and Dr. Cuyler's "How to Be a Pastor," substituted for Baxter's "Reformed Pastor," as the basis of instruction to the Senior Class in Pastoral Theology.

We are glad to report that, whilst much and careful attention is paid to the analysis of texts and the preparation of sermons, there seems to be on the part of the students a growing disuse of the manuscript in preaching. In the majority of cases they either confine themselves to brief notes, or else have no paper before them whatever. Whilst encouraging them in this, we at the same time urge upon them the importance of writing their sermons, in large part, if not in full—not with a view to committing them to memory, but as the best and surest means of acquiring accuracy of expression, coherency of thought, logical analysis, and systematic arrangement.

We cannot close our report without referring to the fact that there are in each of our classes one or more persons who read so imperfectly that they often get very inadequate ideas of the subject matter of their text books. Why, it may be asked, are they allowed to remain in the Institute? The special reasons have varied somewhat with special instances; but there are two general reasons which will apply to each of these cases: First, it seemed a hardship to refuse admittance to those who had come, it may be, a considerable distance, and who, unless received by us, must be thrown upon the community, strangers, without employment and without the means of returning to their homes; and, second, unless the case at the outset seemed utterly unpromising, we have borne with

them, with the hope that they would so improve under our training as to repair the defects of their early teaching. In this hope we have been disappointed almost invariably. Nor is the reason far to seek. Our only text book is reading in the Bible. Those to whom we refer need drilling in the elementary spellers and readers, and in these we have not the time, even if we had the inclination, to give them instruction. It has been thought all along that this difficulty might be met by establishing an apartment in connection with the Institute, in which should be taught the strictly elementary branches. The times, however, do not seem ripe for incurring the additional expense this step would involve. Nothing remains, then, but that the Presbyteries be required, before they send their candidates to us, to assure themselves, by personal examination, that they read intelligently, write legibly, and understand at least the four primary rules of arithmetic.

J. G. PRAIGG,
R. B. McALPINE.

IX. ANNUAL REPORT OF THE TRUSTEES OF THE GENERAL ASSEMBLY.

Your trustees submit the following report, viz: Four called meetings of the Board were held during the year, and the regular annual meeting was held this day.

It gives us pleasure to report that several important legacies have been received during the year, viz.: from Mrs. Margaret A. Guthrie, of Virginia, \$508 (we have previously received considerable sums from this estate); from John Gary, of Virginia, \$331.50; from Miss Phoebe Swarts, of Florida, \$2,800; from Mrs. William Workman, of Kentucky, \$1,856.12; from W. A. Moore, of Georgia, \$5,000; and from Mrs. Ruth W. Talmage, of Georgia, \$9,397.05. There is yet a small sum to come from Mrs. Guthrie's estate, and it is estimated Mrs. Talmage's bequest will yield \$1,000 to \$1,200 additional. We are also pleased to report that we are advised that the late W. F. Monroe, of Pensacola, Fla., bequeathed some \$10,000 to be equally divided between Foreign Missions and Home Missions, and that the late John McKeen, of Maryland, has bequeathed \$1,000 to each, Foreign Missions and Home Missions, and that said bequests are being looked after by this Board.

Our Treasurer's annual report, which has been duly audited and approved and which please receive herewith, shows that he has received from all sources \$20,594.74, that he has disbursed \$18,873.30, and that he has a balance on hand of \$9,495.37, said balance being held and invested for various "funds," as will be seen by reference to the Treasurer's "detailed" accounts.

The "Presbyterian Ministers' Fund," of Philadelphia, Pa., has rendered us a report, which shows the "Relief Fund" of our Church to be in a flourishing condition.

The term of office of the following trustees will expire with the meeting of the Assembly, viz.: Rev. J. B. Shearer, D. D., John L. Brown, and John E. Brown.

The officers of the Board for the year beginning to-day are: E. Nye Hutchison, *President*; John L. Brown, *Vice-President*; John E. Oates, *Secretary and Treasurer*.

Respectfully submitted,

E. NYE HUTCHISON, *President*.
JOHN E. OATES, *Sec'y and Treas.*

REPORT OF PERMANENT COMMITTEE ON THE SABBATH.

The Permanent Committee on the Sabbath would report that nothing of a very striking character has occurred within our own immediate bounds since the last meeting of the Assembly. We have received reports from forty-six of the Presbyteries. From these reports we learn that the matter of Sabbath observance has been pressed upon the attention of our people generally, with more or less constancy and fidelity, by our ministers, and that our people regard the day with becoming reverence, though some report cases of careless disregard of the day in the matter of patronizing the public conveyances, and making journeys and social visiting on the Lord's day. From the general tenor of the reports, however, we would infer that, upon the whole, there seems to be some improvement among our own church members at least. In striking contrast with this, however, comes the report as heretofore from the majority of Presbyteries, showing a decided deterioration, so far as the outside world is concerned, in a general disregard of the authority of the day, and especially in the matter of Sunday travel and traffic; the common answer being that there is a steady increase of both of these with the increase of the population, and more particularly along the great lines of thoroughfare and commercial centres. Apart from the railroad travel and traffic, including the carrying and distributing the mail and express packages, the common degeneracy seems to be more in the direction of converting the day into a holiday than that of work. There is generally a willingness on part of the people to cease labor, but a growing disposition to adopt the European idea of converting the day into recreation, pastime, and, therefore, a suitable time for excursions and games, travel and visiting, concerts and amusements of every sort. It will, indeed, be a matter of devout thanksgiving if we keep up the moral sentiment of our own people amid such general tendency to greater laxity and deterioration.

The great question that has been, and is now, agitating the minds of the Christian people of this country, is the opening of the Columbian Exposition on Sunday. Never before, perhaps, has the question of Sabbath observance been brought more prominently to the front, or the heart of the Christian portion of the people been more deeply stirred upon this subject than at present. The common feeling is that a crisis is now upon us, the issue being whether the richness of a Christian Sabbath, left the American people by our Fathers, will be continued to us. We hear of protests on every side. All the leading religious denominations of the land have with remarkable unanimity flooded the offices of the managers of the Exposition with their petitions, asking that the gates be closed. Many private appeals have been made to men of prominence throughout the country to use their influence in securing so desirable an end. Members of Congress and State Legislatures have been petitioned to urge that all State and National appropriations be made only upon the condition that the gates shall be thus closed. What the result is to be, we cannot yet foresee. We can only express the earnest wish that the commissioners and managers will not be oblivious to the wishes of so large a proportion of the constituency of this nation, and unmindful of all our past traditions, as to turn a deaf ear to all these appeals. But should they refuse to yield to a wish so strongly expressed, whilst we would in common with all the Christian people of this land feel profoundly grieved, we would have, at least, some consolation in knowing that there is still a wide-spread, healthy sentiment on the subject, and that the Christian Sabbath is so firmly entrenched in the hearts of so many of God's professed people.

As heretofore, our connection with the "American Sabbath Union" has been merely nominal, and must in the nature of the case continue more or less so. The last annual meeting of the Union was held at Des Moines, Iowa, in December last, which none of your committee attended on account of distance and expense. We herewith submit to you, however, a copy of its proceedings for your examination.

With sadness we report that since our last report, death has entered our ranks, and, for the third time since the organization of your committee, taken one of the firmest friends of the Sabbath, and who has done so much in awakening the present interest in our Church upon this important subject. We allude to Mr. William A. Moore, a ruling elder in the First Presbyterian Church, Atlanta, Ga., whose name is known throughout our whole Church, and whose death we now lament. May his mantle fall upon one equally worthy.

Respectfully submitted,

JAMES STACY,

XI. REPORT OF REV. A. L. PHILLIPS, COMMISSIONER TO ATTEND TO THE ORGANIZATION OF AN INDEPENDENT SYNOD.

FATHERS AND BRETHREN.—Agreeable to the appointment and instructions of the General Assembly of 1891, I have diligently visited and corresponded with the various colored Presbyteries, have tried to gather authentic information as to their wishes in regard to their union into a separate and independent Synod. have conferred with our own Synods concerned, and have borne to the colored brethren cordial assurances of our sympathy and aid. I herewith submit my report, setting forth the facts learned and making such suggestions as seem proper and useful.

There are now in the territory embraced by our Church five Presbyteries, composed wholly of colored ministers and churches, viz. :

(1.) *The Presbytery of North and South Carolina*, composed of churches in lower North and upper South Carolina, organized November 3rd, 1876, as an independent body. It is now independent. I had a conference at Bishopville, S. C., October 22, 1891, with a committee of that Presbytery, consisting of Revs. J. H. Ghee, R. C. James, and P. T. Willis, and Ruling Elders Jacob G. George and Mitchell Chapman. All were present except Rev. P. T. Willis. These men are leading members of that Presbytery. They said that their churches had never grown much until they became an independent body, that they would not surrender their independence for any cause, but that they would be glad to unite with other Presbyteries to form an independent Synod.

There has always been a most fraternal relation between this Presbytery and our own Church. For several years we have helped to sustain their pastors and have educated their candidates free of cost to them.

(2.) *The Presbytery of Central Alabama*, organized at Tuscaloosa, Ala. December 12, 1890. I met this Presbytery in the fall of 1891, and having discussed the separate Synod with them, it was unanimously decided to enter into

formation of such a Synod when it was called. At the recent spring meeting of this Presbytery, its action of the fall previous was reconsidered, and it was unanimously decided not to enter such a Synod at present. The Synod of Alabama, at its meeting in 1891, declared "That this Synod recognizes the independence of Central Alabama Presbytery, as assumed by themselves in response to the recommendation of the General Assembly of 1891, and we recommend that as soon as practicable they unite themselves with other colored presbyteries with a view to the formation of a colored Synod."

The chief reason which led this Presbytery to decline to enter the Synod seems to be a doubt of their own ecclesiastical and financial ability to exist one, although I had assured them that our Church was pledged to aid them spiritually and educationally.

(3.) *The Presbytery of Ethel*, organized at Ethel, Miss., on January 10, 1891. This Presbytery is one of the constituent Presbyteries of the Synod of Mississippi. I met this body at Fairview church near Heidelberg, Miss., August 18, 91, and discussed the separate Synod. They decided, though not unanimously, at they did not think that the time had arrived in the providence of God for such a step, and declined to enter the Synod. At their recent meeting they again decided adversely to the separate Synod. Their chief reasons for such action seemed to be: (1), Lack of money to carry on the Synod; (2), Lack of numerical and Presbyterial strength; and (3), Lack of benefits of review and control of such an Assembly as ours.

(4.) *The Presbytery of Texas*, an independent body. Its churches and ministers are poor and weak, but they are willing to enter the separate Synod, so as I am informed.

(5.) *The Presbytery of Zion*, embracing churches and ministers near Memphis, Tenn., organized in December, 1891, an independent body, ready to enter the independent Synod when formed.

Of the ministers not connected with the above Presbyteries, I know that at least five are heartily in favor of an independent Synod.

There seem to be three opinions amongst them: (1), Some favor separate presbyteries, with representation in our Synods and Assembly; (2), Others favor separate Synod, with representation in our General Assembly; (3), Others still for a separate and independent Synod.

It is perfectly evident, therefore, that there is now no plan that meets the approval of all the colored ministers. In their poverty and lack of ecclesiastical experience it will be well nigh impossible for them to maintain a vigorous independent life without cordial unanimity.

In order to test the matter I issued a letter from which the following is an extract:

What is the purpose of the Southern Presbyterian Church in regard to these colored brethren and churches? In 1874 the General Assembly adopted the following: "Presbyteries and sessions are recommended to encourage and aid the formation of colored churches . . . with a view to form these churches due time into Presbyteries, as convenience may dictate." "When two or more such Presbyteries shall exist they may unite to form a Synod, as was the case in our own history. This may, for a time, continue to be their highest effort. A time, however, may arrive when, from the increase in the number of churches and Presbyteries, said Synod may find it expedient to divide and

combine in a General Assembly. These churches, though under the government of their own Presbyteries, must at first, and to a large extent, be dependent for instruction upon our own ministers and Presbyteries until colored preachers can be obtained." The same paper recommends our people and Presbyteries to aid these colored Presbyteries in selecting and educating ministers, in Sabbath-school work, and in the erection of church buildings. No act of the Assembly since that time has indicated the slightest change of purpose on the part of our Church. The plan is fixed.

Three facts, then, are apparent: 1. There are now five regularly organized colored Presbyteries. 2. It is the distinctly formed and often expressed purpose of our General Assembly that these Presbyteries should be separate from its jurisdiction. 3. Our Church is solemnly pledged to aid them when so formed.

Now the organization of the above mentioned Synod has been impracticable up to the present, chiefly because of the great distances between the Presbyteries and the heavy expenses of travel. This obstacle is now removed. The Presbyteries of Ethel, Central Alabama and Zion are contiguous and easily accessible the one to the other.

After a careful examination of the facts and a prayerful consideration of the whole matter, I am convinced that this organization is of the utmost importance to the development of a spirit of manly self-reliance on the part of our colored brethren and their churches. It is not as though we thrust them out, but would bid them go forth as the wise and faithful father, having trained and educated his son, bids him go forth to take a man's part in the duties of life, meanwhile ready to lend aid whenever it is needed. Furthermore, inquiries are being made by colored ministers outside of the Southern Church as to the organization of this separate Presbyterian Church, expressing their approval of the movement and desiring to take part in it.

In consideration, therefore, of all that I have said above and by virtue of the authority given me by the last General Assembly, I call upon the Presbyteries of North and South Carolina, Ethel, Texas, Central Alabama and Zion to consider at their regular Spring meetings, or, if any of them meet only once a year, at a called meeting to be held before April 15, 1892, whether or not they will unite in forming a separate, independent Synod, the meeting for this purpose to be held in Salem Church, Tuskaloosa, Ala., on Friday, April 29, 1892, at 11 o'clock A. M.

I desire Ethel Presbytery to pass a resolution withdrawing from the Synod of Mississippi, in order to unite with the separate Synod. At its meeting in the fall, I have no doubt that the Synod of Mississippi would cordially approve such a course.

Colored Presbyterian ministers, not under the jurisdiction of either of the above mentioned Presbyteries, are invited to attend.

I shall be glad to correspond with any one interested in this matter that desires further information. Let there be a full understanding by all concerned.

Upon the consideration of this letter, Ethel Presbytery declined to enter the Synod. Without Ethel Presbytery it was impracticable to get a constitutional quorum of three Presbyteries. I therefore recalled the appointment. Before the proposed date of meeting, Central Alabama Presbytery also declined to co-operate. Here the matter rests.

Any intelligent person will readily see that the successful prosecution of our

ed work depends upon the hearty agreement of all concerned in the plan of
tions. Can such an agreement be secured?

y I suggest the following plans, either of which will be calculated to pro-
the harmony needed: 1. Let the colored Presbyteries be organized
a separate Synod; said Presbyteries to have representation in our General
mby for a period of five years, at the expiration of which time their con-
on with our Assembly shall cease.

Let the colored Presbyteries be exhorted for their own unity and develop-
to unite at once in the formation of a separate Synod.

Respectfully submitted by •

A. L. PHILLIPS, *Commissioner*.

PRAYER FOR THE GENERAL ASSEMBLY.

Whereas the General Assembly of the Presbyterian Church in the United States fully recognizes the efficiency of the prayers of God's people, and the necessity of divine guidance in its own deliberations; therefore—

Resolved, 1, That the General Assembly recommend to all the churches under its care to offer special prayer during the devotions of Sabbath preceding the meeting of the General Assembly in each year, that God would of his great mercy so give the General Assembly wisdom that cometh from above, and so direct all its plans, discussions, and decisions, as to promote his own glory and to advance the kingdom of Jesus on earth.

Resolved, 2, That the above preamble and resolution be printed usually in the Appendix to the Minutes of the Assembly.
